Author's note: Hello!!! this is my first fanfic ever!!! so any tips on writing will help a lot! This is a really short HaoXyoh fic, so if you don't like then don't read. And also, in this story, Hao came back to life and is with Yoh (there together).

Disclaimer: I don't own Shaman king

Summary: "But oni-chan! I don't get it," [HaoXyoh] [drabble]

Yoh stared at his homework in frustration. He didn't understand any of it, all those numbers and symbols just confused him.

"Oni-chan," Yoh nudged his older brother Hao who was also doing homework.

Hao turned to his otouto "What?" he answered.

"I don't get it, my homework I mean, its confusing," Yoh stared at his brother, he needed help.

"You don't understand a lot of things Yoh," Hao said teasingly.

Yoh pouted. "That wasn't very nice. But still, oni-chan, aren't you going to help me?"

"Do it yourself," Hao went back to his homework

"But oni-chan! I don't get it!" Yoh whined. "Please Hao?" Yoh tugged on Hao's shirt and started to make a sad puppy face. "Please?"

Hao stared at his younger twin. An idea sparked. Hao wrapped one arm around Yoh's waist pulling him closer and lifted Yoh's chin with his hand. "I know a way to help you," Hao grinned mischievously and dragged Yoh to their bedroom.
