1 - Chapter Eddie

It was me and eddie.He was alive.I was speachless.Just staring into his eyes he had a black beater on with a gold cross over it and blue jeans.I felt like screaming but my throught wouldnt let me i just started to cry until i started to whisper his name louder and louder till i could shout.I was just so happy. I ran to give him a hug once i huged him...He was gone.My heart hurt i hated it i started to punch the ground.I saw a feather blow in the wind from where eddie was i fallowed it once i cought it i looked up at a perfect sunny sky and i saw eddie with his wings spread out laying on a cloud smiling down at me.I cried but i cried of joy and i layed down and held my sides and cried as i held on to that feather so hard until i sat up and i had waken up it was a dream it was sad but it was good. I dream of him more and its good to be able to see him some what.
