This is a poem from a roleplay I was in -awhile- ago. The Hiei and Kurama came up with this poem helping a girl from Kurama's school with her homework. I guess I put it under YYH category.

Chapter 1 - The Fox

1 - The Fox

A forest is a place that contains the animals,

The place that contains the cunning fox.

This animal comes in a variety of colors,

Imagination gives them silver locks.

The cunning, the skill, the mighty will,

the way the foxes mind works.

The lies, the cheats, the daring of feats,

That one little creature could manage.

The tricky fox loves to love,

and it loves to pounce.

It always believe it's lover,

is worth every ounce.

The fox once got in a difficult fight,

And sadly he was then beat.

So he went home to his family,

And got himself some sleep.
