1 - Rozenthi

A tall young female wolf of about 23 years, with long black hair down one quarter the length of her back. Her hair is cut at an angle towards the back, becoming shorter the farther back it went, the better lengths hanging in front of her cheeks. Upon her, a long noir black dress, deep maroon tight across her chest, the length of black fabric flowing behind her from the waist down. - Nice to be around, she hides her inner differences with a soft, shy smile. To a friend, she's very helpfull, and willing to do nearly anything, if asked... - An untracable sense of difference surrounds her, as if all is not as it seems. Aside from her appearance as a wolf, she is actually a dragon. The draconic form forsaken for her more acceptable wolvern appearance.
