**Chapter 1 - Xaia**

**2**

## 1 - Xaia

A tall young feline of about 19 years aged. She wears a pair of loose black jeans, visible from the knees down, her long gray shirt covering her from her nearly flat chest down to that point. Her shoeless feet pad softly, quietly upon the ground as she walks. Alongside her walks a small 12 year old girl, her companion and helper. She hates to be alone, yet she is afraid of males, so the little girl accompanies her wherever she goes. - Xaia mostly keeps to herself, rarely speaking to anyone but her companion, and even then only quietly. - Her quiet, almost silent personality, an effect of a dark, horrible past, sometimes gives the impression that she is mute. Words she can speak, but she cannot see those who speak them. Emerald of her eyes shows grief, living in her word of darkness and painful memories.
