Yugi's Poem

I thought I was lost

Alone and forgotten

I didn't think anyone cared

As many pushed me down.

I hid the tears

The tears of pain from everyone's view

I could not be their burden.

Could not be their pain.

Why should they care anyways?

I am a nothing

A nobody

Nobody cares if I exist.

At least that is how I used to think

Before you came into my life.

You have changed me in more ways then you know.

You taught me to believe in myself

And you showed me that there were those who cared.

You say you are my darkness

While I am your light.

But I must disagree

For you are not my darkness

You are MY light.
