## Dark world's ending

Don't look for the answer on a question yet to find  
Don't look for redemption in the Devil's eyes  
Don't search for happy feelings in any mind  
Don't search for truth in someone's lies

Don't seek for perfection that can never be attained  
Don't seek for words of love at the end of the day  
Don't look for good people, they've all been chained  
Don't look for words nobody knows to say

Don't look at me like that, after all I said  
Don't hate me for being this cold sad dove  
But look at the sky now the sun has set  
Take me with you tonight, let's just love
