This is one of my jokes that I tell my friends, it had nothing to do with beyblade...until now!

1 - Three Boys in a Sauna

Three boys were in a sauna.

Tyson, Max, and Kenny.

Suddenly, they heard a beeping noise. Max pushed a few buttons on his hand and then told the others that he had a chip installed in his hand to allow him to be paged.

Then, they heard a ring and Kenny pushed a button on his hand and put his hand up to his ear and carried a conversation.

After pressing another button on his hand Kenny said that he had a chip installed in his hand to allow him to receive calls.

Tyson excuses himself to use the bathroom.

He comes back, with a piece of toilet paper trailing from his butt.

The others laugh and point. Tyson cranes his neck around to look.

He says, "Wow! I must have gotten a fax!"
