## 1 - Untitled

I am singing to the moon,What else can I do?A shadow, a dim, dying ember,That's what I am.What else can I do?Except sing to the moon?You can have me if you want,You can throw me out or not.I don't care.It doesn't matter anymore.There's nothing I can do,Except sing to the moon.Wind and rain,Love and pain.It's over.I don't have to do anything,But I will pray for youWhile I'm singing to the moon.
