0 - We're Just Friends

Everyone thought we were going to be together,
So did I.

But I guess you didn't think so.
Why?

I really liked you.

I really did.
But now I can't look at you.
The way I did.

I want you to know,
That it's alright.

I'm over you now,
And I don't want to fight.

You went with her,
One of my friends.
But now you two are over.
It's your end.

Now a new friend likes you.
I don't want to get her mad.
So please if you go out,
Don't make her sad.

**Treat her right,
With respect.
If you don't**

I'll break your fracking neck.

**I may have liked you,
But now I don't.
So if you want to go out,
I just won't**

Now it's the end.

**And now I understand,
That in your eyes,
I'll always be just a friend.**
