1 - Description - Cassie

A tall, skinny young Phoenix with shining hazel eyes glides through the air, high above the ground below. Hair hanging down at her shoulders, a gathering of her bangs hanging down over her left eye. With a flirting wink and a cheerful joke, she could turn most men's resistances to mush, and have them at her will. - With a slight swing to her hips as she walks, she'd turn many heads, including, it seems, your own. - Her soft, graceful feathers form her beautiful, slender wings. And conform down her body, going just up to the point of nearly exposing her bare beauty, yet keeping it hidden all the same. The feathers, though normally a lovely purple color, often change according to her mood.
