1 - Voice

I felt like writing this...

Summary: Sango sings a song about her father.

Disclaimer: I don't own InuYasha or the song. My first IY fic. The song is called 'Dance With My Father'

The gang was in Kagome's time and went into a night club. There were people getting up to sing. Sango had a sad look on her face.

"What's wrong, Sango?" Kagome asked.

"Tonight...it was this night one year ago when my father was killed..."

"I'm sorry..." Kagome replied.

"Do you want to go back to our time?" Miroku asked.

"No, I'll be fine." Sango said. The last song ended and everyone clapped.

"Any more volunteers?" The DJ asked. Sango stood up. She went up to the stage and sat on a stool. The DJ handed her a microphone. The intro started playing and her voice was quiet.

*"Back when I was a child, before life removed all the innocence
My father would lift me high and dance with my mother and me and then
Spin me around 'til I fell asleep"*

A hint of sadness could be heard in her voice.

*"Then up the stairs he would carry me
And I knew for sure I was loved
If I could get another chance, another walk, another dance with him
I'd play a song that would never, ever end"*She continued. Tears started flowing from her eyes.

*"How I'd love, love, love
To dance with my father again"* Kagome started to cry, as well as some others around her. Shippou was bawling.

The instruments kept playing. Sango's voice kept singing the beautiful, sad song.

*"When I and my mother would disagree
To get my way, I would run from her to him
He'd make me laugh just to comfort me"*

Everyone was hanging on to her every note. Miroku seemed dazed by her singing.

*"Then finally make me do just what my mama said
Later that night when I was asleep
He left a dollar under my sheet
Never dreamed that he would be gone from me"* Sango closed her eyes, reminiscing about her father.

*"Sometimes I'd listen outside her door
And I'd hear how my mother cried for him"* She continued singing as more tears came from her eyes.

Sango's voice was in the back ground as Kagome spoke with the others.

"Wow...it's so sad." She said.

"I pray for her even more than me"

"I know how she feels." Shippou said, sniffing.

"I pray for her even more than me"

"We've all gone through hard times..." Miroku said.

*"I know I'm praying for much too much
But could you send back the only man she loved
I know you don't do it usually
But dear Lord she's dying"* Her eyes were sincere, everyone in the room wanted her to be reunited with her father.

*"To dance with my father again
Every night I fall asleep and this is all I ever dream"* The music died down.

*"How I'd love, love, love
To dance with my father again"* She repeated the verse. The ground was wet with tears. Even the DJ was crying.

"I don't think I could ever listen to that song again without crying..." Kagome said. InuYasha's eyes were closed. He was...snoring...

"Um...InuYasha? You awake?" Miroku asked.

"OSUWARI!" InuYasha face planted.

"WHAT?"

"How could you just sleep through that beautiful song?" Kagome asked.

"It's alright." Sango said. "I just had to sing it. It helped alot."

"You're a great singer!" Shippou said.

"Thanks." She replied. Miroku hugged her. Then he started moving his hand down...SMACK!

"When will you ever learn?"

Miroku had a red hand mark on his face.

FIN

You guys should listen to this song, it's really great. I came up with the idea for this in choir. The teacher was showing us a clip of singers from the choirs last year and a girl (don't remember her name) lost her father about a year ago, so she sang that song dedicated to him. I cried when she was singing it...Even the teacher said that she still cries when she hears it...Well, I was crying before she played the tape, when I heard the story. I tried ending it with a bit of humor, but if you watch InuYasha, that was pretty predictable. Oh, and if you have a similar fic to this, I apologize. It's just a coincidence. I don't really read the InuYasha stoires much. Please read and review, and sorry if this fic made you cry..
