Just a little story I wrote about Kai's hair color.

1 - IT

Meena and her little sister Luna were inside talking. Tyson had let them both move in after meeting them in an a tournament that turned out to be a trap. If it hadn't of been for them, they might not have made it out so Tyson gave them a place to stay.

The rest of the team was outside practising. Kai Hiwatari sat on a stone and watched. "I don't know- I'll go see." Meena responded to her sister's question.

She walked up to Kai and stared at him. He looked at her- what was she doing? Suddenly she reached out and grabbed soem of his hair then looked closly at it.
Everyone stopped and stared. "What are you doing?!" He demanded pulling his hair back. "I was just wondering why your hair is grey. Geez- you're just a kid and you're already getting grey hair?! Or did you just dye it that color- cuz that isn't a natural color." Meena replied.

"It's not grey- it's blue! And yes it IS natural!" Kai glared.

"Don't lie, Kai! That's grey!" Tyson luaghed.

"IT'S BLUE!" Kai yelled.

"Grey." Everyone argued.

"IT'S BLUE! IT'S NOT GREY!" Kai stood up and yelled.

"Hey Luna- it's blue!" Meena called to her sister.

Kai stared at her.

"She wanted to know." Meena shrugged and went back insde.

"Next time, try ASKING me!" Kai called after her.

Tyson stared at him.

"Grey."

"BLUE!!!!"

"Grey." Everyone argued.

"GAH!"
