Its a tad wierd.. Inspired by one of my deliciously evil Marionettes, Victoria. She's always up for a good cup of tea. ^_~

Chapter 1 - When the teacup is pink

2

1 - When the teacup is pink

Come have a cup
of tea
with me

We'll chat about the
the color of the sky

You'll say its blue
and I'll say it's orange
And that you're about to die

You say 'That's crazy!'
'I'd bet a thousand on it'
You say you'd bet a thousand more,
then you hit the floor

And If you'd only paid attention
You'd realize
that I'd when the bet
But your mind is elsewhere
when your lips are wet

I look up at the evening sky
The orange slowly starts to fade

You're quite a bright one
aren't you?
You oughta double check
before a bet's been made

Poison is pretty when the teacup is pink
