"Riku! Hey Riku! Wait up!!" Daisuke said as he ran to catch up to her.

"Hey Daisuke!" Riku said as she turned around and waited for him to catch up with her.

"Uh...Riku…I…was Um…" Daisuke started.

"Yes Daisuke?" Riku said as she blinked confusingly.

"WouldYouLikeToWalkHomeWithMeToday!?" Daisuke said in such a hurry that he forgot to breathe.

"Uh…What?" Riku said as a sweat drop formed from his rush in saying what he wanted to say.

Daisuke took a deep breath then repeated only slower. "Would you like to walk home today…with me?"

"What! Why!" Riku said, as she became bright red.

"I knew you would say no…" Daisuke said as he lowered his head.

"No!! Wait! Yes! I would love to!!"

`This day seems so long…Longer then usual. Maybe it was because I like him? Wait!! Noooo! He wouldn't care! Risa is the one he loves!! Not me!' Riku thought to herself then started blushing.

"Uh…Riku why are you blushing?" Takeshi asked because he was talking to her.

"Huh?…What!! I'm not blushing!!" Riku started to wave her hands in front of her face.

"You're scaring me. Do you like me or something?"

"What!! Noooo! Never! Eww!! That's gross!"

"Oh…fine then." Takeshi said sadly then sighed.
