1 - The peace camp

Disclaimer: I do not own Xiaolin showdown, but I wish I did

It was a bright and peaceful day at the xiaolin temple and everything was peaceful. The xiaolin monks were training with each other on the combat moves. Raimundo was facing Kimiko and Clay was facing Omi. They were working on midair moves when Master Fung came outside and summoned them.

“Young monks I have great news. The spirit of Dashi has told me that two of you have special Ying and Yang abilities. One Ying and one yang. In a few hours we will find out who they are.” with that Master fung left.

“Wow” gasped Clay “I wonder who it is”

“But of course it is going to be me and one of you” yelled Omi “I just hope whatever one of you can keep up.”

“ya right Omi” taunted Raimundo “I bet you two weeks of chores that it is not you.”

“your on!”

hours past and Master fung finally called the monks into the temple. In the main room was a cloud of smoke seeming to take the form of Dashi. It was almost done.

“As soon as the smoke takes its form, Grand Master Dashi will tell us the two gifted Ying yang monks” spoke Master fung

“ Ah finally I am done” yawned the smoky Dashi

“Master Dashi we are honored...”started Master fung

“sorry Master fung but we have no time for that, the two monks that have the special gifts are Raimundo and Kimiko.

“what” yelled Omi

“cool” said Raimundo

“great” stated kimiko

“oh boy” griped Clay

“ For three months, Raimundo and Kimiko will go into the forest and train to master this gift” Dashi

stated "The way you should find your powers are through love and confidence"

"love" gasped Kimiko as she blushed. She secretly liked Raimundo he was funny and charming. He also respected her, as much as he could at least.

"love" Raimundo said to himself. He liked Kimiko. She was full of spunk and she always tried her hardest. He thought she was very pretty and very smart.

"very well master Dashi" said Master fung" when shall they leave"

"as soon as possible" stated Master Dashi. And with that he disappeared.

"come young monks let us pack your things so as you can leave" said Master Fung

"yes master fung" said both Raimundo and Kimiko

"well kimiko" said Raimundo "it looks like we'll be spending 3 months together"

"can't wait" stated kimiko sarcastically. But after she looked at Raimundo's disappointed face after she said that she added "really Raimundo, I can't wait" she winked as she left

"Why is she so...amazing" Raimundo said to himself and blushed as he went to his room to get ready.

2 - The sun sets with kimiko

Disclaimer: I do not own Xiaolin showdown

Raimundo and Kimiko had packed their things and were heading to the Grand Hall to say goodbye to everybody.

“See ya in three months guys” said Raimundo

“Ya even if it is for three months I'll miss you all,” sighed Kimiko

“I'll miss you guys,” said Clay

“yes I will miss you two dearly. I will also miss beating raimundo...”teased Omi

“Just wait cue ball,” shouted Raimundo “when I come back, I'll be the one beating you.”

And with that Raimundo and Kimiko started on their way. They started to go into the forest. They had to climb many hills. When they had been traveling for four hours they stopped to rest.

“Raimundo please stop, I am so tired,” whined Kimiko

“Oh come on,” stated Raimundo “you haven't even broken a sweat. Maybe Omi was right...maybe girls are weak.” he gave a smirk as Kimiko started to yell. Kimiko tackled Raimundo and they started rolling down the hill. When they stopped at the bottom, Kimiko was lying on top of raimundo extremely close to his face. All they did was stare into each other's eyes. They stayed like that until kimiko blushed and got up. They were silent as they walked up the hill, got their things and started on their way again. Kimiko even forgot she was tired.

They kept walking until the sun started to go down.

“Let's set up camp.” said kimiko

“OK” responded Raimundo

Kimiko set up the tent and Raimundo set up the campfire. When everything was set up Raimundo and Kimiko sat at the campfire and had some dinner. Kimiko was still eating when Raimundo left to go into the open field that was a few yards away. Kimiko followed where he went and she saw him lying in the field. The sun was about to go down and Kimiko sat next to Raimundo. She looked at sun; it was almost set when...all of a sudden a bright light flashed into Kimiko's eyes. Her eyes turned a bright yellow. Raimundo heard Kimiko's strange breathing and sat up and looked at her.

“KIMIKO!!!!” He quickly ran to the river and got a bucket of water he ran to Kimiko and splashed her

with some. It didn't help.

“Kimiko please.” he asked. He was holding her tight and looking deep into her eyes, he didn't know what was wrong. He didn't know what to do he just wanted Kimiko back. He hugged her tight he thought he was useless. Just as he was holding her, the light in Kimiko's eyes was fading. She then realized what was happening.

“ Raimundo” she said weakly” I am Ying.” and with that she fainted. Raimundo looked at her with care and love in his eyes. He carefully picked Kimiko up and carried her to the camp. He placed her in her bed and settled her in. He returned to the campfire to think over what had just happened.

“If she is a Ying, then...I am yang.

3 - Her dream and their love

Disclaimer: I do not own Xiaolin showdow, but if I did...

Kimiko and Raimundo were running through a long hallway. Raimundo was trying his hardest to lead Kimiko out of danger. She was extremely tired but she couldn't stop, she didn't know why, but she knew she couldn't. Just then Raimundo stopped short, there was a ghastly figure in front of them. She looked at Raimundo, he was scared, he was sweating, and he was wounded. Raimundo and the figure were saying something but the only words Kimiko could hear were ying and yang. In a flash of yellow she realized that she was falling to the side of the hallway. She looked at Raimundo he was the one who pushed her. The figure shot something at raimundo and it struck him right in the heart. She wanted to scream his name but nothing came out, she ran over to him, and held him in her arms. The only word he said was, "kimiko"

Kimiko: RAIMUNDO!!!!!!!!!!!!!!

She sat up in a daze. Was she just dreaming???

Raimundo: WHAT? What is it are you Ok (he said as he ran into the tent)

Raimundo went right up to Kimiko and asked again. The only thing Kimko did was push back Raimundo and feel his chest, she was looking for the terrible wound she saw in her dreams, but she saw nothing. After she reassured herself that there was no wound she realized that she was touching Raimundo's chest. She looked up at his face and saw that he was looking at her strangely. She quickly took her hands away and walked outside. Raimundo just sat there and said to himself.

Raimundo: What...What on earth just happened.

He thought carefully, she was just touching his chest, but for what reason? She looked distressed, worried and scared, like she was looking for something specific. He was going to ask her when he got out.

He walked outside like nothing happened and got his breakfast ready. He sat down next to Kimiko and started eating; he wanted her to start the conversation. He was eating silently but Kimiko wasn't eating, she was looking at him.

Kimiko: I HAD A BAD DREAM, OK!!!

Raimundo: about what? (He asked casually, even if he was very interested)

Kimiko: about...about...you dying (she sobbed)

Raimundo: Kimiko it's all right I am right here and I am not going anywhere. I'm staying here with you.

Kimiko looked at him with love in her eyes. She ran up to him and hugged him with all her might, reassuring herself that he was really there. Raimundo hugged her back with as much love as he could put in. he was concerned, why would she have this dream?

Kimiko loved Raimundo and he loved her back, but they wanted to wait until they had enough confidence before they told each other.

4 - love discovery

Disclaimer: I wish I owned Xiaolin Showdown, but sadly, I don't

Kimiko woke up from her slumber with a long yawn. It had been a day since she had that dream about Raimundo. They both decided that they should travel every other day to conserve energy, and today was a day they were resting.

Raimundo was outside practicing basic moves; he didn't wanna lose his touch. As he practiced he kept thinking about what happened to kimiko when she found out she was ying, why she had that dream about him **gulp** dying, and how he should find his yang power.

Kimiko quietly and gracefully walked out of the tent and snuck up behind Raimundo, just as he was about to lift in the air with his wind...

Kimiko: HI RAIMUNDO

Raimundo: AAAAAHHHHHHH!!!!!!

Raimundo lost control of the wind and went under Kimiko. She went flying 20 feet into the air. Raimundo turned around and saw Kimiko in the air. As she came down Raimundo caught her bridle style. Kimiko blushed when she realized he was holding her.

Kimiko: Thanks.

Raimundo: No problem, so how are you feeling this morning?

Kimiko: fine and how are you (she said shyly as to start a conversation)

Raimundo: fine...since when have you asked these questions to me? (He asked confused)

Kimiko: since I wanted to how about that? (She said sternly)

Raimundo: there we go now you're back to normal, so wanna train with me?

Kimiko: Sure, use of elements or no??

Raimundo: most defiantly

Kimiko: fine but don't think I'll go easy on you I will win.

Raimundo: no I think the right sentence for you would be, I'll *try* to win. (He said with a smirk)

Kimiko: Ya we'll see about that, Judalay flip fire.

With that they started to train, testing each other's abilities. They trained to the late afternoon, only to stop because they were hungry and extremely tired. The sun was about to go down and it was a full moon tonight.

Kimiko: hey Raimundo wanna watch the sunset.

Raimundo: I don't know, remember what happened last time?

Kimiko: ya I do...

Kimiko remembered that night before that nightmare, when her mind went totally blank and she felt like something was controlling her.

Kimiko: ...but I don't think it will happen tonight. What's the point of a sunset if I can't watch it?

Raimundo: well...

Kimiko: PLEASEEEEEEE (she asked while making puppy dog eyes)

Raimundo: don't look at me like that... stop... kimiko...UH fine we'll watch it but be careful.

Kimiko: Al right. You know you're kinda cute when you're making a hard decision.

Raimundo blushed.

Kimiko: well let's go into the field to watch.

She grabbed Raimundo's arm and headed to the field. She sat down right in the middle of the field with Raimundo right beside her. She leaned her head on his shoulder as they watched the sun. Kimiko snuggled close to him, and both blushed a deep red but neither moved away. As the sun went down the sky went into complete darkness, and the full moon was clear in view.

Kimiko: look Raimundo there is a full moon tonight. Isn't it beautiful?

Kimiko looked and the shining white moon in the dark sky. Raimundo looked at the moon, he felt warm sitting next to kimiko. This was the perfect time to tell her how much he loved her.

Raimundo: hear it goes. (Raimundo said in his head)

As he was about to say something, he saw a bright flash a blue. He thought nothing of it at the time. He looked back at the full moon, shining brightly in the dark sky. While Raimundo was looking at the moon, the blue light he saw before blocked his entire vision. He started to get cold. He couldn't feel kimiko by his side anymore; he couldn't feel her warmth.

Kimiko was still looking at the moon when she felt Raimundo shiver.

Kimiko: hey Raimundo if you're cold we can go back to the tent. She looked over to Raimundo. She was shorter than him so she just saw him looking up at the moon. She couldn't see his face.

Kimiko: Raimundo...RAIMUNDO... RAIMUNDO!!!! What is with you? She stood up and looked at his face. He had a blank expression and his eyes weren't the forest green eyes she would get lost in every time she looked at them, they were a shining blue. Kimiko remembered Raimundo telling her something about this when she was controlled.

Kimiko: no Raimundo. Come on this isn't funny wake UP!!! Please wake up. She gave him a soft but stern punch on the arm...he didn't react. Come on wake up!!!! She tried everything nothing was working.

Kimiko: Raimundo (she sobbed)... you have to wake up. You have to...I...I...I love you!!!

Raimundo: Wha...What? (He struggled to say) he could hear her but he couldn't move

Kimiko: You heard me Raimundo Pedrosa, I LOVE YOU, and I don't care if you love me back.

This time he heard clear and loud. The blue light in his eyes started to fade and he took control of his body again. He looked at her, her blue ocean eyes looking at him. Kimiko stared deeply into Raimundo's forest green eyes she had once again gotten lost in them.

Raimundo took Kimiko's warm pale hands and looked at her face. She was pale with concern. Before kimiko knew what was happening, Raimundo's lips were on hers in a passionate kiss. She willingly kissed him back. She put her arms around his neck and pulled him close. He broke the kiss when he lost his breath.

Raimundo: Kimiko, you need to start guessing right. I love you more than all the stars in the sky.

And with that they kissed again, both with as much love as possible. Up in the stars Master Dashi was watching.

Master Dashi: Mission accomplished dragon of the wind and dragon of fire. Now you must use that love to set your ying and yang powers free.
