Chapter 1 - Invisable Girl

1 - Invisable Girl

[INVISIBLE GIRL] (C)

Sitting sullen in silence

The world ignores her and her courage flees

Silently sleeping and weeping, the secrets she's keeping

She spills her soul yet no one sees

Chorus: Unnoticed and ignored she stands on

But its okay, its all alright because

She's invisible; it's comprehensible, clearly understandable

Cause she's the invisible girl

Rolling with the rest, she falls on

All alone, no friends to catch a shimmering tear

And she's crying and sighing, she's bleeding and dieing

Yet no one seems to hear

Chorus: Unnoticed and ignored she stands on

But its okay, its all alright because

She's invisible; it's comprehensible, clearly understandable

Cause she's the invisible girl

Follow her and you'll think

Won't anybody look up and see

She needs to be saved from herself

And she'll say, isn't someone out there goanna rescue me?

Chorus: Unnoticed and ignored she stands on

But its okay, its all alright because

She's invisible; it's comprehensible, clearly understandable

Cause she's the invisible girl
