**Chapter 1 - cruel and unusual**

**2**

## 1 - cruel and unusual

Now He Is speeding down the highway  
just think of the outcome,  
if you would have done it His way.

Just imagine the pain He Is going through  
now come on,  
Im pretty sure you knew.

It was real cruel of you  
but who knows,  
He might be back in a few.

He proceeds to go faster  
were flying now,  
in the end there is utter disaster.

He turns and hits the rail  
He loses control,  
His breaks decide to fail.

The airbags deploy  
head hits steering wheel,  
to bad He isn't a decoy.

he wakes up in room one  
no one to be found,  
not even his son.

With an I.V named lou  
there is nothing,  
a sip of alcohol can do.

He grows of old age  
he is so brittle,  
but its time for Him to leave the stage.
