# 1 - Getting To Know Someone Too Much Or Not At All

Paulina – hey look another miss dark and spooky to add to your littlegeek parade

Ch. 1

Getting To Know Someone Too Much or Not At All

It startsoff as Danny is fighting a ghost cobra. Above school grounds, (but of coursenobody notices – dang, cartoon, background people, gullible ness!)

Meanwhilebelow there’s a new girl at Casper High.

Paullina – Heylook another miss dark and spooky to add to your little geek parade.

Sam – What are youtalking about?

Paullina – Thenew girl.

Sam – what do youmean by dark and spooky, she doesn’t look goth material?

Paullina – what?You can’t see her dark outlook on the world? Isn’t obvious? Her black lip stickand nails. And what? You can’t possibly see her misunderstood expression?

Sam – well Iguess...but what did u mean by a new addition to our trio? Like she would fit inwith Danny Tucker and me....

Paullina – owould she? Holding a laptop, frowning, and all at the same time... a geek? Ring abell? Technogeek, goth, and LOSER! All of the worst possible things to be, andwith out any friends....definitely lowest on the food chain.

Sam – first ofall I don’t understand where techno geek came from....and still don’t understandgoth... she’s blond!!!!

Tucker – technicallyshe’s dirty blond AND holding a laptop... maybe I can catch her on the rebound!

Tucker – Hey, I’mTucker, Tucker Foley. And you are?

Georgie – Youreally think I’m just going to give you my full name? You didn’t even impressme yet....

Tucker – Well,will this impress you? He held out his PDA.

(Oh, yeahlike a piece of nerd equipment is going to make him more attractive...)

Georgie – Oh mygosh! Like no one can get these any more! People back then didn’t recognize itsgood quality and value.

Tucker – That waswhat I said!

Georgie – It’sjust like mine! But I got it in black and purple...

Tucker –Oh.....well....um....(Tucker had a nervous look on his face as if he was saying “Howdark is she? I didn’t know she was a goth...”) Then you should meet Sam!

Tucker – (pullsSam over) Hey Sam did you meet.....(waiting for reply from Georgie.)

Georgie – I’m Georgiabut my friends call Georgie. She holds out her hand (for a shake, obviously).

Paullina walks by. Paullina– What friends? All the A-Listers start laughing together. (Well what do uexpect from a cartoon – the clique laughing together thing is used so much! Sorryback to the story...)

Sam – Don’tlisten to her.....in fact, don’t even look at her! She’s a boy stealer and eyecandy for everyone in Casper High!

Tucker –Somebody’s getting jealous.....

Sam – No whywould I be jealous of Miss Perfect!?

Tucker – You’rejust jealous because you like Danny and Danny likes Paullina, and Paullinalikes Danny Phantom!

Georgie – Oh,yeah I know really.... Oops!

Sam and Tucker –How do you about our lives never mind Danny's?!

Just then Danny came crashing down onto the picnic tablewhere Georgie was sitting. He was in his ghost mode fighting off the cobra. Theghost snake pinned him down with ecto-plasmic goo it shot from its fangs. (Justlike venom.)

Sam – Oh my gosh!Danny! Georgie we gotta.....but she was already gone.

Danny's eyes turned green. He started glowing so green itmelted off the goo. Then he jumped up and punched the Cobra, so hard that it shrunkinto a little green garden snake. Danny then sucked it into the Fenton Thermos.

Danny – Wow, I didn't know I could get so powerful at once. It's like there's something elsepowering me. Danny then crawled under the picnic table, what was left of it,and changed back. Danny – Why doesevery ghost I fight have to shoot some form of ectoplasm?

Sam – hold up,where did Georgie go?

Danny – who'sGeorgie?

Georgie – I'mright here! She appeared right out of behind Danny.

Tucker – Wheredid you go?!

Georgie – Oh,well you know.....ghosts.....scare most people..... So I ran?

Tucker – Uh huh?

Sam - Back to thetopic of you knowing about our lives?

Danny – What doyou mean by that? I don't even know her! Did I miss something?

Tucker – She saidshe knows about your ghost powers! Uh, what I mean to say was.....

Danny – What!?You just got here and none of us has met you before today? What else do youknow about me?!

Georgie – Oh, alot..... She walked behind Danny real smooth like. Danny quickly turned aroundfor an explanation but she was gone.

Danny – Was she aghost?

## 2 - Hidden Like Her secret

ChCh. 2

Hidden Like Her Secret

Well I forgot to mention, in chapter one Danny was fighting the ghost BEFORE school. So, after school Danny and the gang try to hunt down Georgie. But Tucker had to stay after school because he loitered AGAIN outside the girl's locker room. Then they all met up at Nasty Burger after Danny and Sam looked all around town.

**Tucker**– Are you sure you checked every where?

**Sam**– Yes.

**Tucker**– Well she wasn't in the girl's locker room ^^.

**Danny**– I don't get it! Is she a ghost or what? I mean nowhere to be found and disappears behind your back!

**Tucker**– Calm down Danny, did you try the phone book?

**Danny**– Yeah, only one problem... I don't know her last name!

Meanwhile Vlad is watching Danny and sees his misfortune. And so he goes and makes it worse!  
Back at Nasty Burger...

**Georgie**– Oh, you don't know my last name yet? I thought I told you?

**Danny**– Huh?

Georgie had popped her up in the table right behind Danny's.

**Danny**– There you are! I gotta....

**Dash**– Fenton!!! Dash came stomping up to Danny's booth. **Dash** – That report I made you do for me... it stunk! I got an F! And it's all your fault!

**Danny**– Look Dash not now.

**Dash**– Oh, it's gonna happen now! Dash swings his fist but doing so Georgie jumps in front of Danny and claps her hands twice. Time stopped. She pushed Dash backward a few steps. Then she got back to her table and clapped her hands again. Time started and Dash swung into thin air.

**Dash**– Huh?! He swung again for another try. Georgie this time got into Danny's mind and told his conscience to go intangible and then invisible, and so Danny did.

**Dash**– what! He disappeared!

**Sam**– Uh, no he went under the table... Dash looks under. Of course nothing was there because Sam lied.

**Tucker**- ...and out the door? Georgie played along and turned invisible and went over to the door to swing it to make it look like Danny had just fled the scene.

**Dash**– Come back here Fenton! He runs out after him. Danny came back to normal.

**Danny**– That was close... hey where did Georgie go?

**Tucker**– She disappeared again!

**Danny**– Guys, I don't think she left. Danny pointed out the window. There was Georgie flying down an ally. They could hear police sirens behind her. Her eyes were glowing red.

### 3 - Ghost, evil, or both?

Danny ran out the back door of Nasty Burger to the ally  
Ch 3

Ghost, evil, or both?

Danny ran out the back door of Nasty Burger to the ally.

**Danny** – I'm going ghost! (Then it shows the overlydramatic sequence of Danny transforming.) He starts racing alongside Georgie trying to catch up.

**Danny** – Uh, if you're trying to make friends I wouldn't suggest doing it this way. Especially if you're number one fan is a cop. Georgie sped up trying to loosen the cops from her tail along with Danny.

**Danny** – (whispers to himself) I'm never going to catch her this way... He turns invisible and starts flying below Georgie. But before Danny could make the first hit, Georgie swoops down and kicks Danny right in the back. He falls to the ground of The Amity Park? (Well I know the town is named Amity Park, but they're like in the park at Amity Park – I'm trying to make sense!) Georgie flies down right in front of Danny.

**Danny** – You could see me?

**Georgie** – Of course I could. I'm the most equipped ghost android there is...

**Danny** – Android!?

**Georgie** – An android specially made by Vlad Plasmius!

**Danny** – What! (Stands up) You're working for Vlad!?

**Georgie** - I was sent to do one thing... CAUSE HAVOC AND BLAME YOU! Tahh..... (Hands Danny an ancient scull – stolen from the museum - she goes intangible and sinks into the ground)

**Danny** – What this doesn't belong to me!?! (Sirens)

**Cops** – Stop! Ghost boy!

**Danny** – Throws the skull behind him and flies into the ground.

The next day... Danny, Sam, and Tucker were at lunch.

**Sam** – I saw the news last night... I guess there's a new Public Enemy in Amity Park and her name is Georgie..... I forget her lastname...

**Danny** – But this time she really is a public enemy and I can't afford to be caught in the wrong place at the wrong time... again!

**Georgie** – Hey guys! They all gave her an evil scowl.

**Georgie** – What? What is it?

**Danny** – Oh, nothing!

**Georgie** – Seriously! Oh, is this about last night?

**Danny** – How did you know?!

**Georgie** – Sorry that I barged out on you last night at nasty burger...

**Danny** - ...and made some new friends? You and the cops must have had something real fun planned for you to run out so quickly...

**Georgie** – Umm... no I had to meet someone.

**Danny** – Who? Vlad?!

**Georgie** – Who's Vlad?

**Sam** – Like you don't know...

**Georgie** – Know I don't! Her voice started growing louder and she was starting to get annoyed.

**Danny** – You're a ghost Georgie! Just admit it!

**Georgie** – No I'm not! Why would you think that?

**Danny** – Umm maybe for flying around last night with a gang of cops at your tail. Oh, and let me mention the part when you plowed me into the ground!

**Georgie** – Know I didn't!

**Danny** – Oh, yeah well you were breaking the law! And now it's time to go home! Danny pulled out the Fenton Thermos, but nothing happened. Danny – what huh?

**Georgie** – Told ya.

**Danny** – you don't even know what this does! But when Danny looked up from the thermos she was gone...

**Danny** – Again! But she's not a ghost? Oh, right she's a ghost ANDROID! But then the thermos still should've worked. I don't understand?

**Sam** – all we know is that she is evil, so we shouldn't trust her.

**Danny** – But before we do anything else I think we should pay a visit to Uncle Vlad.

## 4 - The Truth About Georgie

Ch

Ch. 4

The Truth About Georgie

Danny is flying to Vlads, above, while Tucker and Sam are down below tagging along on their motor scooters. (I don't know how they managed to get to Wisconsin but .....anyway!) They're communicating on the Fenton Phones. And are driving through a path in the woods.

**Sam** – do you see anything?

**Danny** – No not yet.

**Tucker** – What does this have to do with Vlad anyway?

**Danny** – Georgie said that she was following her master's orders and she said she was sent by Vlad. Georgie pops up in front of Danny's face. **Georgie** -And what ever daddy says goes! She beams lasers from her eyes. (Now that I say that it sounds kinda super hero cheesy...) Danny gets blasted back onto the ground.

**Georgie** – hey guys wait up! I found you on my PDA and I thought you might be in trouble.....you know being out here in Wisconsin. Tucker sighs with lovey eyes ^^. She drives up on a motor scooter (like everyone in Amity Park has!)

**Danny** – huh? What? But you were... then who is?

**Georgie** – What? What are you trying to say?

**Android Georgie** – he's trying to say THINK FAST! Android Georgie holds out her hands and a glowing ball forms around the other Georgie. Then Vlad appears.

**Vlad** – good work GA.

**Sam** – GA? Georgie Android! That's it! (I forgot to mention, they knew her last name initial earlier.)

**Tucker** – wait then who's the one in the bubble?

**Vlad** – Oh, you don't know? Hm, teenagers. He and the Georgies disappeared in his portal.

**Danny** – wait Georgie can't be an android... if she caught up with us, on our side, but blasted me on Vlad's side. So there's two of them? But which one is fake?

**Sam** – Umm maybe the android!?

**Danny** – Good point. Then we should go save the good one right?

**Tucker** – Let's go. Com'on.

They all make it to Vlad's estate. Danny makes everyone intangible and flies them to Vlad's lab. No one is there. Then Danny goes into the next basement room. There is a huge arena and Georgie is standing in the middle of the ring. Danny puts Sam and Tucker in one of the bleachers.

**Danny** – Georgie? Is that really you?

**Georgie** – Ya but don't move its booby trapped.

**Danny** – no problem. He goes invisible and flies into the middle of the arena. There's a pair of handcuffs on her.

**Georgie** – The key is sitting right next to her.

**Danny** – why couldn't you get that yourself?

**Georgie** – You'll see why. Danny puts his hand near the keys a laser beams through and Danny quickly pulls his hand away.

**Danny** – well if I do it invisibly... (Then he does) and picks up the keys. **Danny** – No sweat. He unlocks Georgie.

**Georgie** – Thanks.

Danny is looking the other way watching for booby traps. **Danny** – Ya well be more careful next time... I don't want to... but when he turned around she was gone (as usual)

**Danny** – wait she was that android!? Then this was all a trap! When Danny said trap all of these ghost laser cannons pop out of nowhere and all aim at Danny ready and firing up.

**Vlad** – very good Daniel! Now then what will you do next?

**Georgie** – Nothing!

**Vlad** – You! I thought I locked you up?!

**Danny** – wait so there are two of them? Uhhh.....my brain hurts. Georgie hopped into Danny and suddenly his eyes glowed for a second. The android Georgie appeared and Danny did not hesitate. He swung at her so fast and so hard that (some electrical sparks and stuff) then she fell apart into a green ghost smoke.....stuff. Vlad was frowning, not commenting, he just swung his cape and disappeared into another one of his portals. Danny flew over to where Sam and Tucker were. Hey were speechless..... (For some dramatic reason- I'll think about that later.)

**Danny** – Ok so I guess we'll go now right? But where did Georgie go?

**Georgie** – I'm right here. She appeared (ONCE AGAIN!!!!!!!!!!!!) right behind Danny.

**Danny** – I'm glad you're safe. Sorry I thought you were a ghost. It was wrong of me to point fingers.

Danny put his hand on her shoulder. **Danny** – Friends?

**Georgie** – Sure. Her face softened.

**Sam** – Uhh... guys how do we get out of here?

**Georgie** – Leave that to me. She stopped time and was about to grab everybody, to fly them out, but Danny was still had his hand on her shoulder. Therefore he could also move even though time stopped.

**Danny** – Uhh, Georgie I can still move.

**Georgie** – Uhhhh....what? (Nervous expression)

**Danny** – How did you freeze everything? Wait you are a ghost! I think? Danny flew up (just a bit higher to show aggressiveness.)

**Georgie** – No stop! I'm not!

**Danny** – Then what are you? (Very serious.)

**Georgie** – Ok, fine. You know a couple days ago that morning when we first met.....barley? (Danny nods) and then I disappeared? Well that wasn't the ghost android. That was me. And at Nasty Burger... when I disappeared right before Dash came around? (Nods again) that was me also. But in the park and the car chase. That WASN'T me that was the android. Do you see a pattern? I was nowhere to be seen at the times when you were in DANGER. I was protecting you because I'm your Guardian Angel! GA! Georgie Angel! My last name is Angel ok! GA also stands for Guardian Angel. I told your conscience to go intangible when Dash swung, and I gave you more power when that ghost cobra attacked. And just a minute ago when I disappeared in the arena; I became a part of you acting as your defense system. You couldn't see me because I needed to be somewhere else at the time. Protecting you.

**Danny** – well how come I didn't meet you any other times in my life?

**Georgie** – well seeing as you've reached your – over 9 enemies danger line thingy. I figured you need more watching over. So I took a human form so I can always be help as a second hand. Like sidekick or something. Plus I've always wanted to see what high school is like ^^.

**Danny** – wow, a girl guarding me?

**Georgie** – well hey if you don't want me fine. But I have access to your future. Including a period of your

life when you parents AREN'T ghost fighting freaks.

**Danny** – Finally!

**Georgie** – So we understand each other right?

**Danny** – Totally!

**Georgie** – good. Now let's get out of here. Time still being frozen Danny and Georgie fly Tucker and Sam home.

The next day Danny explained to Tucker and Sam that Georgie wasn't paranormal in anyway. It was just a big misunderstanding. But he left out the part about Georgie being his Guardian Angel.

**Paullina** – wow the loser wannabe actually found some friends.

**Georgie** – better zip it or I'll tell everyone about the seemingly unnoticeable mole on your cheek.

**Paullina** – nobody noticed it yet so why do you think they will?

**Georgie** – oh not notice it? I heard it going around school and the school paper is going to write its next paper on it...

**Paullina** – what! She runs off screen (to obviously stop the press.)

**Sam** – wow, you scared Paullina away. You really know how to save yourself from further embarrassment.

**Georgie** – You know I actually spread that rumor... she had a sly smile. Sam grinned back. She was about to add more but there was a sudden scream and Paullina came running around the corner of the school. Following her was the box ghost.

**Box Ghost** – I am the box ghost!

**Sam** – You were afraid of that?

**Paullina** – no but if I scream the ghost boy might come and save me!

Danny ran behind a tree. He transformed (without the dramatic sequence this time... phew.) Georgie was standing there. Waiting for him.

**Georgie** – need some help?

**Danny** – well I think I can handle this. It's only the box ghost! But you know I'll always need a body guard. He winked at Georgie she winked back. (Ok they didn't wink as in – they like LIKE each other. Because that part is taken by Sam! And I don't want to corrupt their relationship! So they just winked because they know they'll always have each other's back.)

THE END!!!
