1 - Dedicated to...

Miyu: This is my first fic in english, and my first no-totally-humorous fic. Min will be sweet this time and Yugi will be cruel (Min is Yugi's little sister)

Ooo
Dedicated to...

-Mommy- The little girl cried on her mom's lap.

-What is it Honey?-

-I don't like my bwother, he's too mean with me-

-Why honey?-

-I want to watch "The exodsism of emidy dose" and my bwoded want's to watsh those guys-

-Guys?- Saria (I named Yugi's Mom) and Min walked to the Living room to see Yugi nearly sticking his eyes on the TV- Yugi! What I have told you about watching Gay guys on TV!!?

-Mommy, I'm not watching Gay people!!!! Besides what means Gay? I'm watching the Power Rangers!- Said Yugi the... mean brother?

-O well, please let your little sister watch TV-

-No, I won't-

-Yes you will!-

-No I won't-

-Yes you will or I'll spank you!!!!-

-Ok, Ok-

-Yess!!! Exodsism!!-

-Have fun my little kids- With that Saria was gone to her room to watch "La vida es una canción" (a tv drama in mexico)

-Well, you can be happy now my little stupid sister-

-Why you keep insulting me brother?-

-I told you a million of times, I hate you-

-Why?-

-Cuz you are dumb and stupid and a useless girl, understood?-

-#snif# why Yugi, why?-

-I no need a reason, I hate you that's all you need to know- He got to his little feet and walked up the stairs to his room, leaving a rather confused girl watching TV alone in the living room.

Ooo

Miyu: Would you want me to tell you why is Yugi the mean brother?

...(your answer here)...

Miyu: I won't tell...

Ooo

-Where are my favorite kiddies!!!!- This was Grandpa who returned from Egypt.

-Grandpa!!- our chibis hugged their Grandpa and Saria did the same.

-Look here my kiddies, I have presents for you-

-And for me?- Saria wants her present!

-My dear, this if for you- He handed her daughter a fine box that contained exotic chocolates (That's why Min is addicted to candy) and she ran to her room to not share with her son and daughter.

-Mommy is weird isn't she-

-Yes Yugi, here, take it this is the Millennium Puzzle I passed a lot of trouble to get it , but I can't put it together, but your mother told me you are good with this kind of things, I'm sure you will put it together-

-Mhh thanks grandpa-

Min received a little box with some candy... she was happy, really happy.

Ooo

-The next day Yugi started his special task, to make a puzzle, a really difficult puzzle, after some time, he was about to fill 2 pieces together, but those popped aside as the same poles of a magnet, but that was really stupid, he knew those pieces were together... that was really weird, so he tried with some

other pieces, but it was all the same...

-Yugi, I think you don't have a good heart-

-Eh? What are you talking about?-

-Remember, grandpa told you that only a good heart will really be able to put together this puzzle-

-Those are dumb things-

-No they aren't!!-

-Yeah, is that's so, then try this two pieces, they ere to be together, I can't unite them, see if you can, Miss Golden Heart- Yugi handed those two pieces to Min

-See Yugi!!! I put them together!!!-

-Eh!- those pieces that he couldn't get together now were stuck, that really pissed him of- That was planned!!! My grandpa only wanted you to have it, this is a really dumb thing- He took al the pieces and kicked them under his bed.

-Yugi! That's what grandpa passed a lot of trouble to get you are so mean!!-

-And you are so stupid!, get out before I kill you little dear plush dolls!-

-No!!!!!!- she ran to her room to protect her dear plushies-

Ooo

STUPID PUZZLE!

Ooo

This was a really cold day in winter...

Ooo

-... I'm feeling bad...-

-I'll go and look for mom-

-Uh ok-

Min went downstairs Yugi stayed calm in his room until he heard a loud sound, so he got up from his bed and then downstairs for his Sister that fell from it (why doesn't she tie her shoes?) he screamed for her mom, and they got to the damned frightening hospital (falls may gravely injure little kids).

Ooo

Some hours passed, and then some days, Saria and Yugi passed the day with Min she was getting better by the days and soon she would return to her house.

Yugi passed most of the time with her cuz Saria was studying some upper level... Yugi started to really care for her sister, and they were getting along very well by the time that's when Yugi remembered why he had hated Min so much:

FLASHBACK

Yugi, hi, mother, Father and Little baby sister were at Domino's Park Yugi and his parents were helping Min to walk (how cute would it be).

-Yugi... look, your little sister is walking-

-Yep, !!! soon she will pway socced with me! Look daddy! She is going fast, fast, fast-

-eh Son?- His distracted father didn't look that his little baby now was in the middle of the traffic, (what a park, with no walls, here that's the truth), Saria and her Husband hurried to save her from the cars, some of them watched the baby and dodged it, but Min wouldn't be so lucky, a car was a bout to hit her and it wouldn't stop Yugi's father pushed his baby aside, but the car hit him...

Days later, he died...(sounds like Yu Yu Hakusho doesn't it)

End of FLASHBACK

That's why he had hated her so much, his daddy died for her. But now it was different, by being forced to pass time with her, now he wasn't mad with her, in fact he was looking after playing with her at their home.

-Well, my baby girl, time to sleep! Your brother and I we will come here tomorrow to take you home!-

-Yes Mommy- she hugged and kissed her goodbye and did the same with Yugi.

Ooo

Then they left, and the night passed

Ooo

Next morning Saria, Yugi, and Solomon were up to pick little Min...

-Oh... Min Motou, I'm sorry, she felt sick last night, she died by the fever...-

-You... you must be kidding me... you, you YOU ARE DAMNED BY... THIS IS A HOSPITAL!!!!!! YOU

SHOUL HAVE DONE YOPUR frackING WORK!!!-

All the day passed like that, Yugi heard his mom and Grandpa cursing, then sobbing and crying like they did when his father died, so it really didn't surprise him, Yugi, didn't course, but he cried, then sobbed, then cried again, he had lost his daddy and his little sister too, but this time he felt really guilty for it, he had always pushed her aside his life, and now that she was gone, he wanted her there, so he cried, cried and cried until I stopped typing ...

The end...

Ooo

Miyu: Hi this was my first sad fic did you like it?

Min: I'm not death!!

Miyu: This was something different, It's not real, but I may confess, I'm like crying right now, this is dedicated for my little cousin he died at the age of some weeks, my family at my aunt's home is crushed by this, Min and I really never met him, I don't know how is spelled in English, he died by a "DERRAME CEREBRAL"

Min: God bless my Yami to write an angst fic, but I'll not be a crying girl in your fics anymore

Miyu: To add to the story, Yugi became a good cutie boy with a pure hearth, and at last he finished the puzzle, then he met the Pharaoh, and his adventures started...
