**Chapter 1 - Longing to understand...**

**2**

## 1 - Longing to understand...

The head yearns to understand what the heart knows so well.

But can it ever truly understand?

The head is logical, the heart impulsive.

Logic and impulse can never blend, they're too different.

Each one trying to control the other, but it's a battle that's never won.

So maybe one shouldn't try to understand the other, but just embrace it as a part of my soul.
