There was a boy with white eye's and another girl with two bun's on her head.Gai pulled Shadow up."Say your name! Age and most powerful deposition!" Shadow thought. "My name is Shadow Kinuta! Iam Seven! And...I don't know..." Gai smiled."Let's find out.." He got eye level with Shadow."Put your hand's like this!"Shadow did."Now say shadow clone jutsu!" Shadow folowed."Shadow clone jutsu!"Nothing happened. Gai nodded."Throw this..."He handed her a kuni."Aim right there!"He pointed to a tree.She threw it and it missed by alot. Shadow frowned."Okay now kick me!Ready steady go!"Shadow let out a double kick, Roundhouse,push kick and a back kick all in one combo."Good!"Gai panted.She got him tired."your deposition is Taijutsu!"Shadow smiled feeling proud of her-self. When Dosu came to pick her up.Gai told Dosu about her accomplishment's."She is excellent in Taijustu!"Gai complimented. "She'll be on the right team!! specialize in that!" Dosu smiled.."Really!?" Gai nodded. "she is excellent! Not to shabby just not as fast as i wanted..." Dosu nodded."We'll work on that..."Gai shook his head."I will i want to learn about Shadow step by step!"Dosu nodded."okay!" Dosu took shadow's hand and led her home. ### 3 - Chapter 3: Call of the reaper,

Gai hovered above Shadow. "WOW!" He exclaimed. He watched Shadow quickly fill in the bubble's with answer's as the other's struggled. "I am done..." Shadow layed her head down on the paper. Gai lifted her head and took it. "Every answer is right! This is a jounin test!" Gai exclaimed. He look at Shadow and Lee smiled at Shadow. She drew on a paper as Gai showed everybody. Dosu nodded. "Intelligence run's in my family blood..." Gai nodded looking at the paper. "Shadow is really smart..." Dosu said reading. Gai smiled. "Well she is a shoe in for the exam!" Dosu smiled at Shadow. She was talking to neji. Neji laughed. gai looked at Shadow. "she is going to be a good strong girl!" Dosu nodded. "Yes she will..."

Gai held Shadow's arm. "Focus... All Chakra to your thought's... The other negitive's to your feet..." Gai let her arm fall. "Now when you open your eye's let it all out but keep your negitive's at your feet..." Shadow nodded. "Hit the log in front of you with a roundhouse... Do this everytime you kick, unless i say other-wise..." Shadow nodded. "Now..." Gai backed up. "LET IT OUT!" Shadow's eye's snapped open. She ran and stopped one foot on the ground. she turned her body and her leg snapped and hit the log with force. Her leg's were heavier from the negitive's. The log snapped in-half! Shadow gasped she fell on her bottom. She held her left leg. "Owwwww...." Gai smiled. He bent down. "Look..." The log layed on the ground. Shadow covered her mouth. "You did that..." Gai said smiling. Lee jumped. "she did it!" Neji was jealous as was Tenten. Shadow jumped up. "Let's do it again!" Gai shook his head. "Once a day no exceeding limit's!" Shadow's head dropped. "Awww..." Lee jumped her ran to a log and knocked it in half. "God i love this team!" Lee exclaimed. Shadow laughed.

Team Gai walked home. "Well! See ya!" Neji and Tenten waved and soon Gai and Lee were off. Shadow walked home by-herself. Some people walked behind shadow. She didn't notice. Lee ran next to her. "Shadow!" Shadow smiled. "Hi Lee-san! Do you know what happened to Kiko-kun?" Lee shook his head. "He left with his daddy for training..." Shadow frowned. "Aww... I wanted to play with him again!" Lee nodded. "Shadow-chan you can play with me!" Shadow smiled. "I know..." One of the guy's grabbed Shadow and Lee by the collar's. "GAI-SENSEI!" They both yelled. They took Shadow and Lee into an alley. "They don't got nothing!" So the guy's beat them up for that. The guy's started to leave the alley. Shadow forced herself up. She was furious scared and fueled with rage. Lee sat on the ground. bruises formed on his arm's and leg's. Shadow's hand ignited with chakara! Red, White, Purple all fused together. She ran for the man and stabbed him. She ment to push him. But her hand went though. Lee opened his eye's. "Shadow!" Blood ran over Shadow's arm. She wanted to scream. Nothing came out. The body fell and shadow's arm slid out, Shadow looked at her hand. Gai sensei rushed over and looked at the body then at Shadow's chakra lit hand. Gai gently went to hug Shadow. She stepped back. "No i'll hurt you to!" Gai hugged her gently and the chakra died down. Shadow cried. "Shadow it's okay..." Gai put his hand on her head as he hugged her. "She shouldn't experience killing at such an early age... Nobody should..." Gai thought.

"Shadow do that move again!" Lee said. "No... not again..." Shadow said holding her knee's. Gai smiled. "Shadow only a few more month's! Then you'll be in the academy then you'll graduate and be a genin! Then you'll all meet up again! And you all will be team 13! Team Gai!" Gai exclaimed. Shadow frowned. Gai smiled. "shadow do it for me..." Shadow nodded. She got up and her hand ignited. She hit

the log that was for practice. It blew up. Shadow put her head down. Tenten shivered. "It's like death!" Neji smirked. "More like calling the grim himself!" Gai smiled. "THAT'S IT!" everybody had a what look. "That is Shadow's new move~!" Shadow looked up at Gai. "Shadow's: CALL OF THE REAPER!"

## 4 - Chapter 4:Ka-kaw-Kakashi!

A crow sat at Masuki's bed post. Masuki watched it and tied something around its neck. "Hungry?" She put some water and seed's in front of the bird. "Ka-kaw-kakashi!" This is pretty much what the bird said. It said Kakashi because Kakashi meant scarecrow, And this crow loved scarecrow's! Masuki sighed watching it eat the seed's. Masuki looked down to see one of Kakashi's dog's rubbing against her. She bent down. "I didn't forget you!" Masuki said petting the dog. The dog licked her hand then howled at the ceiling. Masuki got up and saw the crow had finished. She sighed. "You know wo to find right?" The crow cocked its head. "Kaw-Kakashi?" Masuki nodded. "Right..." The crow flew out the window. The dog rubbed against Masuki's feet. "O-okay!" Masuki giggled. The dog pulled at her hand and led her outside. Masuki sat on the swing on the porch. She saw Shadow and Dosu waving at her. Dosu pulled shadow with him to say hi. "Hello Masuki-chan!" Dosu said bowing his head. Masuki smiled. "Hello Dosu...AND Shadow!" Masuki said looking at the brunette. The dog licked shadow's face. Dosu smiled. "well..." He picked shadow up and sat next to her. "So Kakashi and little Kiko left the nest?" Masuki nodded. "Yep..When they get back Kakashi will probably beg me to teach Kiko about his demon..." Masuki sighed. "To bad it's going to take alot of slave work for that! HA!" Masuki laughed. Dosu cracked a smile. "I don't know why the wife is so underestimated..." Masuki looked up. "hm?" Dosu sighed. "Sometimes it's just the father and there boy's but in my case i have to be both mother and father..." Masuki nodded. They watched shadow play with the dog in the yard. "It's a chain..."

The crow flew to the mountain's. "Ka-kaw! Kakashi!" Kakashi's ear's twitched. "hmm..." He stopped Kiko and the crow landed on Kiko's head. "That's your mother's crow," Kakashi held out his arm and the crow hopped on it. He felt around its neck. "There you are...." He pulled out a long paper. Kiko was amazed at the bird his mother never mentioned it, "Ka-ka-Kakashi!" Kakashi nodded and kiko laughed. "Daddy it said your name!" Kakashi nodded and the crow hopped into Kakashi's hair. Kakashi rolled his eye's. He un-rolled the paper. "Your mother say's she love's you...She misses you..." Kakashi read onward's. "ARE YOU SERIOUS!?" The crow hopped out of Kakashi's hair. "How could they move the exam's!?" Kiko cocked his head. "They start in three to two month's from now..." Kakashi looked at Kiko. "I guess we better get you ready..." Kakashi sat down and wrote a note. He put something in it and put it in the crow's carrier collar. "Told her you miss her to..." The crow hopped on Kakashi's arm. Kakashi threw his arm for it to fly. It didn't go. He did it five more time's. "WILL YOU GO!?!?!?" Kakashi yelled at the crow. It had this slight happy look and it happily crowed. "Ka-kakashi!" Kakashi shook his arm. "YES! I KNOW MY NAME!" The crow flew off. "Geez..." Kiko laughed our loud. Kakashi messed up Kiko's hair. "What are you laughing about?" Kiko continued to laugh.

"The exam's were moved..." Lee said unhappily. Neji nodded. "Now how will we get training all done?" Tenten asked. Gai smiled. "you guy's are ready i just need to work with Shadow...You guy's have had more for a year in advance. This is her first year..." Neji nodded. "True..." Gai smiled. "so work on what your going to present and i'll help you guy's as i come around!" Team Gai got to work. Gai positioned ten ten and helped her with aim. Lee stood across from Shadow. "You need to work on footing..." Shadow nodded. "When you have your foot like that it could brake...." Shadow slowly nodded. "Oh okay..." gai made them all take a short break. Shadow sat with Lee. "Shadow-chan!" Shadow looked at him. "Hmm?" Lee smiled. "Wanna play with me after training?" Shadow thought. "It's up to daddy-san..." Gai sat

down."You guy's should come to my house!"Gai said happily.Shadow turned her head."Gai-sensei!"She raised her hand."Yes?"Shadow smiled."**When Kiko-kun get's back can he train with us!?**" Gai nodded. "I don't see why not..."

## 5 - Chapter 5: Not ready!

Shadow and Lee walked home. They were accepted. "YES!" They yelled. Lee put his arm around Shadow. "Let's celebrate!!" Shadow nodded. "Yea!!!" The little one walked farther then they stopped. "What in the...?" There were two black hole's in the ground. "I don't know..." Lee said. He got a stick and threw it at the hole. It went in and vanished. they both shrugged and carefully looked into the hole. A person came out in a long black coat. "W-who..." The man looked at Shadow. He grabbed her by the hair. "Shadow!" Lee grabbed onto her and the man grabbed his hair to. "your with us now..." The man pulled Shadow and Lee into the hole. Shadow looked around. "Lee..." He voice sounded older. "Shadow?" His voice was deeper. The man threw Lee. He landed in a pile of ninjas. "W-what the!?! " The nins. pulled Lee up. "Get prepared to fight that guy..." They pointed. "fight? Kiko-chan?" Shadow looked up. "You rember me? You fought for me in the Ninja war..." Orchimaru lowered his head to Shadow's. "Your about to fight for me again..." He grabbed her wrist. "Your my soilder you always will be!" Shadow looked at Ochimaru's eye's. "Your mine..." Shadow looked down. Her clothes changed. She was in her uniform Ochimaru gave her. "Now you will fight when he kills all of them..." Shadow looked in the crowd. "Lee-san!!" Lee waved his hand. "Okay..." Kiko was killing enemy's left and right. Orochimaru threw her into the crowd. Shadow scrambled up. "Oi Lee!?" Lee waved his arm. Shadow hopped up onto a pole. "M?" Kiko looked up at her. "Shadow?" He saw orchimaru's black version of the anbu uniform. Kiko looked down. Shadow waved at him and hopped down. Kiko looked at her.

"Why are you here?"

"For Shadow..."

"Won't her husband kill her if his demon surface's?"

"I don't know..."

"I won't let my soilder die so easy..."

## 6 - Chapter 6: Almost dead...

*"I can not believe i gave him up..." "Maybe if my father wasent Dosu Kinuta Ochimaru would not have chosen me...Maybe if i never married him...I would be a anbu black op captain for the rest of my life...Maybe if it wasent for Gai-sensei...I would be dead..." shadow thought very complex. "Then if i was dead... Everybody would be happy..." ... "That fight..."*

"I won't kill you now! For the sake of the kid's!" Ochimaru had pulled shadow up by the hair. "Now...because i know your heart is ripped out i'll take care of her..." Shadow was thrown to the ground and there she blacked out. "Betray your own??" Ochimaru nodded. "Of course i would betray her! She is nothing to me just the daughter of my prize sound!" Ochimaru looked at her body. "She's having a temor! Isn't it enjoyable how she's shaking like that..We know you want her dead..." Ochimaru picked her up by the hair and she sat on the ground like a dead puppet, "Kill her! Right here right now...Kill her! We know you want to!" Kiko shook his head no. Shadow looked up. "Kiko please...kill me...end it for me...I don't want to live..." Ochimaru shook her head. "You heard her! Will you end it for her?" Shadow looked up at him. she made a soft smile. Kiko looked at her questioned. She winked at him "Huh?" He watched her. **"DID SHE JUST!- THIS IS A TRIPLE STAB!"** Shadow smiled. She reached into her shirt. Ochimaru watched kiko. "Well are you going to kill her!?" Shadow pulled out a knife. It ignited with a silent lightning. Shadow stabbed him in the leg then quickly rolled out of the way. She just got up when Ochimaru got the knife out and stabbed Shadow. "Kiko..." Blood ran over Shadow. Ochimaru wrapped his tounge around her neck. "HEY!" Kiko ran for him and Ochimaru knocked him back. He hoisted Shadow up then slammed her in the ground and brought her back to eye level. He put his hand's together. "WHITE PRONG SEAL!" He finger tip's went on fire. He slammed them into Shadow's stomach and then he threw her over his shoulder. She rolled on the ground then stopped on her stomach. Her hair was covering her face. "shadow!" Kiko got up. "she is out of Chakra...That seal prevents chakra she is useless..." Shadow pushed her-self up. "Kiko if he does that to you use only taijutsu..." Naruto looked at Shadow and tackled her body. "HEY-" Ochimaru hit him. "Keep your eye's on your fight..." Naruto rolle hwer over. He raised his hand witch grew claw's. He stopped an few seconds before he hit. "You look like...Masuki sensei..." He looked at her closely. "Your scent is just like her's..." He lowered his hand. Naruto turned his head to Kiko and ochimaru. Naruto dragged Shadow to a tree. He sat her there and watched the fight.

"Kakashi...." Kakashi looked up. "hmm?" Masuki looked around. "i have a feeling somthing is wrong..." Kakashi frowned. "Like?" Masuki sighed. "Like Kiko need's our help..."

## 7 - chapter 7:BFF Iren and Kaisuki

"Shadow please stop..."Kakashi held her shoulder's."No..no..no"Kakashi sighed he sat her down."I know honey i know..."Kakashi wiped tear's from her eye's."Kakashi-sensei..."Kakashi hugged her."Shhh..."Shadow covered her face."Don't take out your stress on yourself...Or tree's..."Kakashi said looking at the tree with a huge hole in the center.Masuki looked out the window."Poor thing..."She saw Kaisuki sitting on the couch."Kaisuki?" Kaisuki cried."Daddy won't come home anymore!!""Oh baby..."Masuki hugged him."i'll protect momma sister so they won't die...I'll protect you...Grandpa...everybody!"

"Now that your nine you think your bad?" Shadow said catching Kaisuki's fist."Yes..."Shadow smiled."Mommy can still beat you up..."Kaisuki took away his fist."I know..." Shadow smiled."Very good..." Kaisuki nodded."Thank you momma..."Kaisuki's ear's twitched."SOUAI!" His sister ran to him."Big brother!" Souai hopped in his arm's.Shadow smiled.Kaisuki nuzzled her."How was flower picking? Was Iren okay?" Souai nodded."Iren's comming!" Kaisuki put her down."IREN!" The boy's tackled each other and wrestled."HI! Hatake!" "HI UMINO!" Iruka followed behind them."Play nice..." Iruka said walking to Shadow."How's Souai?" Iruka asked Shadow. "How's Iren and the wife?"Iruka smiled."Well as you see both our boy's are fine..."Shadow smiled."My boy and your's are best friend's..." Iruka nodded."Yep..." "RAWR!"Iren rolled Kaisuki on his back."RAWR!" Kaisuki was back to being dominate."I hope they get on the same team..." "Mommy who is that??" Souai clung onto her mother's pant's. "I am not sure..." Souai walked up to him. "Who are you?" The boy looked at her. "Who are you?" Souai looked in his eye's. "Souai...Hatake..." Kaisuki looked out his room. Iren looked over his shoulder. "Who the hell is that?" Kaisuki murmured. Iren gasped. "Kaisuki-kun!" Kaisuki walked out. "Who the heck are you!?" The boy looked at him. "Your Kaisuki-kun...i want to fight you Kaisuki-kun, Younger brother..." Kaisuki gasped. "H-how!?! I am the oldest!" He smiled. "I am Kura..." Kaisuki glared. "Kaisuki-kun don't waste your chakra on him!" Iren said running to Kaisuki. Kaisuki nodded. "I'll fight you!" Shadow pulled him back. "Kaisuki..." Kaisuki nodded. "Let me momma..." Shadow let go of her baby. "Are you sure?" Kaisuki nodded. "Yes..." Kura tilted his head to one side. "Come on...I wanna see what you can do..." Shadow felt something. "Kaisuki! No!" Kaisuki looked back. "What?" Shadow held onto him. "No..." Kaisuki gruffly looked down. Souai hugged him. "No fighting big brother..." Souai knew how her father died and she wanted Kaisuki to avoid fighting as much as possible. "I'll be fine..." Shadow looked up. "You hurt him...I'll be after you...You don't exactly want to see an en-raged mother," Kura smiled. "Don't worry..." Souai looked up at him. "Don't hurt big brother!" Shadow let go of her boy and took Souai off of him. "Let him do his fight..." Souai nodded. "Okay..."

Kaisuki looked at Iren. "If it get's to sticky ill help you Kaisuki..." Kaisuki nodded. "Okay..." Kaisuki looked up. "I don't know who you are! But i'll beat you!" Kura looked at him. "Kaisuki..." Kaisuki looked at his mother. She nodded. Kaisuki smiled. "What are you smiling about?" Kaisuki close his eye's and his Sharigan's took there place. "So you got mother's Sharigan eye's?" Kaisuki smiled. "come on then!" Kura threw a shuriken at him and her caught it by one of the point's. Iren got gruff. "Come on Kaisuki beat up this weirdo!" Kaisuki's one arm shook with something. "Are you-?" Kaisuki smiled. "I am younger but i have so much more expertise!" Kura sighed. "Your such a foolish younger brother..." Shadow sighed. "Kaisuki was my first...How can he be my son?" Iren looked at Shadow. "Mrs. Kinuta how did it happen??" Kaisuki poofed off. "Huh?" Kura looked around. Kaisuki re-appeared behind him in a sit position the sign of the tiger in hand. "Oh my god...Kakashi taught him that?" Iren nodded. "He tried it on the bully at school! It work's awesome!!" Kaisuki smirked. "Kakashi Hatake! A THOUSAND YEAR'S OF PAIN! KAISUKI STYLE!!" He went to hit but he dissappered. "A thousand year's of death to be correct..." Kaisuki looked around without moving. "UH-OH!" Kura was behind him. He poked him and sent him flying. Kaisuki hit the ground hard. "Kaisuki!" Iren ran to him. "I am okay..." He squeaked. Iren looked at Kura. "You know what!?" Iren put his hand's together. "This is for Kaisuki!" He poofed off and tryed to hit Kura in the back. Kura caught his leg and threw him. "MOMMA!" Souai shook. Shadow let go of Souai she checked on both the boy's. "Iren?" Iren was silent. "Iren...?" Kaisuki growled. "how dare you hurt my friend!" He got on all four's. "What's this...?" Kaisuki's nail's grew, His chakra became visible. Shadow put Iren down and pinned Kaiuski to make him stop. "Honey, Listen!" Kaisuki struggled. "KAISUKI!" Kaisuki stopped. "There we go...just calm down..." The streak's in his cheek's dissappered. "There we go baby..." Kaisuki took a deep breath in and out. "There..." Kura looked at Shadow and his heart felt chopped in two. "But...She's my mother....isn't she?" Kaisuki's body shook. "Big brother!" Souai hugged his back. Kaisuki stopped shaking completely. "he's okay Souai-chan..." Iren sat up. "Kaisuki!" Shadow picked him up. "He's okay..." Iren nodded looking at the stranger that claimed he was a hatake, "If your coming in please do..." Shadow said taking Kaisuki to lay on the couch. Kura sat next to a sleeping Kaisuki. "Now explain...how are you my boy?"

## 9 - Chapter 9: Happy Birthday

Kura sat on the porch watching Shadow. She punched a tree and her fist went through the foot thick tree. She pulled out her hand. Kura looked at her amazed. For a woman she was good. Kaisuki sat next to him talking to Iren. "Kaisuki..." Kaisuki looked at him. "Hm?" "Is your mother always so violent?" Kaisuki nodded. "When she is mad... She must be... Mom is a taijutsu master specialist..." Kura nodded. "A specialist?" Kaisuki sighed. "Since daddy died... Momma has been so mad lately not to us but she's sad on the inside... It's like she wants to explode..." Kura nodded. "I guess she loves your momma now to..." Kura looked at Kaisuki. "Momma loved anything that daddy did... and I am sure she'll love you..." Kura looked down. Dosu came over and talked to Shadow. "I can't believe that's Raven's baby... Shadow he cheated..." Shadow nodded. "I know but dad I've got to take care of this one..." Dosu nodded. "Okay Shadow will come back tomorrow..." Kura was sentenced into taking a bath. Shadow walked in. "AHH!" Shadow shook her head. "I had a husband and a boy I've seen! Okay," Kura relaxed. She looked through his hair. "Man you have so sandy hair..." "I was thinking about the dessert..." Shadow smiled. "Well there's a reason..." Shadow washed it for him. "I can do it..." Shadow looked at him. "I bet you can never get the back your hair is so thick..." Kura sank into the water. "Now I'll get you some pajamas finish up okay?" Shadow said laying out a towel for him. Kura enjoyed when Shadow did his hair, it was like she was giving love and affection during the task. Is this how all the Hatake kids felt when Shadow took care of them? Shadow looked back in a laid some of Kiko's pajamas on the sink. "There you go..." Kura looked at her. "Thank you..." Shadow nodded. "Uh huh..." Kura felt loved. He got done and put on the pajamas and went to the living room, Shadow was on the couch with Kaisuki and Iren looking at a book of Kaisuki's drawings. Shadow looked up. "Kura..." He looked at her. "Happy birthday..." Kura was shocked. How did she know? He went into the kitchen and saw a cake and a present on the table. Kura took the gift and unwrapped it. It was a book....

Kura looked back in the living room, Shadow was telling Iren and Kaisuki to go to bed. The boy's ran in Kaisuki's room. Shadow walked past Kura. "You can come in my room whenever you want... But your room is down this hall to the ummmm... right...." Kura nodded. "Thank you..." Shadow smiled. "It's okay...." She went in her room.

## 10 - Chapter 10:Adoption,

The family took photo's today,

"Well now that's done!" shadow said happily. Kura nodded. "Here..." She threw his mask back. He caught it. "Good catch!" Kura said thank's. "Well guy's!!!" Shadow said looking at Souai Kaisuki and Kura. "God, I have so many kid's..." Shadow laughed. "Let's go!" Kura looked at shadow. "Where are we going?" Shadow smiled. "To see grandma and grandpa..." Kura tilted his head to the side. "NAH!" shadow said smiling. They went to the park. Shadow sat on the bench and saw Souai sitting alone on a swing. Shadow wondered why she was so upset. Kura noticed. He got up from sitting under the tree a few feet away. Shadow watched him. Kura held the rope's of the swing and talked to Souai. He pushed her on the swing. She laughed at a comment he made, "Cute," Shadow said watching Kaisuki. Kaisuki was playing with one boy. From the look's of it... Iren umino, Shadow layed back, A guy walked up and sat next to Shadow. He talked to her. "Yea," The man said looking her up and down. Kura noticed he watched the man as he pushed Souai. He was probably mentally undressing her, Kura sighed. Shadow got up and went to Kaisuki. "Hey..." Kaisuki looked up. "Yes momma?" Shadow smiled. "You wanna come with me? We can get your sister...and maybe get you guy's some icecream," Kaisuki nodded and said bye to Iren. Shadow picked him up. She went over to Kura and talked to him. "Yeah..." Kura stopped the swing and picked Souai up and put her on his hip, The torn up family sat on the wall of the park and ate. Souai laughed at Kaisuki cause he had icecream on his face. Shadow sat next to Kura the talked. Once the kid's were gone Shadow and Kura sat alone. "So..." Kura looked to the side. This talk made Kura feel awkward. Shadow pulled her knee's to her chest. "Kura do you like our house?" Kura nodded. "Yes it's a pretty house," Shadow smiled. "Kaisuki?" Kura looked down. "He can be a brat but he's okay..." Shadow nodded. "Souai?" "She's pretty sweet...She doesnt say much but she want's to be a med nin when she grows up," Shado nodded with his answer's.

"Well Kura," Kura looked at her. "Yes?" "Do you like the family overall?" Kura nodded. "You know that Raven was your mother and all but still your none existent in my part of the family..." Kura looked down. "Yes..." Shadow smiled. "Well... How would it sound if i adopted you?" Kura's head shot up. "What??" "You know you'd be one of my little's boy's instead of in-law, " Kura nodded. "Will you let me adopt you for my son?"

## 11 - Chapter 11: Extensive,

"Shadow!" Shadow turned to her name. "Yes daddy-san?" Dosu smiled. "Training time!" Dosu said making sure she was ready. "Fight me only with these... No nin no gen and NO TAIJUTSU!" Shadow nodded looking at the object's. "Chopstick's??" Kura sat on the porch. "how will she fight? With chopstick's?" shadow smiled. "You got it daddy!" she spun the chopstick's around. Dosu nodded. "Then... The fan, Will summon..." Shadow nodded. "Got it..." Kaisuki sat next to Kura. "When i grow up i want to be a black op and a med like momma..." Kura eyed him. Shadow hopped back. Dosu nodded. "Let's see it..." Shadow rubbed the stick's together. they caught fire. Shadow threw them in the air. "Twin ritual summon of exchange!" The chopstick's vanished. "I got the fan...." A small black and red fan landed in Shadow's hand. "how will a fan-" Kura was cut off. "Wind current," Shadow waved the fan in Dosu's direction then a huge wind tunnel started out of nowhere. Dosu was thrown back. "Momma is stronger than she look's..." Kaisuki added. "Daddy are we done???" shadow asked pulling Dosu up. "Good! you got the summon down!" Kura waked over to Shadow. Shadow took him over to a tree, She grasped his hand's. "You need that fan or any weapon i'll can help you..." A marble dropped into his hand. "that is a starter," Shadow said as Kura looked at it, "Watch..." She squeezed his hand's together. A katana grew from the small marble. "That's your weapon..." She squeezed his hand's again and it returned. "Take care of your's..." Kura nodded. "I will..." He looked at the silver marble. "Kaisuki-kun..." Shadow called him over. Kaisuki followed his mother dropped another marble into his palm. "You know what it is..." Kaisuki nodded. "Why momma?" "It's about time we take responsibility... Kaisuki something may happen the world is un-predictable..." Kaisuki nodded. "Okay..." Kaisuki looked at the rope around Shadow's neck. "Momma what does your's do?" Kaisuki said holding the sound note charm. Shadow sighed. "I don't know it won't activate..." Kaisuki nodded. "Maybe at just the right moment it will work for me..." Kaisuki walked to Kura. "what's your's??" he asked. Shadow crept over to Souai. She slid a necklace over her head. "If you ever need me... Your brother's... Sombdoy... Anybody just hold onto it tight..." Souai nodded.

Souai walked Kahona. She walked past the bridge. The new necklace bounced with her. She wanted to walk alone because everybody at school was a pain. A man with white eye's walked past her. "hmm..." Souai walked faster. The man turned around and grabbed her. These black vein thing's came out of his arm. They wrapped around souai's waist. "AHH!" Souai grabbed onto something anything but there was nothing. She grabbed onto her necklace hoping somebody would save her. But nobody was in the park that morning. He started to pull her and she did not easily complie. She landed on her bottom and the man dragged her closer and closer. Souai closed her eye's. The pulling ceased. "don't you ever touch one of my sibling's expessicallly my baby sister!" Soai opened her eye's. Kura had this long Katana stuck thought the man's stomach. Souai covered her mouth. The man fell to the ground. "Are you okay?" Kura asked untying the vein's. Souai nodded. "Yes..." Kura pulled her up. Souai hugged him around the waist. "Thank you!" Kura put his hand on her head. "It's okay..." souai smiled. "Your the best!" Kura laughed. "Not the best... Let's go home..." Souai nodded and ran after Kura. Shadow gasped when she heard the story she hugged her baby girl then hugged and kissed Kura all over for saving her daughter. "It's okay..." Kura said after being given a kiss on the cheek. "She's safe that's all that really matter's now..." Shadow nodded. "But thank you so much Kura!"

## 12 - Chapter 12:Souai and Kura

Souai looked into Kura's room. She smiled. "I'll help my new brother..." She pulled a bag of items into the room. She pulled the bag open, but first she looked around. She made Kura's bed and took his pillow, she took the pillow out of its cover. She threw the cover into a laundry basket she dragged in. Souai dug through her bag. "What's Kura's favorite color?" She asked looking at the ceiling. "Mom!" She ran out. Shadow was cooking. "Mom..." Shadow looked down. "Hi baby..." She bent down. Souai hugged her. "Mom what's Kura's favorite color?" Shadow thought. "Blue or most likely black..." Souai nodded and ran back into Kura's room. She drug out a black pillow case. She put it on his pillow and put it back on his bed. "okay!" She pulled off his comforter's and sheet's and threw them in the basket. "Gee, Big brother why are your sheet's so heavy??" She pulled out some black sheet's and put them on the bed. Then she pulled the basket into the garage. Souai pulled out a blue comforter from the hall closet. It was Kaisuki's but now it was Kura's. Souai climbed on his bed and spread it out. "There we go!" Souai said hopping down. She looked pleased at her work. Souai pulled out a clock, she wound it up and put it on his end table. Souai picked up some of his dirty clothes and put them in a pile. She moved to his desk. It was piled with school paper's. Souai looked at his chair. Then she thought of something. She ran into her room and got a pillow and some pencil boxes. Souai got onto his chair and cleaned up the spare pen's and sharpie's. She held up one of his drawing's. She cocked her head. She held one pacific drawing. She hopped off his chair placed the pillow on the seat and ran into Kaisuki's room. "Big brother!" Kaisuki looked up. "Yes?" Souai smiled. "DRAW THIS!" Kaisuki took the drawing. "Did you do this?" Souai shook her head. "I'll try..." Kaisuki said getting out his book and drawing utensil's. Souai nodded and finished Kura's room, she smiled. Shadow looked in. "Nice!" She replaced his curtain's with blue one's with the family seal on the holder's. She cleaned his desk and his bed, she put everything into place. "I bet your hungry now..." Souai nodded. "Dinner is done...then Kura can see what you did!" Kaisuki showed Souai the picture. "here..." Souai loved it. "Thank you big brother!!" Souai said hugging him, Kaisuki blushed. "It wasn't that hard..."

Shadow set the table. Kura sighed he sat down. "Are you okay?" Shadow asked. "I can't get my summoning right," Kura admitted. Shadow looked up at him. "Witch one?" "The fang tracker style..." Shadow smirked. "I can help you..." "You can?" Shadow nodded. "Kakashi taught Kaisuki i remember so i can help you..." Kura nodded. "Thank you..." Shadow nodded. "Uh-huh..." Kaisuki hopped into his chair. He looked at Kura. "How was your day?" Kaisuki said shifty eye'd. "Good..." Kura said eating a noodle. "Your's?" He asked. Kaisuki sighed. "Okay..." He said starting to take off his mask. "Why do you wear that?" Kaisuki smiled. "Cause daddy did..and daddy's dad did..." Kura nodded. "Oh..." Kura looked at shadow. "Good job on the meal..." shadow nodded. "I made dessert to!" She said smiling. Souai nodded. "Big brother look at your room later!" Kura nodded. He liked it when Souai called him 'Big brother' it had a nice ring to it. "I will..." Souai smiled. "Okay..." She picked up some noodle's with her chopstick's. Kura just noticed the silver end's on Souai's hair. He thought it looked cute. Kaisuki had his mask around his neck. "Well..." Kaisuki said out of nowhere, "Big brother..." He said flatly. "yes?" Kura looked at him. "I made you something...it's on your bed..." Kura nodded. "A bomb most likely..." Kura murmured. "IT'S NOT A BOMB!" Kaisuki said. Shadow sighed. She got up. Both boy's were sitting next to each other. Shadow made them hug. "You guy's are family! Kiss and make up!" Kaisuki sighed. "Sorry..." Kura nodded. "Sorry..." Souai looked up. Kura looked at her. "Do you need a hug to?" Souai nodded. Kura got up and hugged his new sister. Once the family was finished shadow paced a cake on the

table."HAHA!"Shadow said happily seeing that the kid's liked it.

Kura went to his room."Thank's Souai!"Kura yelled into the hall. He looked at the picture Kaisuki drew for him."That was nice..."He got into his night clothe's.Souai walked by in her pink one's."you like it big brother?"Kura nodded."I do!" Souai smiled."Souai!"Kura yelled after her." *That guy that tryed to kill her...he may send sombody else!*"Souai walked in his room."Yes?"Kura looked at her."Sleep in here..." Souai smiled."YES!"She looked in his room and grabbed some paper and some crayon's she sat on the floor and started to draw.Kura smiled and sat on his bed.Shadow looked in."Night guy's..."She kissed Souai on the head and Kura on the forehead."I'll see you in the morning!"Shadow said going in her room.Kura looked at Souai as she looked on his bookshelf."Will you read this to me...?"She handed him a blue book.

"Where are you going?" Shadow asked seeing Souai in a dress going outside."i'll be back momma..." Kura watched her."I'll go with you..."Souai shook her head."I'am fine..." With that she walked out the door. Walking down the street Souai got filled with Sadness and anger. She watched as a girl her age was picked up and kissed by her father.Souai rubbed her eye's to prevent tear's.She ran past them.Kura carefully tracked an followed her.He wondered why she just started running. He turned his head and saw the girl and her father. "That's why..."Kura whispered. He ran after Souai. Souai ran faster. "*Why is she running so fast?*" Souai hopped on a box and cut threw an alley. Kura quickly followed. Souai stopped and started to walk. It was a graveyard. Kura stopped and watched his baby sister stop at a headstone.She sat down at the bench in front of it."Hi,"She said to the stone."Why did you die?Dad?" Souai asked the stone."At school iam really jealous..."Kura watched and listened from behind a tree."All the other girl's and they all have there daddy...I want you back...I don't even rember what you look like...Momma said i was about a year old when you died...I didn't even get to see you, Kaisuki has gone a bit bitter in Kura's direction cause he look's so much like you dad...When i see your photo and Kura's you guy's look exactally like..." Souai felt tear's run down her face."Daddy i wish i could get to see you..."Her silver tip's brushed her shoulder's."The only thing i got like you are these silver tip's of hair!"Souai said putting some flower's she brought infront of the stone. Kura's heart ripped. He walked from behind the tree and hugged his crying sister."shhh..."Kura rocked her back and forth."It's okay..."He looked at the tombstone.Then Souai's crying form. He shut his eye's."Shhhh..."

## 14 - Chapter 14: Pure innocence

Shadow sat on the couch of her home. A photo stared back at her. "I wish that..." Something snapped from Shadow's body. She waited an hour. "I'm home..." It didn't sound like Kura and it came from outside. Shadow ran outside. She covered her mouth. "Oh my god..." She saw somebody she lost. "Are you— Oh my god," Shadow felt weak in the knees. "OH!" She ran into his arms. "Kiko Hatake, I am going to kill you!" Shadow cried. Kiko brushed out a smile. "I know you want to with how long I've been gone..." Shadow cried on him. "God damn it, never do this to me again!" Shadow cried happily. "I'll try..." Kiko said holding onto her. Souai poked her head out. "Who is... That?" She walked to the stranger. Kiko let go of Shadow. "I believe I know you..." Kiko said bending down to the girl. Souai blinked her glass eye's. Kiko held out his arms. Souai flashed back to when she saw the picture of her father. "D-daddy?" Souai covered her mouth. Kiko nodded furiously. Souai hopped into his arms. Kiko hugged her tightly. "Daddy, I thought you were dead!" Souai said her silver tip's poking and brushing Kiko's cheeks. "Not anymore..." Kaisuki poked his head out. "Daddy?" Shadow waved at him. "DADDY!" Kaisuki ran as fast as he could and tackled his father, knocking him to the grass. "Daddy, don't leave!" Souai said holding his arm. Shadow hugged Kiko's head. "Yes, Don't leave!"

Both of the Kinuta babies sat on their father. Souai in his lap, Kaisuki's head on Kiko's leg. Both asleep. "Kiko, they missed you so much..." Shadow said sitting next to him and laying her head on his chest. "Souai wanted to meet you so badly... She went to your grave every day before and after school..." Kaisuki shifted position's gently. "Kaisuki to... He was bitter since you died... Really bitter..." Kiko put Souai in Shadow's arms. He picked up Kaisuki and put him to bed. He took Souai from Shadow and tucked her in. "How's your vision?" Kiko asked. "Better than before..." Shadow said with a smile. Kiko smiled and picked her up bridal style. "Woah... This didn't happen since when you proposed!" Shadow said surprised. "Here we are, two babies later!" Shadow said with a happy smile. "Hey..." Shadow fussed. "Stop..." Kiko put her down in a chair. "Yes?" Shadow pointed. Kiko looked. "Oh..." Masuki hugged his head. "My Kiko-kun!" Kakashi smiled. Masuki smiled and kissed his head. "I miss you so much Kiko... DON'T DO THAT EVER AGAIN!!!" Masuki said shaking him. Kakashi laughed. Masuki hugged him again after the shake attack. "My son..." Kakashi smiled and ruffled Kiko's hair. "Your mother missed you more than you thought eh?" Shadow smirked and watched. "Oh Kiko... Why did you go into hiding like that!?"

"I know of a way..to bring him back..."

"what?"

"you heard me!"

Masuki smiled evily."But Shadow will be pregnant with him!And be the birth mother!"Kakashi nodded."That can happen?" " And 100% it will be exactly like Kura!" Masuki plucked a hair from Kiko and Kakashi. "Your d.n.a!" She dropped the hair's into a flask.She plucked a hair from Shadow and Dosu."Father and daughter..."She mixed the hair's with Kiko and Kakashi's."The mother!"She plucked a hair from her head and dropped it into the flask.She put water into the cylinder."Now..."She mixed it with house ingredient's."a commitment.." Masuki took Kakashi's finger and bit it making it bleed.she bit her's and they dropped there blood into the flask."Dosu..." Dosu put his nail into his flesh and tore it open."Ouch..." Masuki gritted her teeth.Dosu let the blood drip in and then he held his finger.Masuki looked at Shadow."The other mother..."Masuki watched Shadow brake her skin with her teeth.Masuki held her hand over the flask."Now we need most of the blood from you Shadow..."Shadow's blood oozed into the clear flask. The water was bloody red from the mixed D.n.a, Masuki took Kiko's finger.She squeezed blood out of it. It dropped into the glass jar.Masuki shook it gently."Why did you need...."Kakashi started. "OH!" Masuki went over to Kiko."I forgot!Can't get her pregnant without her male!"Masuki smiled at Kiko and held his hand over the glass container.Red chakra dwindled from his finger and into the blood,"Very good!" She looked up at him."Dad...Don't be mad at mommy...She got really close to Kura-kun," Souai got brave. "Even Kaisuki-kun did...I did..." She gulped. She took in a breath. "You didn't say hi to me...I never saw you before...You didn't look at me like you do to Kaisuki-kun...Is it cause he's a boy?"Souai padded up to him and leaned her head on Kiko's stomach.She wrapped her arm's around his waist."I love you daddy...."

"Are you planning something?" Kakashi asked as he was pushed into the ramen shp. "Why would i?" Masuki said gently. Kakashi smiled. "cause you...know...you want me!" "Get moving Kakashi..." Masuki said monotone."Your no fun..." Kakashi said."Iam when i want to be..."Masuki said pushing him. "Ika ika..." "No!" Masuki said."Stttooppp..."Kakashi whined. "Kakashi..." "Dad..."She said her voice trembling."Ummm..." she went to his side of the booth. She held out her arms to him.

"I swear he..."Shadow mumbled. She took a deep breath. No matter what Shadow had to get over it....

## 17 - Chapter 17: a chat with Iruka sensei!

Souai and her father walked home. "I really liked today dad..." Souai clung to his arm. "That's good," Kiko smiled at her. "tomorrow can you walk to the academy with me?" "Ummm We'll see." "Okay!" Souai said with a smile. Her smile went to a frown. "I got mommy's disability..." Kiko stopped at that. "Iruka-sensei might not pass me... Because i can't do anything other kid's do... Like make a dumb Shadow clone..." Souai smiled. "That doesn't matter does it?" Kiko remained still. "It's really not that bad of a deal..." She slipped her hand with Kiko's hand. Together they passed the academy. "I'm going to have a talk with Iruka-sensei... Stay out here..." Souai nodded and watched Kiko walk into the academy of village hidden in the leaves's. She sighed and sat down on a wooden swing. She felt it being pushed. "Hm?" She turned her head. "Hey!" Souai looked at a boy with black hair. "I thought your daddy picked you up," "He did i just wanted to stay here!" "Zaku-jr your hilarious," Zaku jr smiled. "Thank you!" Souai laughed. "Let me push you!" "I'm good i just wanna sit here..." "You sure?" "yea." Zaku jr nodded. He walked off. Souai sat there for a bit and Kiko came out. "Let's go home..." He picked her up.

Shadow got over what she was mad about. "There she is!" Souai hopped into her mother's arms. "Today me and daddy went everywhere!" "You did?" "Yea!" Shadow got up. "thank you for taking her out today Kiko..." she hugged him. Kaisuki was fast asleep already, Shadow put Souai in bed. "She said you talked to Iruka," Shadow said walking into their bedroom and pulling down the covers on the bed. Kiko sat down on the bed and took off his shoes, "What on earth did you say?"

## 18 - Chapter 18: Why are you here?!

"Kiko is going to snow do you know that?" "Yes i did from the hokage..." "Your going aren't you," "You know me so well..." "Yes i do copy-kat," "Love you," "I love you to..." "I'll be back," "I'll be here..." "Don't forget your scarf..."

Kiko walked along a train. "I suppos-" A arm pulled him into one of the cars of the train. "What the hell!?" They snapped a hand over Kiko's mouth. "Shhhh, do you want to be caught?" The voice was fimalliar. Kakashi put his face infront of his son. "Hello," "What are you doing here?" "Iam helping you for as long as i can..." kakashi held up a scroll. "Until the black ops call me back that is..." Kiko looked at him. "Then what?" "When i get called back another takes my place..." "Like..Who ever register's to take my place..." Kakashi pulled his son up. They felt the train budge. "And we're off..." Kakashi murmured. There heard a faint noise. Like a harmonica, They looked in the corner to see some blonde hair sticking out from under a hat. And a cloak covering the body. "That song..." Kakashi murmured. They saw pale hand's holding the instrument. Kakashi and Kiko sat in the corner. "What did you saw about that song?" Kiko asked. Kakashi put his hand to his forehead. "Your mother...She would sing the song to you...When i asked her she said that somebody close to her had written it. She said it didn't have word's but she made them up." Kakashi thought hard. "She didn't give a name but..." The cloaked figure in the other corner raised it's head. The hat still covering there eye's. Kakashi sighed. "I give..." He pulled out his book.The figured murmured. They looked up. "The train is going to stop..." Kakashi nodded. "Yes...but it's nowhere near Snow country...It's gotta get somthing...More coal?" The figured nodded. The train jerked to a stop about 20 yard's later. "Get down said the figure. "What?" There was a hevier jerk. "Damn..." The figure got up and opened the door to the car. "Opps..." He shut it. He coughed. "Sorry but there's a bit of a detour," "Who the hell are you!?" The man smirked. "You should know my name," He flew open the door and attached somthing to the door then slammed it shut. "Follow me!" He pulled Kakashi and Kiko to there feet. Kakashi grabbed his cloak and ripped it off. "you..." "You remember" said the man "Yamanashi Eniko," Eniko tipped his hat. "That's me, Now some other demon hunter's are following me, And they are on this train..." Kakashi nodded. "Come on Kiko," Kakashi followed Eniko who opened the top of the trains roof. "It's snowing," Kiko said. Kakashi helped pull him up. There they stood on top of the train. "Get ready..." Eniko said.

Two men climbed ontop of the train. "There you are Yamanashi!" Eniko looked at Kiko and Kakashi. "Stay still..." He yawned, "Come and get me!" The two man ran for him. Eniko put out his hand's and knocked the men on there bottoms. The men imploded. Kakashi was not impressed. "Eniko smriked. "Gotta love spell tag's!" He laughed."Let's get going..." He ran to the front of the train and jumped off. Kakashi and Kiko followed not seeing any other way. They slid down the snow bank and into a valley. Eniko got up and brushed off snow. He felt his head. "MY HAT!?" He searched for it and placed it on his head. (Eniko loves his hat! ^\_^) Eniko pulled Kakashi and Kiko up. "umm..." Eniko chuckled. "Onward to snow country?" Kakashi and Kiko glared at him.

## 19 - Chapter 19: "Are you jealous?"

Kakashi grunted. Ever since "Then" He never warmed up kindly to Eniko. They trudged to snow village. Eniko looked at Kakashi. "So how is Masuki?" "She's doing great..." Kakashi growled. ## 20 - Chapter 20: a secret plan,

"I am finally rid of the curse?" There was darkness. "No..." A vision slowly slithered into view. "Ehm?" "Why did he do that?" She sat up. Kakashi shook his head. "He's a hothead like I was..." Masuki sighed. "What did we do Kakashi?" Kakashi looked at her with his black eyes. "What do you mean?" "Why am I such a bad mother...?" "It's not you," "Yes it is..." Kakashi shook his head no. "You want to try again?" "I would do anything for that chance." Masuki said her kimono slipping off to show chain mail underneath. Kakashi nodded. He whispered in Masuki's ear. "But he has children..." "Only for a few weeks Masuki," "O-okay," Kakashi pulled her to her feet. "I'll be back..." "Okay," "Wait here..." "I will..." Masuki leaned against a tree. There she waited.

Kakashi walked behind his son. Kiko stopped. "What?" He turned. "Oh nothing..." Kakashi said. He put his hand to his son's chest. Kiko froze and collapsed onto the snow the cloak covering him entirely. "Maybe we can change you a little now..." Kakashi picked up the cloak a little boy in its folds. Kakashi looked at him. "You're a baby right now... Ehm 2 years old," Eiko was out of sight. Kakashi smiled and carried him home. Kiko stirred. "... " Kakashi looked at him. "You're about to go see your mother..." That made the two-year-old Kiko smile. With that Kakashi and his son made their way to a hotel. Masuki sat on the bed. The hotel door cracked open. "MOM!" Masuki's head shot up as Kiko hugged her as best he could. "Kiko!" Masuki brought him to her lap and kissed him all over his face. Kakashi sat next to her. Masuki turned her head. "Oh Kakashi thank you!" Kakashi nodded and rubbed Kiko's head. "He doesn't remember a thing," Kakashi said. "Aww," Masuki hugged Kiko. "I love you Kiko-kun," Masuki said looking at him. "You to mamma!" "I always will," Kakashi smiled. He loved his family happy and now they would be happy. "Oh," Masuki continued to hug and love on her son. That night Kiko slept in the middle of Masuki and Kakashi.

"Good morning..." Masuki said as she trudged in the snow. Kiko rubbed his eyes. "Momma..." Suddenly a shadow popped in front of her. "Sasuke Uchiha," Masuki walked around him. "Where is he?" "Who?" "Your first son!" Masuki looked at Kiko's young face. "He's dead..." "Whose that?" Sasuke pointed. "My other son Kaito!" Sasuke nodded. Masuki walked around him and went home. Kiko having no clue what happened...
