*What happens when Tails opens up a school? Here's the answer. This has a teeny tiny bit of language ,or as I like to call it, almost swearing.*

**Chapter 1 - Untitled**

**2**

# 1 - Untitled

\*school's hallway\*

Sonic: Hey KNUX!!! Wait up!!

Knuckles: Huh? Can you beleive this? He's starting a school and he's only 12! Sonic, he's your best friend! Knock some sense into him!

Sonic: Shouldn't you do that? I mean you've got the fighting skills and all.

Knuckles: O\_O Okay...Not literally!

Sonic: Ohh....Hehe...Well he IS the smartest out of all of us, ya know.

Knuckles: You got a point there.

\*later in the classroom\*

Tails: Good morning class. I'm your teacher as you know. You already know the rules and dress code. Let's begin. Does anyone know about algebra? Anyone?

\*everybody raises their hands\*

Tails: Okay. You might know this one. What is 2 times 7 squared divided by 5 plus -9 times 36 divided by 78 equal?

Rouge: O\_O....

Knuckles: O\_O...

Sonic: O\_O.....

Amy: O\_O.....

Cream: O\_O....

Shadow: O\_O....

Tails: Okay..... Let's skip that....

\*2 hours of not learning anything and boredom later\*

Tails: LUNCH!!!

Everybody: YAAAAA!!!! \*Stampedes out of the room, trampling Tails\*

Amy: Sonic!! Wanna sit together?

Sonic: Ummm...sure!

Amy: \*As she sits down\* Don't you think Tails is TOO smart for us? I mean that math problem he gave us earlier really messed up my thinking.

Sonic: O\_O

Amy: Sonic? Hello?

Sonic: Just kidding.

Amy: Oh, come on. Be serious!

Sonic: I don't know...

\*Over on the other side of the cafeteria\*

Rouge: This is lame. I don't want to be caught going to school! I'm 17! I'm too old for this!

Shadow: \*looking out the window not paying any attention\* Say wha? I wasn't listening. Did you say something?

Rouge: ARRRGGHHHH!!! Yeah ,as a matter of fact, I did. If you weren't listening, what kind of "ultimate lifeform" are you?

Shadow: O\_O A hot one. ^\_\_^

Rouge: I'm surrounded by mindless idiots! And they're just pissin' me off!

\*back in class\*

Tails: Okay. Today in science you will be learning and memorizing 5 parts of the table of contents! Just kidding. The Table of Science!

Rouge: Oh my God!

Knuckles: Holy sh-

Tails: Knux! No swearing! Omega!

Omega: Bad language! Must stop! \*grabs desk and holds it up above his head\*

Knux: -itaki mushrooms! (I got that from the movie Spy Kids)

\*a few more boring hours later\*

Tails: SCHOOL'S OUT!

Sonic: Hey Tails. I need to ta-

Tails: yeah I know. You guys knocked some sense into me. I've got the bump to prove it!

Sonic: Really? Where?

Tails: Not literally.
