**Chapter 1 - ah**

## 1 - ah

I run past the playground  
And suddenly I feel alive  
Hands in the sand  
The sun radiating and lighting up my eyes  
I look back and see my mother smile  
The days spent feeling alive  
Reality overcomes me  
Its just me and the swings  
It was just a dream  
But how could it be  
I've lost all sense of belonging  
Happiness doesn't seem free anymore.
