Create Freedom
my favourite hobby

These little blobs
on these five straight lines
can you read them?
because they do tell a story
in tones.

Flex your fingers,
position your hands;
curved like a ball,
the tips on each key.

MOVE!

Create a melody,
fall free,
feel it; feel them,
ripple beneath your fingers,
black white; white black.

Close your eyes,
let freedom,
course through your veins,
free your fingers,
and
Create
Music...

**you have just witnessed
the feeling of playing a piano.**
