*I like the song a lot but I just found it too short so I decided to add some more lyrics to it. It goes to the same tune of the original song.*

# 1 - The Last Unicorn Song (MelMuff's Addition)

The Last Unicorn Song  
The Last Unicorn Song (*MelMuff's Addition*)

*By MelMuff*

***Disclaimer & Author's Notes:*** I don't own the song "The Last Unicorn". It belongs either to America, the group who sung it during the movie, or perhaps the people responsible for making the movie. I really don't know exactly who owns it. I just like the song a lot and found that it was too short so I decided to add my own extension to it. It goes to the original tune of the song and this is also the first thing that I've ever published on FF.net. It took me a few months to make it so I hope that everyone will enjoy this addition to the song that I've added. Also, please note that the first portion is the original song. I did not write that. What I wrote is separated by a line so whatever is after the line is what I wrote. Now please continue and enjoy! Ja ne!

When the last eagle flies  
Over the last crumbling mountain  
And the last lion roars  
At the last dusty fountain  
In the shadow of the forest  
Though she may be old and worn  
They will stare unbelieving  
At the last unicorn

When the first breathe of winter  
Through the flowers is icy  
And you look to the north  
And a pale moon is rising  
And it seems like all if dying  
And would leave the world to mourn  
In the distance, hear the laughter  
Of the last unicorn  
I'm alive  
I'm alive

When the last moon is cast  
Over the last star of morning  
And the future has past  
Without even a last desperate warning  
Then look into the sky where through  
The clouds a path is formed  
Look and see her, how she sparkles  
For it's the last unicorn  
I'm alive  
I'm alive

~~~~~

*This addition created by MelMuff*

When love disappears  
And may be lost forever  
And regret settles in  
Fearing that it may never  
Come back to where it belongs  
That's what's been sworn  
Unfortunately the same goes for  
The last unicorn

When the lonely soul cries out  
Cause of the pain it bares  
And the life within it dies  
Cause no one seems to care  
But when she passes by  
And sees the spirit torn  
She will help ease the pain  
She is the last unicorn  
I'm alive  
I'm alive

When the last fate is sealed  
And there's no turning back  
Then it's guilt that's felt  
From reflecting upon the past  
And looking deep into your soul  
Your innocence has been scorned  
But if anyone can save you  
It's the last unicorn  
I'm alive  
I'm alive
