Basically, Kyubi-Chan and me had the idea at first, then Wescravendevon gave me ideas for characters, so special praise for them! ^___^

Have fun.

Chapter 0: The Door to another world

[Underwater near the darkness]

Cheery: -ahhhhhhhh!! *hits head on ground* Ow! *gets up in pain* Where am i?

???: Hey.

Cheery: Ah! Where are you?

???: I am your guide, giving you advice in this world.

Cheery: This world? Another world other then mi-

???: SILENCE!!

Cheery: Yes sir. ._.;

???: Now, step foward to see the next objective in your life. Can you step foward?

Cheery: Well, of course i can, I'm not handicapped ya know. *steps foward and 3 trapezoids come up, each with a sword, sheild, and a rod* Whoa! Hey, what is this?

???: What is most important to you...choose wisely...

Cheery: Um...okay. Let's see now...Sword...has strength, Sheild...has defense, and a rod has magic...hmm. *picks up the sword*

???: Now that you have chosen the path you had chosen...what will you give up in exchange?

Cheery: Either it's me... or this looks like a video game... Uhh... choices?

???: Oh yea, right. *2 trapezoids come up, each with a sheild and rod*

Cheery: Okay let's see... uhh... Is there a right awnser?

???: No.

Cheery: Is there a wrong awnser.

???: No. Shut up and choose.

Cheery: Okay okay fine... sheesh. *looks at two* Einy, meenie, miny...mo. *picks up sheild and it disappears from his hand* What gives?!

[The floor shatters beneath Cheery's feet, and he falls down to another floor, with a cicular stained glass way.]

Cheery: Not agai-Ahhhhhhh!! *hits back on floor* My spine! Crap... *sword appears in hand* Oh...cool. Now what?

???: You have been given the power to fight.

Cheery: Fight? Oh no, I'm not a fighter...

???: Okay fine, i'll see if you'll change your mind. *takes away sword and sends 3 shadows*

Cheery: What are these?!

???: They are called...heartless. One who seeks a heart. Especially yours...

Heartless: *begins to attack Cheery*

Cheery: Okay i changed my mind!! *gets back sword and begins attacking the 3 heartless*

???: Behind you!

Cheery: *attacks Shadows behind me* Ha... these don't seem tough...at all. *a dark void appears*

???: Go into it, into another place other then this...

Cheery: Okay, fine with me. *goes in the dark void*

[At another glass stained circular thingie mabob]

Cheery: *is on the floor* At least i didn't fall this time.

???: You want to?

Cheery: No! 0__0

???: Whatever. Anyway, try to open that treasure chest.

Cheery: Okay. *tries to open it with bear hands* Damn, it won't open!

???: Tap it with your sword, moron.

Cheery: ...I'll guess i'll give it a go. *taps chest with sword and a potion is given to Cheery* Wow, i can't believe that worked.

???: Now...smash open the crate falling toward you.

Cheery: Say wha-*box hits Cheery in the head* @_@

???: Now hit the barrel in front of you.

Cheery: Okay... my head hurts even more.*hits barrel very hard and barrel flies toward the darkness.*

[A door appears in the side of Cheery, whist he opened it, a door of light appeared with him being sucked in, going to a part of Destiny Island, his world.]

Cheery: Now what?

???: The door won't open completely...tell me about yourself.

Cheery: Okay... I'm short, have a temper tantrum usually, i have a heart nose an-

???: Not that moron. I mean what your afraid of, what you want most, and what's important to you.

Cheery: Oh... Well... I'm afraid of being old, want to see rare sights, and also the most thing important is being number one, of course.

???: Are you sure?

Cheery: Yes.

???: Then your journey will begin at dawn, across another world.

Cheery: Sounds...good i suppose.

???: Then prepare to fall again.

Cheery: God damn it! *falls to another stained glass, with a portrait of one of the Princesses of heart*

[Ahead is a light, that brings forth shadows, and 6 heartlesses appear]

Cheery: Again? *fights the 6 heartless, with only being hit 3 times.*

???: Now... you see the light. Walk toward it, but don't be afraid.

Cheery: *walks into the light*

???: The closer you get to the light, the more larger your shadow will appear.

Cheery: Say wha-*giant replica of Cheery's shadow appears in back of him* Gah! *gets out sword again*

???: But don't be afraid...only you can defeat it...

Cheery: Screw this! *runs but almost falls off the stained glass* Oh crap...I guess i do have to fight you.

Darkside (Cheery's shadow): *begins to attack by trying to grab Cheery*

Cheery: *jumps and walks toward Darkside's head, attacking it repedatly, but gets blown off by his breathe* Crap! *falls on ground and nearly falls off the ledge*

Darkside:... *pulls the stained glass down and begins forming a dark ball*

Cheery: Crap! What is this now!?! *puts sword on the glass and sees Darkside forming a ball, a dark one* Ah geez... *falls off into the dark ball* Now what?

???: It is your desicion....

Cheery: *throws the sword into the dark ball, transferring it to light, destroying Darkside.* Yey! Now how to get out of here...Ah no! *1100 heartless appear and begins attack Cheery putting him into a dark void*

???: Do not be afraid... step into the door of light...

[The light reveals, making Cheery go into another world...his.]

Who could be that mysterious voice guiding Cheery? Why did he help him? And why would Cheery fight 1100 heartless, that's insane!!

Chapter 1: Destiny Islands

--

[After Cheery went through the door to light, he ended up in his own world, unconscious]
[Destiny Islands]

Cheery: *wakes up from his sleep and yawns* What ju-

Wiggles: Hi! =D

Cheery: Whoa!

Wiggles: *giggles* Cheery, you lazy bum. I knew I'd find you here.

Cheery: Give me a break. And I wasn't sleeping. See, this black circle tried to engulf me into darkness and-*Coconut falls on his head* Ow!

Wiggles: Are you dreaming again?

Cheery: No! Or was it a dream... seemed so real...

Wiggles: Would you stop being dramatic? This isn't a video game, ya know!

Cheery: That what I thought... Hey how was your hometown before you came here?

Wiggles: That same question again?

Cheery: Yea! I want to see other worlds and all too! I want to see at least all of them, of course!

Wiggles: You and your dreams...

Cheery: Hey! *gets a log thrown on* Ow!

[The one who threw the log was Cheery's best friend, Buckles.]

Buckles: Hey, what's up?

Cheery: We are talking about going to other worlds!

Buckles: What? And forget me?

Cheery: Well...

Buckles: Are you sure you two aren't going "Woopsie daisy" on me?

Wiggles: What?! *blushes*

Cheery: No. We're not. -_-;

Buckles: Then I guess we better work on the raft to a other world.

Cheery: I guess...

Buckles: Last one's to the tower is a rotten egg!*runs there*

Cheery: Hey! *runs off*

Wiggles: Sigh... How immature both can be... oh well, they ARE best friends. *runs after them*

[At the Tower, where they would plan.]

Cheery: So... what are we suppose to get?

Buckles: Well that's easy. 2 logs for now, and we'll get the rest tomorrow. 1 cloth for the sail, and rope, to put down the sail.

Wiggles: Yea, You go do that Cheery while we do nothing but walk around and talk about random crap like in video games!

Cheery: ...I hate life. -_-;

[About 3 hours of looking for those crap]

Cheery: *comes back with a giant suitcase and a couple of splinters* Okay...I'm done...

Wiggles: Cool! But Buckles already found that stuff!

Cheery:...(heard around the whole island) CRAP!!

Wiggles: Don't worry, there's always tomorrow. XP

Cheery: Yea, I guess so...

[Later, in the sunset]

Cheery: So... That means that according to this manual about 'Worlds as we know it', Wiggles's world is out there somewhere?

Buckles: Maybe but...

Cheery: Are you thinking again?

Buckles: Yes. How did we end up in THIS world if a couple of more worlds exist? Couldn't we had ended up in like some other world where there are black mysterious figures eating our hearts and turning us into these empty shells?

Cheery: 0.o; I guess so...

Wiggles: Buckles, that doesn't make sense...at all.

Buckles: Yea. But who gives a crap?

Wiggles: Not me, of course. =P I'm going home. *walks home*

Cheery: Yea... Same goes for me. *walks across the bridge*

Buckles: Cheery.

Cheery: Wha-*gets popped in the head with a fruit* WHAT WAS THAT FOR?!

Buckles: You said that you always wanted one, genius.

Cheery: Oh... these things.

Buckles: Rumors say that if 2 share, thier destinies will become intertwined. They'll remain a part of their lifes no matter what happens. Come on, I know who you want to try it with. *laughs*

Cheery: What are you tal- HEY! Get back here!! *chases Buckles*

Buckles: Ha! *runs around*

[Meanwhile, in a castle that has the King and the Queen in it.]

Kynne: Sigh... why do HE has to be the king of this castle. At least I was able to learn magic anyway...*opens door* Hey, Kenny! Where has he gon- Huh? *Stompy comes foward to Kynne a note and Kynne snatches it.] Let's see... *reads letter silently* I gotta tell Dotty! *runs out of the door but hits the door.* Ow... *gets up and opens the door leaving*

[In the Orchard]

Dotty: *snoring, fast asleep*

Kynne: Dotty! Dotty! Wake up! This is a emergancy!

Dotty: *zzz* No mommy, I want my scrambled eggs with bacon... *slubbering all over the grass*

Kynne: Eww... *uses a thunder spell on Dotty to wake him up*

Dotty: Ah! Oh, Hey Kynne. What's wrong now?

Kynne: We have a problem! But we can't tell anyone about this?

Dotty: Including the Queen?

Kynne: NO.

Dotty: And Messie?

Kynne: No! It is Top secret!

Dotty: Oh, Hi ladies!

Kynne: What are you talkin-*looks behind me and sees G-O and Messie and laughs, embraced*

[Meanwhile, Back in Destiny Islands the next day]

Buckles: Hey, shouldn't we be working on the moat now?

Cheery: Yea, but we have to think what to bring...like food.

Wiggles: Yea, let's go collect food for the moat!

Cheery: Good, I'll go look for some mushrooms.

Wiggles: I'll get the drinking water! It's a good thing I have this bottle! ^^

Buckles: I'll get that Dinosaur Egg or whatever it is over there. *goes toward the tree*

Cheery: *goes into the cave to look for mushrooms*

[In the Cave]

Cheery: ...HOLY. SNAP. There is alot of mushrooms in here. I might as well start picking! *begins picking 25 up, after the 26th one, he notices the stone carving* Huh? Hey...I remember that...Those sure do bring back memories...

???: Can memories be forgotten?

Cheery: Huh?*turns around, and sees a dark hooded man* Wh-Who are you?

???: I have came to see the door of light?

Cheery: Door of light? You mean... that door over there?

???: This world has been connected with the other worlds...

Cheery: Are YOU from another world?

???: Does it really matter? What is important, is that the door that leads to light...

Cheery: *looks at the door* ...to...light? *looks at the hooded person but is mysteriously gone* What the...

Oh well...*walks out of the cave with a handful of mushrooms*

[At the tower again]

Wiggles: Hey Cheery, You found all of the mushrooms already? Buckles already got most of the dinosaur eggs without a fight, and i got the drinking water.

Cheery: Yea, I got all of the mushrooms.

Wiggles: Cool! Want to call it a day?

Cheery: Sure! I'm tired anyway. *sighs*

[At Noon, on the mini-island, where Cheery and Wiggles are.]

Wiggles:... You know... Buckles changed.

Cheery: What do you mean?

Wiggles: Well...

Cheery: Are you okay?

Wiggles: Cheery! Let's just take the raft and go- just the two of us!

Cheery: What?!

Wiggles: Just kidding.

Cheery: What's gotten into you, your the one that changed...

Wiggles: Yea... Cheery, don't ever change.

Cheery: Huh?

Wiggles: Nothing. Let's just go to sleep.

Cheery: Heartless?
Stencil: Figures sans coeur, voulant chercher des coeurs pour lui-même. (Figures without a heart, wanting to seek hearts for themselves.)
Cheery: Okay, I could understand that. But why does they want to heart me mostly?
Skye: Because you have the Keyblade. You see, the keyblade is a powerful weapon to unlock and lock worlds, and to purify darkness. It's also a giant key.
Cheery: That's noticable.
Skye: It could unlock lock chests like that one over there. Try opening it.

Stencil: Yea ! Aller avec eux ! ^^ (Yea! Go with them! ^^)

Cheery: Okay...

Kynne: I'm Kynne! *holds out hand*

Dotty: I'm Dotty! *holds out hand*

Date: 6/12

Dear Journal,

Today, I went with these 2 people named Kynne and Dotty. They are in search of a Keyblade welder,

and also they're king, named Kenny. When we went to Happy Tree Town, we went to search for Skye, a warrior. But instead of him, we found Satii, another warrior that is mean, but also helpful. When we had found the Keyblade welder, Cheery, a demented Foxcat or something that welds the key, to another world or something. Tomorrow, we set out for a new world.

Chapter 5: Red and Green mips

--

[In the First district]

Skye: Cheery, I'm sure you'll find your friends. Here, it's a conveniently placed 1000 munny we found on the ground and scripted to give it to you.

Stencil: Voir les types de ya ! (See ya guys!)

Cheery: Hey, wasn't there someone else with you two?

Kynne: You mean...

Skye: She had to leave to look for someone. I'm sure Satii will find her anyway.

Kynne: Yea...anyway, see ya guys!

Cheery: Yea! We'll see ya later!

Dotty: Leave me some spare cake! =D

Cheery: And we'll tell you if we see Satii!

[SO THEN THEY WALK OFF. =D]

Cheery: So...how are we going to get into another world?

Kynne: We're using the GUMMI Ship.

Cheery: The wha?

Kynne: It's a ship that runs to other worlds and runs on unleaded gas.

Dotty: I still prefer Diesel.

Kynne: That is way too expensive! Those are like, 300 munny per gallon!

Dotty: Oh! And Unleaded cost 100 per gallon!

Cheery: Can we just go?

Dotty: Okay. I'M DRIVING!!

Kynne: Gah! NO!! *runs after him*

Grotty: Idiots, aren't they?

Cheery: Eh. I'm sure Dotty's the idiot, according to some dude on the internet.

[At the GUMMI ship]

Cheery: ...WHOOA...

Kynne: Pretty cool huh? Okay, the snacks are over there, the soda dispenser is over there, and the contact button is over there so we can contact Trick and Track!

Cheery: Trick and Truck?

Kynne: *sigh* They're out 2 enginners to the GUMMI ship, not to mention that Track is Dotty's girlfriend.

Dotty: Yep! Hey, we also have a computer here, just to add parts somehow with magic or something like in video games whenever Megaman changes his color for no reason and it takes a second! =D

Kynne: ...Who the hell is Megaman?

Dotty: I dunno!

Cheery: Uh-huh. So where are we going exactly?

Kynne: Hmm... *looks at map* We are going to go to a world called 'Red and Green'...I wonder what that's about...

Dotty: Probably about a Red color and Green...Tofu! =D

Cheery: ...That doesn't sound reasonable.

Kynne: *whispers* He's an idiot.

Cheery: I know.

Dotty: So I can drive right?

Kynne: Later, Dotty. For now, I'm driving there. *gets ignition key and turns it on, flying the Gummi ship to the next world*

[Back at Happy Tree Town]

Skye: You think they'll be okay?

Stencil: Yes.

[Meanwhile, in Red and Green]

Cheery: Hmm...this place is really weird...it's a giant...mansion...

Kynne: Hey...I recognize this place...

Dotty: It's from that one reality show!

Kynne: Yea! Let's go in there! *runs in there*

[Inside the Mansion]

Cheery: Uhh...guys...this place looks deserted.

Dotty: Hmm...I wonder why...Ahh!

Kynne: What is it?!

Dotty: I stepped on a nail.

Kynne: Hmm...this place is really deserted...

(Heartless again to appear)

Cheery: Heartless!

Kynne: Do you think they caused the people to execute from this place?

Cheery: Only one way we'll find out. *gets out Keyblade* We need to fight our way through!

Dotty: Sweet! *begins throwing shield at heartless, chopping off some of their heads*

Cheery: *begins to hit Heartless and charges toward alot, swinging Keyblade in a spinning motion*

Kynne: Guys! I think I hear some screaming upstairs! *runs upstairs*

Cheery: Wait up! *runs upstairs*

Dotty: *follows while hitting some heartless*

[Meanwhile, Upstairs in a room]

Kass: Oh crap oh crap oh crap! Cooookkky wheerree arree yooou???! *Heartless begin to surround her*

Kynne: Gah! *uses thunder spell to kill all the heartless* Are you okay?

Kass: Ahh! Gray Pourcipine!! >_<

Dotty: Haha!

Cheery: Hey, why are you in here?

Kass: Oh! I was looking for my friend, Cooky.

Cheery: And you didn't notice the many heartless in here?

Kass: No, they just got in here a couple min from now...

Cheery: Hmm...

Kynne: Well, what does Cooky look like?

Kass: He's a Green fox with a blue sweater, Gray Pourcipine.

Kynne: My name is Kynne!

Dotty: Hey, maybe we could find Cooky!

Cheery: Yea! You can leave it to us!

Kass: Really? Cool! I'll be waiting here!

[So then, Cheery, Kynne, and Dotty go to search for Cooky]

Cheery: Hmm...He wasn't in the library, he wasn't in the lottery room, he wasn't in the arcade...so where could he be?

Dotty: Probably in the roof, its always like that in horror movies!

Kynne: No it's not!

Dotty: Yes it is!

Kynne: Fine! Then let's go to the roof so I could prove you wrong! *stomps all the way to the roof*

Dotty: ...He's gonna be wrong...

[On the door before the roof]

Cheery: *pant...pant* 1424...Heartless...I think I went up 10 levels...

Kynne: Okay, now to open this door, and prove you wrong! *Opens door* Holy crap!

Dotty: Was I right?

Kynne: Well yea...but...Well, look for yourself.

Cheery: *looks* Holy crap! Heartless are controlling him!

Cooky: Eerrr....must...kill....Keyblade welder...err...

Dotty: Holy crap, he wants to go after you Cheery!

Kynne: No ****. We just heard it.

Cheery: Hmm...Let me go in there...

Kynne: Be careful!

Cheery: I will. *walks inside* Eer...Cooky?

Cooky: Whoo...are...*sees Keyblade* YOU! *begins to attack*

Cheery: Crap! *dodges the attack* Calm down! I don't want to harm you!

Cooky: Ruuargh! *magically seals the door to the exit*

Kynne: What the? We can't get in!

Dotty: I think we have to stand here due to scripting errors in this world. T_T;

Kynne: Damn.

Cheery: *looks at Cooky and gets out Keyblade* Fine!

Cooky: *begins to attack Cheery but gets blocked by the Keyblade*

Cheery: Rah! *counter-attacks and hits Cooky with the realm of the key which sends him back*

Cooky: *recovers from fall and jumps in the air really high and begins to go down*

Cheery: Whoa! *dodges it*

Cooky: *begins to rapidly claw and Cheery*

Cheery: *blocks most of the attacks* Dang it, I'm never gonna get a move unless... *trips him and thrust Keyblade at Cooky*

Cooky: @.@ *The heartless comes out*

Cheery: Who are you?!

???: My name is to not be revealed, but we shall meet again...

Cheery: Enough! *begins to charge towards him, but the mysterious hooded man disappears*

Dang... *the magic barrier disappears*

Cooky: Ow...Hey, where am I?

Kynne: Cooky! Are you okay?

Cooky: Yea...hey, why am I here?

Dotty: Some Red fox is looking for you I think...

Cooky: Kass! Oh no! *runs all the way back downstairs*

[Back where Kass is]

Kass: Ahhh!

Cooky: Kass!

Cheery: What's happening?! She's being sucked up into a portal!

Kass: Heeellppp mee!! *sucked into the portal completely*

Cooky: Nooo...

Kynne: What just happened?!

Cheery: I don't know...but I seen this before...when my friend got sucked up...

Dotty: Probably it's a gate to another world!

Cheery: Yea...

Cooky: Another...world? Oh Geez! Gahh! *begins to cry*

Cheery: Don't worry, we'll find her!

Cooky: You will? Why?

Kynne: Because she might be important to you!

Cooky: What? *blushes* Well...

Cheery: We gotta go! Let's go! *runs outside*

[Back Outside of the mansion]

Cheery: Ya know...I was wondering...Why does the heartless want to kidnap Kass?

Kynne: I don't know...

Dotty: Uh-Oh.

Kynne: What is it NOW?!

Dotty: The statue!

Cheery: What abo-Ahh! *The Keyblade begins to point at the statue* What the? *The Keyblade begins shooting a beam to the statue, and it makes a locking noise*

Dotty: What was that?!

Kynne: I think we locked the world...

Cheery: So what happens?

Kynne: I don't know, but I think we better get back into the GUMMI ship for the next world.

Cheery: Okay. Let's go! *runs to one of the GUMMI ship*

Grotty's Journal:

Dear Journal,

We have went to a world called "Red and Green", we have no idea why it's called that, but we see a huge mansion. We went inside it, and we found a girl named Kass. She was looking for a green fox named Cooky, and we found him. The only thing wrong is that he was possessed with a black hooded man! Once Cooky found Kass, she was sucked into a dark portal of some sorts. We promised that we would find Kass for him, because she might be important to him. When we went outside, the Keyblade put out a beam to the statue to a keyhole, presuming to make a locking noise. We now are going toward another world, one that has a coloseum in it.

Will Kass ever be found? What did the keyblade do to the keyhole? Who is the Hooded man who keeps coming out of nowhere?

Kynne: So now what?

Cheery: I don't know...hey, why won't we try that world over there?

Dotty: Hey, doesn't that place look familiar?

Kynne: No.

Cheery: Nope.

Dotty: Hmm...okay...Let's go there anyway!

Cheery: Cool! Probably someone knows about the Keyholes there!

Kynne: That might be possible! *drives there*

Cheery: What's the world called?

Dotty: I dunno, but it still looks familiar.

Kynne: It's called "Grad's Shop". That's some unoriginal name. =/

Dotty: Hmm...

[In Grad's Shop]

Cheery: Hmm...this place looks like it's opening now.

Dotty: Yea! I wonder if they're selling things now? *runs up the the counter*

Kynne: Hmm, i'm gonna see too. *walks over there*

Cheery: Hmm...I guess. *walks toward the counter but heres a noise from behind* Huh? Hmm... *walks toward the counter*

Dotty: Hi! Is this place open?

???: No, not now.

Kynne: Oh...well, when will it be?

???: I'm not sure yet, but could you push that box that's blocking the emergency exit?

Cheery: *looks at it* That looks pretty heavy...*walks toward it and tries to push it* Guys? A little help?!

Dotty: Right-o! *tries to help push it*

Kynne: This thing won't budge!

Cheery: *walks toward the guy* Hey, this thing won't move. It's too heavy.

???: What? *turns around* What do you mea- Hey! Your just kids!

Dotty: No we're not! We're people!

Kynne: And you are suppose to be?

???: My name is Grad, I'm the owner of this shop.

Dotty: Then how come you won't move it yourself?

Grad: Are you Kidding!? I can't push that. Only one person I know can push that, and he's a hero!

Kynne: Hey! We are heroes!

Cheery: Yea, I'm the keyblade wel-

Grad: I don't care! If you couldn't even push that, you can't beat anyone!

Cheery: What?!

Kynne: You got to be kidding me!

Dotty: Pie!

Kynne: Shut up, Dotty.

Dotty: ..

Cheery: Hmm...So how do we prove to you that we're heroes?

Grad: According to rule x218, you have to smash lots of lots of boxes by using statergy in 20 seconds.

Cheery: What?! 0.o

Grad:...that or just defeat our half hero called...Max.

Cheery: Hmm...hey, that name sounds familiar...

Kynne: Are you sure?

Dotty: Hey, wasn't there a name in Satii's room when we were in there?

Cheery: Holy crap, Dotty! Are you a perv?

Dotty: Nooo...are you?

Cheery: Hell no! Look, let's just beat this guy okay?

Kynne: Right....

[At the outside of the building where Max is]

???: So anyway, you just need to beat up this guy and take his keyblade from him. Easy as pie.

Max: And I should do this...why?

???: Or someone important might get killed.

Max: ! *grabs him* What did you do with her, myzery?!

Myzery: Whoa, calm down dude. Either you defeat them, or she perishes.

Max: Grr...fine. *walks out there*

Myzery: Heh heh...sucka.

(Meanwhile)

Cheery: Hmm...where is this guy...

Kynne: I don't know...

Dotty: Probably he's chicken!

Cheery: That...or hat's him over there. 0__0;

Kynne: We are so screwed...

Max: Hey, are you Cheery?

Cheery: Uhh...yea.

Max: We fight...now.

Cheery: What?!

Max: *brings out very giant sword*

Cheery: Oh shi- *brings out Keyblade*

Kynne: Hey, we can take you!

Max: *charges up toward Cheery* Rah! *swings sword*

Cheery: *blocks it and begins to swing Keyblade at Max*

Kynne: Hey! Stop ignoring us!

Dotty: I think he wants to fight Cheery! I wonder why...

Max: *keeps swinging at Cheery*

Cheery: *keeps blocking* Crap, I can't keep this up forever! *gets hit by sword* Ow!

Kynne: Cheery!

Max: Now to finish you off! *prepares to hit Cheery again*

(But then suddenly, Spazzy comes out of nowhere and begins to attack Max)

Max: Oh crap! *holds off his claw and begins to attack*

Kynne: I think we better run!

Cheery: No! We need to help him!

Dotty: Yea, stop being a scardey-cat!

Kynne: I'm not a scardey-cat!

Cheery: Whatever! *goes to fight Spazzy* Hey, giant pink rabbit, you use steroids for dinner!

Dotty: Yea! You...uhh...devour brocolli at night!

Kynne: That's stupid...

Spazzy: *notices the sounds* Rahh! *begins to attack them*

Cheery: *jumps in the air and gets on his back* Woo! It's a Rodeo!

Kynne: Oh crap, Cheery be careful!

Dotty: Kynne, look out!

Kynne: Eep! *shoots Ice at Spazzy*

Spazzy: *gets hit in the eye* Gah! *Cheery falls off from him*

Cheery: *recovers from the fall and begins to attack Spazzy repeatedly*

Spazzy: *gets knocked out* Oww...

Cheery: Good, he's dead...I think. Dotty, you check.

Dotty: *throws a rock at his head* Okay, he's dead.

Grad: *goes outside* What the hell just happened?

Cheery: We killed this thing...ie.

Grad: Whoa, you guys are like junior heroes or something...

Kynne: What do you mean Junior heroes?!

Grad: You can beat bigger things than that! I seen other people beat lots of giant things.

Cheery: But...

Grad: Pshh sha...

Max: Hhmp... *walks away*

Cheery: Hey! Come back here! I need to ask you something.

Max: What is it?

Cheery: Do you know anyone named Satii?

Max: *grabs Cheery* Where is she?!

Cheery: Hey calm down! She's in Happy Tree Town.

Max: You mean I was tricked?

Cheery: Uhh...yes.

Max: Oh, sorry. I gotta find Satii! X.x; *flees off*

Dotty: So, when are we gonna find Cheery?

Kynne: Who needs him! We could find the King by ourselves!

Dotty: I dunno...we can be beat up by the Heartless very easily.

Kynne: Hmph! I don't care!

Dotty: Sigh...hey, I reconize that thing... *picks up the shiny piece* This looks like one of Kenny's GUMMI ship parts!

Dotty: We were suppose to find you to find the King and find out what is happening to the worlds.

Cheery: So...you didn't tell me at first...why?

Kynne: Because we'd thought you'd refuse.

Dotty: I don't know! I thought Kynne was gonna give me some pie! ^^

Kynne: ...

Cheery: Well, why would I refuse?

Kynne: You mean, you won't get angry because we tried to trick you, take your wallet, hack into your GameFAQS account, and also eat your TiVo set?

Cheery: No. Wait...

Dotty: So we're back together again?

Cheery: I guess so.

Kynne: Yea.

Dotty: Cool! Then we should make a promise or something like that...wait, what's my line?

Kynne: What kind of promise?

[At the Campsite]

Cheery: Okay, I guess we better go...
Kynne: Are you sure? We should check the rest of the place.

Cheery: Nah, I'll just say good bye to Kyubi and go...

Chapter 9: A Book to remember

--

[Meanwhile in the Gummi ship where Cheery, Kynne, and Dotty are going to Happy Tree town]

Cheery: Hmm...so why are we going back to Happy Tree Town?

Kynne: Because remember the Heartless there? There might as well be a keyhole there!

Dotty: Yea! Plus Satii owes me that cake!

Kynne: Uhh...She went to another world remember? And also she went to look for Max.

Dotty: Oh yea...

Cheery: Well I'm sure they'll cross paths soon enough! Anything can happen!

Dotty: Including Happy Tree Town being covered in darkness about now?

Cheery & Kynne: WHAT?! *looks out window*

Cheery: Oh my god! What happened?!

Kynne: I dunno, but we better get down there as quick as possible! *presses x2 speed button and

Cheery and Dotty fall back into the wall*

Cheery: Ow! X_x

Dotty: Pickles!

Cheery: ...

[Meanwhile, in Happy Tree Town]

Cheery: Huh? *sees the first district and it is full of Heartless* Whoa!

Kynne: Holy crap, this place is packed with Heartless! There's no way we can defeat them all at the same time!

Dotty: Unless we have like some hardcore magician better than Kynne! =(

Kynne: What?! It's true!

???: We have no times, idiots! Let's go! *runs toward the third district*

Cheery: Hey! Come back! *runs after him*

Kynne: Wait up! *Dotty and Kynne follow after Cheery*

[Meanwhile, in the third district]

Cheery: Hey, where did that guy go?

Kynne: I don't know!

Dotty: *looks in a alleyway* Hey, what's that? *points at a fire wall*

Cheery: I dunno, let's check it out. *they walk toward it* What does it say over there?

Kynne: *reads* To get rid of this wall, you must have the power of anger...what is that suppose to mean?!

Dotty: Maybe it means to use fire...ya know since that things there. *points at the symbol*

Cheery: Hmm... *shoots fire from the Keyblade* Huh?

Kynne: Wow Cheery, you know magic!

Cheery: I do? But I don't know how...

Kynne: Who cares? You just did!

Cheery: Okay then...let's just see what's inside this door. *they walk inside the door*

[Meanwhile in a house]

???: So you idiots came...

Cheery: Who are you, and we are not idiots.

???: And you don't even know magic.

Kynne: Yes he does!

???: Does he know how to control it?

Cheery: Uhh...

???: Hah, idiots indeed. I'm a friend of Skye and Stencil.

Dotty: ...Can't you just give us a name, since you are a dog of course.

???: Guess.

Cheery: Hmm...

Dotty: Uhh...

Kynne: *looks around the room and sees a certificate* Pukey Mutt?

Pukey: ...God, at least there is ONE smart dude here.

Cheery: Hey! What is that suppose to mean?!

Pukey: Look, all I know is that Skye and Stencil wanted me to show you something. But I know more than that, Cheery.

Cheery: What the? How did you know my name that quickly?!

Pukey: Easily summed up in one word...magic.

Cheery: Okay...

Dotty: Wait, what did Skye and Stencil wanted you to show us?

Pukey: Oh! I found this book that may help find your friends and maybe your King!

Cheery, Kynne, and Dotty: Really?!

Pukey: Yes! But only one is allowed in there, and the book is still in perfect condition! =P

Cheery: Cool! I'll go in there!

Kynne: Are you sure about this?

Dotty: What could possibly go wrong, Kynne? =(

Pukey: Just go in whenever I open the book in this table.

Cheery: Wait...what?

Pukey: You go in the book.

Cheery: ...

Pukey: You JUMP into the book.

Cheery: ...

Pukey: IT'S A SEPERATE WORLD!

Cheery: Oooohh...okay!

Pukey: Now to set it down. *sets the book down on the table and a portal begins going up* No- Ah!

Cheery: Wee! *jumps into the book*

Kynne: ...That idiot.

Pukey: So how's Kenny?

Kynne: How do you know his name?

Pukey: Ma-gic, plus we go WAY back...

Kynne: Really? Tell us...

Pukey: Well it all started like this...

[Inside the book]

Cheery: --Ahhhhhhhhh!!1 *hits ground* That's really getting old! Hmm...everything seems flat...Hey, I'll just go to that field first. *walks over there*

???: ...

Cheery: Hey, why are you alone?

???: Huh? Oh, I'm just waiting for my package to come. I'm Golden, and you are?

Cheery: I'm Cheery. *sits down on the log Golden is sitting on*

Golden: Hi Cheery. It's always fun meeting new friends.

Cheery: Uhh...yea. So why are you made out of all gold?

Golden: Oh! I was just made like this by my creator...

Cheery: Ah... so why wait here when you could just have fun with your friends?

Golden: Yea, that's a good idea! I need to go see Pamela and Blanky anyway, and the others!

Cheery: Okay then, let's go.

[Meanwhile, near a park]

???: Get back here with Blanky, Ned and Ted!

Blanky: Ahh!!1

Ned: Run!

Ted: Indeed! *runs faster*

Golden: Hey, stop stealing Blanky!

Ted: No!

Golden: Oh well at least I tried.

Cheery: Don't give up that easily! Just get them!

Golden: But I can't, I don't run fast because of my weight.

Cheery: I'll help! You just grab them! *picks up Golden* Whoa, you are heavy. 0__0

Golden: I know, I told you about that.

Cheery: I can still run though! *runs after Ned and Ted*

Ned: Oh no! Golden's coming after us with somebody!

Ted: Run faster!

Ned: I am, idiot!

Golden: *grabs Blanky* Gotcha!

Blanky: Mmmph! Mmmph!

Golden: Oh, sorry. *unwrinkles Blanky*

Blanky: Thanks, Golden and...who's he?

Cheery: *stops*

Golden: He's my new friend, his name is Cheery.

Blanky: Nice to meet you, Cheery.

Cheery: Yea, sure? And those two must be Ned and Ted right?

Blanky: Yea, they're just a couple of troublemakers!

???: Hi!

[In the Gummi Ship again]

Cheery: So now what?

Kynne: I don't know, no new worlds came up recently...hmm...I wonder how Grad's doing...

Dotty: Yea! Kenny used to work there, maybe Grad knows a bit where the King is!

Cheery: Yea! Let's go see Grad.

Dotty: I'm gonna drive!

Kynne: No Dotty that's the wrong butto- *they go in warp speed* AHHHHH!!!!1 *hits head on floor* Ow!

Cheery: *hanging on to chair* Ahh!

Dotty: Wee! This is fun! *they crash in the paticular world*

Grad: What the hell!?

(Cheery, Kynne, and Dotty climb out of the Gummi ship)

Kynne: Dotty, you idiot! *hits Dotty with a wand over and over again*

Dotty: Ow! Ow! Ow! Ow! Peanuts! Ow! Ow!

Cheery: Hey, at least we're safe, and the Gummi ship looks pretty totaled...

Grad: What brings you 3 junior heroes back?

Cheery: We're not Junior heroes, we're gonna save you one day and you'll regret it.

Grad: Yea, I wonder where that will be. *rolls eyes*

Kynne: Anyway, we need to know if you know about our king, Kenny.

Grad: ...Uhh...who?

Satii: No...I didn't... =(

Max: Not now, "Junior" hero. XD

Cheery: Oh yea? I'll see you soon in one tournament. I'm gonna get this one now!

Kynne: Not without us, your not! >=(

Cheery: Okay, fine. =(*gets gas*

Cheery: ...Umm... Anyway! Time to face my power! Arc Ancrum! *throws Multiple Keyblades at Skye and charages towards him*

Skye: *getting hit by the Keyblades* Ah! *aims gunblade at Cheery and shoots*

Cheery: Holy crap! *jumps on the keyblades and begins jumping on them multiple times, then summons the Keyblade and puts it in a 360 degree motion and propels bullets back at him*

Skye: Oh crap! *bullets hit him*

Cheery: That's how It's done! You got pwn't!

Skye: Shut up. T_T

Cheery: =P

[Meanwhile, back in the Business room]

Cheery: See? We're more than just Junior heroes!

Grad: Actually, your still one.

Cheery: What?!

Kynne: How's that?!

Grad: Because Skye just joined and he is still a Junior hero! To become a true hero, you have to beat someone harder than Max and the other ones.

Cheery: Hmm...is that so? Okay... *sees a Keyhole* It's the Keyhole!

Kynne: Get out the keyblade!

Cheery: *gets out the Keyblade and shoots the lock beam at the keyhole and a lock sound is heard* We better go for now! See ya, Grad, Max, and Satii!

Satii: See ya!

Dotty: Hold it! I haven't got my cake yet!

Satii: *sigh*

[Back in the Gummi Ship]

Cheery: So since a keyhole was sealed, that means that another path was created, right?

Kynne: Yea, it says so in our map! Wait...what's this world? *pokes at it* It doesn't seem to be in our maps.

Dotty: Hey...that looks like something...

Kynne: Like your drawings, shut up. We might as well see if Heartless are there...

Cheery: Sure, there would probably be information about the girls that are being kidnapped!

Kynne: Yea! *goes to drivers seat and drives toward that world*

Cheery: Hmm...I wonder how Golden is going...

Dotty: Who?

Cheery: Golden. He's one of my friends in the book, remember?

Dotty: No, you didn't tell me about it. =(

Cheery: I'm just making sure it's sa-

Cheery: Ow! Talk softer!

Kynne: Oh, okay. Anyway, is Aurora in there?

???: Ha, you can't get me now!

Cheery: We'll see about that! *gets out keyblade and breaks the wall open*

???: What the?! So you're the keyblade master...

Cheery: You know it, now tell me who you are?!

???: I'm Xepher, and I am one of the Princesses of Hearts.

Cheery: Princesses of Heart?

Xepher: They are princesses that heart are full of light...

Cheery: Pshh, like you're one!

Cheery: And also those!

Xepher: Ahhh! *charges toward Cheery*

Cheery: *gets out Keyblade and reflects off Xepher's attack and hits Xepher with the keyblade*

Xepher: Gah, damn it! *drops into the ground*

Cheery: You're no princess at all, otherwise you would've had not started this fight...

Xepher: I am one...

???: No, you're not.

Cheery: Huh?

???: *blasts Xepher into oblivion*

Xepher: AHhh! *disappears*

Cheery: What the?! What did you do?!

???: Does it really matter?

Cheery: I want to know who you are!

???: Heh, I'm a cat who can't die, of course.

Cheery: I highly doubt that!

???: And they call me Tuffy...wait, that's my name.

Cheery: Tuffy? That's some cheap name.

Tuffy: Oh, and Cheery is more better? Pe-sha.

Cheery: Wait, how did you know my name?

Tuffy: Must I tell? I guess not.

Cheery: You better tell me now! *gets out Keyblade*

Tuffy: Tut tut, you'll never hit anyone like that. *on the Keyblade*

Cheery: What the? *shifts keyblade and swings vertically into Tuffy*

Tuffy: *dodges* You're really boring me, you know that?

Cheery: Gaahh! *thrusts Keyblade at Tuffy*

Tuffy: *dodges again once more* Sigh...now it's my turn. *gets out dagger and disappears*

Cheery: Now it's my chance! *hits Tuffy multiple times in the chest*

Tuffy: Gah... *spits out blood*

Cheery: Whatever happened to the cat that can't die, eh?

Tuffy: Ph...You may have won, but that doesn't mean I came for what I came for! *opens a portal* See ya!

Cheery: Hey! *runs towards Tuffy*

Tuffy: *goes inside it and closes the portal*

Cheery: Damn...I guess I better get Aurora... Wait a minute, Aurora's gone!

Dotty: I told you he'd come back, Kynne! 10 bucks!

Kynne: Damn it...

Cheery: What's the big deal with this?

Kynne: Well uhh...Let's not worry about that, where's Aurora?

Cheery: Well...

(After much explaining later...)

Cheery: ...And after that she was gone.

Kynne: Hmm...princesses of hearts you say...Could it maybe be related to that castle you saw?

Dotty: What castle?

Kynne: Ya know, the one he reconized at the Jungle.

Dotty: Ooh...

Cheery: Anyway, we need to find out what the princesses of heart are, maybe Skye and the others should know...

Kynne: Ya, and you could tell us about that book you told us about!

Dotty: Ya, and Pukey may have found a way to put all 3 of us in there.

Cheery: Well...you're not going in there Dotty.

Dotty: Damn it. You're a meanie!

Cheery: Ha, ya right. *the Photoshop box begins to float* ...*gets out Keyblade again and aims at it, and again the beam shows up again and a locking sound is heard*

Kynne: Yea! Time to go again!

Cheery: ...what about this world?

Kynne: Well...

Dotty: I'm sure this world will stay without her!

Kynne: Yea!

Cheery: Okay then, let's get moving!

Dotty: I call driving!

Cheery & Kynne: Noo!!

Treedom Hearts

Chapter 14: Sealing the Keyhole in the district--

[In the 1st district]

Kynne: Indeed we do, maybe Skye knows where it is.

Dotty: And maybe Satii and Max is there!

Kynne: Yea, maybe. -.-;

Dotty: Cake!

Dotty: No! I want free cake! D:

Cheery and Kynne: *sigh*

Dotty: Let's go! For the cake!

Cheery: ...Yea. -.-;

Kynne: Do you think we should just seal that keyhole without him.

Cheery: Nah, he'd kill someone if we left him alone.

Kynne: ...you're right. -.-;

[Back in the 3rd district, where Skye, Stencil, Satii, Max, and Pukey are in]

Max: Hey, it's nice to meet you all. ^_^

Stencil: *nods head in agreement*

Skye: Aggred, now we just need to put this place back together and this place is finished.

Satii: Do you even know where to find furniture?

Skye: ...Uh...

Satii: -.-;

Cheery: *opens the door* Hey guys, what's up?

Satii: Cheery, it's you!

Cheery: Yea yea, and guess what?

Skye: You saw your friend, didn't you?

Cheery: Well..Yea! How did you know?

Skye: *sigh* I saw him when you left...he doesn't look so good for now.

Kynne: What do you mean?

Skye: ...I'll let him figure it out.

Cheery: Why not just tell me?

Skye: Because you'd be...a bit sad...

Cheery: ...I see...

Dotty: So anyway, what about the Keyhole?

Satii: Yea, we'll always remember you 3! Cheery, Kynne, and Dotty!

Max: I'll never forget you since that battle we had.

Pukey: I'll never forget you three since Dotty keeps ruining my research.

Dotty:

Stencil: Et je ne vous oublierai jamais trois, particulièrement quand Skye a donné un coup de pied gai dans l'estomac ! (And I'll never forget you three, especially when Skye kicked Cheery in the stomach!)

Cheery: Oh, stop. Your embarrassing me. xD

Skye: ...Shouldn't you be sealing a keyhole by now?

Cheery: Oh yea! Let's go guys!

Skye: ...You'll find your friends again, whatever there names are..

Cheery: ... There names are Buckles and Wiggles...I'm worried about Wiggles the most...
