DISEASE

Hollow;

It eats up my mind

So horrible it is

That I have to find

A solution

To stay awake...

I'm tired as hell;

There goes the bell,

My body drags my mind

Through this awful day...

Mentally dead—

Just an empty head

No thoughts I can find

In my now useless mind...

How do I fight

This freaky disease?

Now you may ask

Which disease do I mean?

Today,

It is called

Boredom...
