1 - The Contestants

"OH MY GOD I'M GONNA DIE!" exclaimed Sonic. He was on a boat by himself, water under the boat. He couldn't jump off because he was cuffed to a bed.

"Shut up!" exclaimed the ship's captain. They got to the dock of TDI (Total Drama Island). The captain uncuffed Sonic and threw him on the dock with his stuff. Sonic got up and brushed himself off.

"And the first one here is none other than Sonic the Hedgehog!" exclaimed someone. Sonic looked at her.

"Sup, Hanna?" Hanna was a yellow hedgehog with purple markings, hair, and eyes, wearing a red, slightly showy dress, red gloves, and red high heels. She was in her twenty's and was the hostess of TDI.

"Hello, Sonic. Did you like your trip over here?" asked Hanna.

"NO!" answered Sonic. Hanna laughed.

"Okay, why are you wearing a dress?" asked Sonic.

"Because today you just get to explore the place," answered Hanna.

"So, all the fun in one day? Wow," replied Sonic.

"Smart mouth," replied Hanna.

"Go stand over there," She pointed to the end of the dock. Sonic walked over there. Next came a boat with three girls on it. They were all blue cats with green eyes. They got their stuff and walked up to Hanna.

"Hello, girls," said Hanna.

"Hi!" replied one girl. She was wearing a red dress too, but hers went to her knees instead of ankles. She had red highlights in her purple wavy hair, regular gloves, and red flip-flops on.

"I'm Brittney!" Hanna nodded.

"Brittney, go over to where Sonic is," Brittney did.

"I'm Whitney," informed another blue cat. She had light light blue wavy hair with white highlights, a teal shirt with a purple flower on it that revealed her stomach, a purple short skirt, purple high heels, and normal gloves. She walked over to the end of the dock.

"Which means you must be Hailey," said Hanna. Hailey had pink wavy hair with green highlights and was wearing a yellow shirt that revealed her stomach, blue jeans, a little darker than her fur, yellow and white sneakers and regular gloves. Hailey nodded and walked to the end of the dock. Another boat came up with none other than Shadow in it.

"Hello, Shadow!" exclaimed Hanna. Shadow looked at her as he stepped on the dock. He looked at Sonic.

"Of course, he's here first," He walked over to the other four, no bags whatsoever. Another boat came. A little pink fox about the age of eleven got out.

"She's younger than us!" exclaimed Brittney.

"So? She's adorable!" exclaimed Hanna.

"My name's Candy," informed the fox. She had blue eyes, short light light blue wavy hair with a purple headband with a heart in the middle and a blue bow hanging down from the right side and a pink one hanging from the left, a purple spaghetti strap that was almost long enough to be a short dress, jean Capri's, and purple and white sneakers. Instead of the end of her tail being white, it was light blue, and so were the tips of her ears. She walked over to the others.

"She's so adorable!" Hanna yelled to the camera's. The next ship contained another fox, but it was Tails.

He walked up to Sonic and high fived him.

"Sup, lil' bro?!" asked Sonic.

"Nothing much! Just planning to kick your butt at this show!" answered Tails. Shadow rolled his eyes.

"I can't believe Violet signed me up for this," The next boat had none other than Violet in it, but Amy too.

They were sisters, but hated each other.

Violet got off first and went up to Hanna.

"Hello, I'm Violet Rose," She was purple, had purple hair, a darker purple at parts, she was wearing a black and gray shirt, black jeans, black gloves, a spiked bracelet, a spiked belt, a chain around her right leg, and black shoes. She had green eyes like Amy, and quills like Amy, and she also had her hammer out. It was purple, gray, and black, also with spikes. She walked over to Shadow.

"Hi, Shadie," Shadow rolled his eyes.

"Go away," Amy went up to Sonic. In real life, they were best friends.

"Hey," Sonic smiled.

"Hey!" Another boat came up. A white hedgehog with red eyes and nine gray quills sticking out of his forehead jumped on the dock. He had gray and red gloves and gray, black, and white shoes.

"Hello, Ghost," said Hanna. Ghost nodded.

"Hello," He was British. He walked over to the others. Silver and Blaze came in the next boat.

"Silver, Blaze, welcome," said Hanna. Silver looked at Blaze.

"Try not to get too competitive with me?" Blaze shrugged.

"It depends," They walked to the group.

"Looks like I'm not the only cat," said Blaze. The next boat contained two bats and an echidna. They all stepped out.

"Knuckles, Rouge, great to have you," said Hanna.

"Get that camera out of my face," Knuckles snapped at the camera man. The guy looked at the other bat.

"Jesse, how are you?" asked Hanna.

"You know, wanting to kick some butt," answered Jesse. He was a black bat with two bracelet's that had spikes on them, one on each arm, regular gloves, green eyes, and green, white, and black sneakers. All three of them walked over to the group. Cosmo came next, and stood by Tails. The next boat had two black hedgehogs with quills like Shadow, markings in the same places. They were sisters. They jumped off the boat.

"Hey, girls! How are ya?" asked Hanna.

"I'm fine," answered one. She had dark blue markings and light blue eyes. She was wearing a white shirt, regular gloves, jeans, and black skater shoes.

"You're Midnight?" asked Hanna. Midnight nodded. Hanna looked at the other one.

"You must be Twilight," Twilight nodded. She had dark purple markings, light blue eyes, and was wearing a sleeveless purple shirt, a black and purple sleeveless short cloak, black jeans, regular gloves, and black, purple, and white shoes. They both walked over to the group. Next came a black and white cat wearing regular gloves and gray, black, and white shoes. He had golden eyes.

"Sup? I'm Psycho," He walked over to the group and saw Blaze.

"Wow she's hot," Next came a total crazy. Her name was Stephanie. She had every color in of highlights in her orange hair. She was a red hedgehog wearing a blue shirt revealing her stomach with a pink heart on it, a pink and white skirt, pink and white boots, and regular gloves.

"YAHOO!" She jumped in the water. A sweat mark appeared on every one's head.

"...Okay, she's the crazy one!" informed Hanna.

"No shoot Sherlock," replied Shadow. Stephanie came out of the water and screamed happily. She ran over to the end of the dock. The next boat had Espio, Charmy, and Cream in it. They got off and walked

to the group. The next girl left everyone in shock. She had red hair, light blue eyes, a pink shirt, a jean jacket and skirt, and pink flip flops. It was Sally Acorn.

2 - The Teams

"Okay, welcome to TDI!" exclaimed Hanna.

"First off, you all get put into teams! Each side gets to pick their own name. But I get to pick the sides! When I call your name, go to the other end of the dock. Silver," Silver walked to the other end.

"Sonic," Sonic walked over.

"Sally," Sally walked next to Sonic.

"It's been a while," Sonic nodded.

"So it has,"

"Ghost," announced Hanna. Ghost walked over to his new teammates.

"Rouge," Rouge looked at Knuckles.

"Later, Knuckie Poo," Knuckles blushed hard. Rouge blew a kiss to him and walked to the end of the dock.

"Jesse," announced Hanna. Jesse walked up to Rouge.

"Sup?"

"Nothing much," answered Rouge.

"Stephanie," announced Hanna. Sonic groaned.

"Great, we get the crazy,"

Confession Room- Sonic: "WHY?! I'm already cursed with Sally! What else could go wrong?!"

Back to the show...

Stephanie did front flips all the way to the group.

"Hailey," Hailey walked over.

"Candy," Candy calmly walked over ever so strait and perfect.

"Espio," Espio threw a ninja star above the groups head.

"Don't mess with me," He walked over there.

"Charmy," announced Hanna. Charmy flew over.

"And...,"

"Dun dun dunnnnnn," Shadow crossed his arms.

"Lady, announce the person before I come over and make you,"

"Okay! God! Take the fun out of EVERYTHING why don't you!" exclaimed Hanna.

"Happy to oblige," replied Shadow, cracking his knuckles.

"It's Cream," informed Hanna. Cream ran over and hugged Charmy.

"We get to be together!"

Confession Room- Sonic: "NO! AMY'S ON THE OTHER TEAM! WORSE, SHADOW'S WITH HER!" He hits his head on the wall a couple of times until his head goes through the wall. He pulls his head back in and looks at the camera.

"Oops?"

Confession Room- Shadow: "Yes! The faker is on the other team!" He looks at the hole.

"What the h#!!?" (It got beeped out)

Back to the show...

"And now, the other team," said Hanna.

"Blaze, Psycho, Amy, Shadow, Tails, Cosmo, Knuckles, Violet, Brittney, Whitney, Midnight, and Twilight," Tails looked at Cosmo.

"I'm glad your on my team," He grabbed her hand. Cosmo blushed lightly and looked down.

"I am too,"

Confession Room- Cosmo: "I'm glad that I got put on Tails' team, but something tell me this is going to be a rough couple of weeks," She sees the whole.

"What did Knuckles do this time?!"

Confession Room- Knuckles: "Great. Rouge is on a team with that...gay wad. I'm so mad I wanna-!" He looks at the hole, now covered in duck tape an toilet paper.

"GAH!" He punches through it, and then hears- "AH! THE HAUNTED PORTAPOTTY!" He looks at the camera, his fist still through the wall.

Back to the show...

"Okay, who wants to be a team captain?" asked Hanna, to the team she most recently announced. Amy, Violet, and Knuckles raised their hands. They put their hands down.

"Who nominates Knuckles?" asked Hanna. No one raised their hand.

"You all suck!" exclaimed Knuckles.

"What about Violet?" asked Hanna. No one.

"I agree with Knuckles!" yelled Violet.

"Amy?" asked Hanna. At first, no one raised their hand.

"Okay...I guess I-" Shadow raised his hand. Sonic growled from the other side of the dock. Jesse, Ghost, and Silver held him back from attacking Shadow.

Confession Room- Amy: "When Shadow raised his hand, I was like... 'Wow!'. That's when everyone else started to raise their hands....," She looked at the hole and groaned.

"Knuckles!"

Back to the show...

Midnight, Twilight, Tails, Blaze, and Cosmo raised their hands. Amy smiled.

"Thanks, guys," She walked up to Shadow and kissed his cheek.

"Mostly, to you," Shadow blushed bright red.

"Y-you're welcome,"

Confession Room- Shadow: He slaps his head.

Back to the show...

Amy giggled. Sonic growled louder, and Espio and Rouge have to help the others hold him back.

"Let me at him!" exclaimed Sonic. Sally walked up to him.

"Honey, it'll be okay," Sonic sighed and looked around Sally to see Amy laughing at something Shadow said. Sonic's ears folded down.

"Okay, Amy, think of a name for your team," said Hanna. Amy thought.

"Killer Shadow's," Shadow blushed harder. Amy smiled at him.

"For helping me be team captain,"

"Killer Shadow's it is!" exclaimed Hanna. Sonic pulled harder. Everyone had to help keep him from killing Shadow. Hanna came over.

"I nominate Sonic!" exclaimed Sally.

"Okay, Sonic, what's the team's name?" asked Hanna.

"What?! I don't want to be team captain!" exclaimed Sonic.

"Too bad, I'm bored," replied Hanna.

"Okay, um... Screaming Animals," said Sonic.

"Okay, team captains, meet in the middle! And JUST the team's captains," announced Hanna, glancing at the Screaming Animals. Everyone let go of Sonic. Sonic and Amy met in the middle. Amy held out her hand. Sonic shook it.

"Promise me that nothing will happen between us," said Amy.

"I promise," promised Sonic. Amy hugged him. Sonic hugged her back. Shadow growled.

3 - The Second Day, And The Show Already Fits It's Name

Later that night...er, or...morning, everyone finished exploring the camp. Shadow was up around three in the morning. He had to sleep on the right side of the cabin, with the other guys on his team, while the girls on his team slept on the left. Amy woke up to see Shadow gone from his bed. She got down from the top bunk quietly, and then walked outside.

"Shadow, what are you doing up?" Shadow looked at her.

"I should be saying the same to you," Amy leaned on the railing, what Shadow was doing.

"I woke up to find you gone," informed Amy.

"Were you worried about me?" asked Shadow.

"Yeah, I'm worried about all my friends!" answered Amy.

"Friend?" asked Shadow. Amy laughed.

"Yes, Shadow, you are my friend," Shadow smiled.

"So, wanna tell me why you were blushing today?" asked Amy. Shadow went wide eyed. He looked into the night sky quickly.

"No," Amy laughed again.

"Come on, Shadow!" Shadow shook his head.

"I don't want to tell,"

"Pwease?" begged Amy. Shadow looked at her. Her ears were folded down, her hands were pressed together in front of her chest in a begging way, her jade eyes sparkled, and her bottom lip quivered. Shadow looked away quicker than last time. Amy went back to normal.

"I think I just found your weakness," Shadow huffed.

"The Ultimate Lifeform? A weakness? Humph! Yeah right!" Amy rolled her eyes.

"And you call Sonic a show off," Shadow growled. Amy gasped.

"Your jealous of Sonic!" Shadow rolled his eyes and looked at her.

"Jealous of that faker? Why would I be? I'm faster, stronger, smarter, and DEFFENTLY have better looks,"

"Okay, you two go the same speed, yeah, your stronger, and the last two I actually agree," replied Amy, looking up into the stars. Shadow blushed.

"Y-you think I'm better looking?" Amy looked at him.

"Yeah, I mean, you have chest hair, and a different style of quills, and-," She noticed he was blushing again.

"You're blushing again," Shadow blushed harder.

"I know why you're blushing!" exclaimed Amy. Shadow looked back into the sky.

"You like me," said Amy.

"Nope," replied Shadow, truthfully.

"Yeah, you do!" argued Amy, a laugh in her voice.

"I swear I don't like you," swore Shadow.

"I...I actually feel more than that," he informed quietly. Amy went wide eyed.

"R-really?" Shadow saw out of the corner of his eye Amy was blushing.

"Yeah," he answered. Amy turned him and kissed him deeply and passionately. Shadow kissed back the same way. Midnight woke up before this and got a picture when they kissed.

"This is going on the Internet," she whispered. She put her camera away and placed the picture under her pillow.

The next day...

Amy and Sonic walked in the kitchen last that morning. Everyone started whispering.

"What's up with everyone?" asked Sonic. Amy shrugged. Shadow pulled her away from Sonic and in a corner.

"Hey!" exclaimed Amy. Sonic tried to go after them, but Knuckles caught his arm and started to tell him something.

"Shadow, what was that for?!" asked Amy.

"Everyone knows we kissed!" whispered Shadow.

"WHAT?!" yelled Amy. Shadow covered her mouth.

"SHHH!"

"I know! Someone took a picture and passed it around," He uncovered Amy's mouth. Sonic looked at Shadow and Amy. Knuckles told him the whole thing. Amy looked at Sonic. Sonic held back his tears. He shook his head and sat down. Amy walked up to him.

"Sonic-,"

"Go. Be with your boyfriend," interrupted Sonic. Amy had a lump in her throat.

"EVERYONE SIT DOWN!" yelled someone. Everyone did. Amy had to take the only seat left because Shadow sat down already. The seat- right in front of Sonic.

"I'M CHEFF OLGA!" yelled a really strong muscled girl hedgehog. She was dark blue with blood red eyes, wearing a green training suit. She gave everyone something that Tails couldn't even identify. Sonic moved it around on the plate. Amy did too. But they never looked up at each other.

4 - A 'Sticky' Situation

"Now, for your first challenge! Well, this is going to be a 'sticky' situation," Hanna informed. She laughed at her corny joke for a few seconds. Everyone else rolled their eyes.

"You all suck. Anyway, the first two up are the team captains!" exclaimed Hanna. She handed Amy and Sonic what looked like giant cue tips.

"What are we supposed to do? Clean out our ears?" asked Sonic.

"Ha ha, funny," replied Hanna, sarcastically.

"Compared to your corny joke, it was," Sonic shot at her.

"Burn!" yelled Knuckles. Blaze burnt Knuckles' tail.

"OW! GOD!" yelled Knuckles.

"Yeah, it did burn. Grow up," Knuckles held his tail. Hanna led everyone to a pit of...

"Is that honey?!" asked Amy.

"Yep. Which ever team falls in the most loses,"

"How many chances do we get?" asked Sonic.

"One," answered Hanna. Five minutes later, Sonic and Amy were in the middle of honey, standing on stones.

"GO!" yelled Hanna.

"I can't hit a girl!" exclaimed Sonic.

"Yes you can! Do it!" yelled Jesse. Sonic looked at Amy. Amy whacked Sonic. Sonic almost fell in, but turned into a ball and spun back. Sonic tried to hit Amy's ankles, but Amy jumped, and Sonic missed. He looked down in the honey, and then back up at Amy. He was too depressed to even look at her anymore. He jumped in. Amy gasped. Her team cheered. The other team was in shock. Sonic broke the surface.

"Okay, go get under the hose, Sonic," said Hanna. Sonic got out of the honey.

"And now I have to get wet?!" He walked back to the cabin and started the hose outside. Amy walked up to her teammates.

"Amy, you did really well!" exclaimed Blaze.

"Yeah!" agreed Knuckles. Amy looked depressed though.

"Thanks," She handed the giant cue tip to Knuckles and walked off.

"This is getting good!" Hanna exclaimed to the cameras. Amy didn't know she was on camera EVERYWHERE she went. So the whole world saw her kiss Shadow last night, and the whole world is going to see what comes next. Shadow followed her.

"Hey, what's wrong?" Amy turned around.

"Sonic's not my friend anymore! And it's all my fault!" Sonic heard her yelling and eavesdropped.

"It's mine, too," replied Shadow.

"No, it's not. I'm the one who kissed you," whispered Amy. Shadow kissed her. Sonic growled. Amy didn't kiss back. Shadow pulled away.

"Now it's my fault too," Amy was blushing. Sonic growled louder. Amy and Shadow heard.

"What was that?" asked Shadow.

"I know that growl anywhere," whispered Amy.

"Sonic saw," She saw Sonic walked back to his cabin. Amy ran up to him and grabbed his arm.

"Sonic," Sonic tried to pull away. He was NOT going to cry, and he was CERTANTLY NOT going to cry in front of Amy Rose.

"Let me go," Amy pulled him so that he was looking at her.

"Sonic, are you about to-," A loud horn sounded. Amy looked at Shadow.

"That's round two," Shadow informed. Sonic wiped his eyes with his spare hand. Amy looked back at Sonic.

"About to what?" asked Sonic. Amy could've sworn she saw tears in Sonic's eyes. Was she hallucinating? She let go of Sonic.

"N-nothing," She ran off. Shadow followed. Sonic followed him. Up next was Knuckles against Jesse. Knuckles smirked.

"I'm going to knock him in, and Rouge won't like him anymore," He wacked Jesse in the side, and then poked him in the front. He was down in an instant. Knuckles spun the giant cue tip around while his team cheered. Rouge came to the edge of the pit.

"Jesse, are you okay?!" Jesse nodded, and walked to her. Rouge helped him out. Knuckles sighed.

"Damn it,"

"Another point for the Killer Shadow's!" exclaimed Hanna. Knuckles handed the giant cue tip to Blaze. When she faced her component, she gasped.

"Silver," Silver gulped.

"Silver, I don't care if we're friends at this moment, try to get me in the honey," Blaze said.

"But, Blaze-," started Silver. The horn interrupted him. Blaze hit Silver's side. Silver didn't fall in. He tried to push Blaze with the the giant cue tip, but Blaze dodged. Silver couldn't hit Blaze.

"Silver, hit me!" exclaimed Blaze.

"I...I can't!" replied Silver. Blaze groaned.

"Fine then!" She hit him hard, and Silver fell in. Silver broke the surface and swallowed a mouth full of honey.

"You ARE naive!" yelled Blaze. Later, Shadow and Cream were up.

"I can't hit a little girl!" exclaimed Shadow.

"Good, then this should be fun!" replied Cream. She hit Shadow. Shadow almost fell, but his hover shoes saved him.

"WACK HER, SHADOW!" yelled Twilight. Shadow looked at her, and then Amy.

"Do whatever you think is right," she told him. Shadow nodded, and then looked at Cream. Cream used this chance to whack Shadow. He fell in. Amy giggled when Shadow broke the surface.

"I'm sorry Mr. Shadow!" apologized Cream. Shadow smiled.

"It's okay, Cream," He got out. Amy giggled. Shadow blushed. He went to get the honey off of him.

Later on that day, they finished the challenge.

"And the Killer Shadow's win!" yelled Hanna. They cheered. Shadow, who was back, hugged Amy, who hugged him back. Sonic growled.

Later that night...

"Okay, everyone has voted," informed Hanna.

"Okay, when I call your name, I'm going to throw you a gram cracker. Sally," A gram cracker was thrown to her.

It came down to Charmy and Sonic.

"Sonic," announced Hanna. Sonic breathed a sigh of relief.

"Hey, we couldn't vote our team captain off first thing," said Jesse, patting Sonic's back. Sonic smiled slightly.

"Thanks, guys,"

5 - NOT FINISHED

Later later that night...

Amy sat down in the grass, which overlooked the ocean. She knew there weren't any cameras out here. Sonic was going to go there to think. Amy heard his footsteps and turned around.

"Oh...hi," Sonic gulped.

"Hi," Amy patted next to her.

"You wanna talk?" Sonic walked over and sat next to her.

"Are we still friends?"

"I don't know. You tell me," replied Amy. Sonic looked at her.

"A-Amy, I-I w-want to be f-friends still," Amy hugged him.

"Okay," She let go.

"Why are you mad at Shadow though?" Sonic looked down.

"No reason,"

"So your just mad for no reason?" asked Amy. Sonic held back his tears.

"Yep," Amy looked at Sonic's face.

"Are you about to cry?" Sonic looked at her.

"Sonic the Hedgehog? Cry?!" Amy rolled her eyes.

"I know that face, Sonic," Sonic looked back down.

"You always keep your feelings bottled up inside. Maybe you should really tell me what's going on," suggested Amy.

"I'm jealous of Shadow," mumbled Sonic.

"Do you like me?" asked Amy. Sonic shook his head.

"More," Amy hugged him.

"Oh, Sonic," Sonic hugged her back.

"So, why do you look like your going to cry?" asked Amy, pulling away from him.

"I don't know," Sonic lied.

"Sonic!" exclaimed Amy. Sonic sighed.

"Because Shadow won you," Amy smiled slightly. She moved Sonic's head to her lap.

"Sonic, let it out," So Sonic cried. He didn't want Amy to see him, so he wrapped his arms around Amy's waist, buried his face in her stomach, and sobbed. He was ashamed- he was a hero, and he was crying. In front of the girl he loved. Amy ran her fingers through Sonic's quills. Five minutes later, Sonic pulled away.

"I'm sorry," Amy shook her head.

"Don't be,"

"But, the hero never cries!" replied Sonic.

"Even the hero has to brake down sometime," whispered Amy. She felt guilty for not liking Sonic back now. Sonic hugged her.

"Thanks, Amy," Amy hugged him back. She pulled away and kissed his cheek. Sonic blushed bright red. Amy giggled. Sonic looked down.

"I better go to bed," Amy nodded.

"I'd better too," They walked back to their cabins. Amy went right to sleep, but Sonic didn't fall asleep until six AM. He had to get up at seven.

At breakfast...

Sonic was asleep on the table. Amy shook him.

"Sonic!" Sonic woke up.

"What?"

"I thought you went to sleep," said Amy.

"No, I couldn't stop thinking about what happened," replied Sonic.

"What happened?" asked Shadow.

"Nothing! Buzz off!" snapped Sonic.
