1 - Untitled

I look up at the clouds that wander across the sky.
Watching them; chasing them, till the end of time.
Each cloud different in their own way.
I look at the moon that has come up early.
I spread my wings and fly with the clouds.
By running with them, I fly with them towards the moon.
The moon shines through the clouds, and reaches for me.
I grab out toward it, catching it's every mystical touch to my skin.
As I dance with the clouds under the moonlight, I fall back.
Fall back into my dream.
