I do not own John Mayer or DAUGHTERS, but I do own the most crapy lyrics on Earth, these ones. You are free to use these crapy lyrics, just tell me where so I can see.

Friends Forever

(Graduation Day)

(To the tune of Daughters by John Mayer)

I've known you all.
You've been my friends,
Friends till the end.
But now, it's time to move on.
Our futures await us,
Our past is gone.
And I just wanted to say,
That maybe this time,
We're gone more than a day.

We will be friends, forever,
But now we must go different ways.
Some will go to Hathaway,
Some to D.C.,
But, forever, friends we will be.

Oh, remember school,
Saint Ann's was so very cool.
But now, we're leaving behind,
The friends that we had,
From time to time.

We will be friends, forever,
But now we must go different ways.
Some will go to Hathaway,
Some to D.C.,
But, forever, friends we will be.
But, forever, friends we will be.
But, forever, friends we will be.
