## 1 - It's nothing pat...

(Nobody's P.O.V) It was a nice sunny afternoon and Patrick was on his way to Spongebob's house for their daily bubble blowing rock paper scissors games. When Patrick knocked on the door, there was no answer... "Must be in the kitchen making some grub." Patrick said. He walked to the backside of the house and knocked, then waited for an answer. 5 minutes pass... "Spongebob? It's me Pat. Can I come in?" the door swung open. "Spongebob? You in here?" "....." "spongebob I can't hear you." "What, Patrick?" "Spongebob?" (Spongebob's P.O.V) I couldn't let pat know of what I was thinking. He came back into the library with me. "So Pat... why are you here?" "Because we always do rock, paper, scissors games on tuesday." "Oh right forgot about that..." Pat looks at spongebob, who is staring at his feet. "Something wrong buddy?" pat then asked me. I had seconds to come up with an answer. "It's just my thoughts..." I told him trying not to reveal what I felt like inside. He then looked up and then sighed, I was hoping he didn't know... "Well what is it?" "It's nothing pat..."
