Chapter 1 - Lapine Lane

1 - Lapine Lane

A tall, thin grey Lapine herm with elegant white hued markings, moonlight shimmering on hir smooth fur. Upon hir upper body is a blue, partialy open blouse, hanging open just far enough to expose hir luscious cleavage. If only one more button was undone... - Hir lower body, though legs were bare, was concealed from hir waist to halfway down hir thighs, keeping hir male and female appendages more secretive. - As shi walks, hir hips sway elegantly, each step shi takes silent, as if there was nobody there. Hir body, though so beautiful, is yet scarred and bruised from a saddening past, which shi does not speak of anymore. It would be ill advised to ask hir of it, as it would only upset hir.
