Chapter 1 - Blinded

1 - Blinded

Blinded

You didn't see,
It has blinded you all along,
What I kept secret,
Now I am caught up in the throng.

It wasn't your fault,
It was mine,
Our love didn't have a warning lable,
Or a sign.

Love has made us a fool,
It could make us walk through fire,
Fight a 1,000 dules,
It just takes us higher and higher.

Your kisses ment nothing,
Your hugs were cold,
I have wished for something-
Someone I could hold.

You didn't see,
It has blinded you all along,
What I kept secret,
Now I am caught up in the throng.

You don't understand,
You mean nothing to me,
Under these circumstances,
We just can't be.

I'd run away,
You'd find me,
There's nothing you can say,
So much you can't see.

I never loved you,
You were just a toy,
I hated the things you do,
You were just another boy.

You didn't see,
It has blinded you all along,
What I kept secret,
Now I am caught up in the throng.

~~~~~

I believe, if I understood in English, throng means moment..
