1 - The Choice

Disclaimer: I don't own any Archie, Sega, and Sonic X characters. And I think that's all. ^;; I don't understand why people put that up before their stories. ^;;

Chapter 1

It was a gloomy day in Station Square. The clouds were gray, the sky was dark, and there was barely any sunlight.

The rain was pounding on the roof of the Thorndyke Mansion. Cream was looking out the window to see if the rain would ever stop.

"This really stinks. Why of all days did it have to rain today? It's not fair! I wanted to go on our camping trip today! I'm so bored!" she shouted.

"So we can't go today. What's the big deal? Maybe it won't rain tomorrow. We can probably go then," Chris told her.

Sonic was sitting on the couch watching the news because there was really nothing on. He wasn't feeling too well. Then everybody went up to the T.V.

"It won't be a sunny week in Station Square. It looks like there will be rain all this week," the forecast lady said on T.V.

"I thought you said it wouldn't rain tomorrow!" Cream said furiously.

"I said it might not rain. Might," Chris told her.

Cream turned away and gave a big, "Hmph!"

Then Ella walked in.

"Chris, you have a phone call," she said.

"Who is it?" he asked

"It's your friend, Daniel." Then Ella handed him the phone.

"Hello? Danny?"

"Oh, hi Chris, I just wanted to know if me and Francis come still come over. The weather looks kinda harsh," Danny said

"Yeah. I know. And I still think you guys could come over. I'll Ask Ella if she could pick you 2 up." Then Chris just thought of something. "Since the weather's bad and you're coming over, why don't you spend the night?"

"Ok. I'll ask my parents. I'll call back later. Why don't you call Francine right now?"

"Ok. I'll do that. See you later. Bye."

While Chris was calling Francis, Amy walked up to Sonic.

"Sonic, are you feeling alright? You don't look so good." Amy said.

"Never been better!" he told her.

"Sure....." Then Amy put her hand on his forehead. " Sonic, are you sure you're ok? Your forehead's kind of warm." She told him. "Did you go outside in this harsh weather?"

"Uhhhh..... No?"

Then there was another news report.

"This afternoon there was an enormous Scorpion robot, most likely to be Dr.Eggman's, trying to destroy the ancient temple in the Mystic Ruins. Luckily Sonic the Hedgehog, came just in time to save it. Then the robot was destroyed"

"You didn't go out, huh." Amy looked at Sonic. You could tell she was really worried about him.

"Well, uhhh....."

Amy smiled. "That's ok. Let me go and get you a warm towel."

Sonic blushed. Then he had a flashback to what happened after he destroyed the robot and the news cast left.

A figure came out of the shadows.

"It's you again! What do you want now !" said Sonic.

"The Chaos emeralds of course," said Shadow.

Then someone tapped on Sonic's shoulder.

"Hello!" Said a sexy lookin' bat.

"This time you're out numbered! I'll make sure you won't live!" Shadow said.

Then Shadow's walkie talkie started beeping.

"Shadow! Rouge! Come back to the base immediately! I need to show you my latest creation that can get rid of those pests for good! Hurry up and get here! ASAP!" Eggman said.

Then Shadow said, "I know we didn't have time to fight this time but, the next time I see you, you'll be gone before you know it!"

Sonic didn't bother following them. He knew they would be back. And he needed to figure out what Eggman's creation was, before it's too late!

3 - Chapter 2

Chapter 2

Sonic was struggling out of bed, well at this case the couch, but Amy wouldn't let him get up.

"C'mon Amy, I needa do something really quick and you know how quick I am," Sonic told her.

She nodded a no. "Nuh-uh. No. You're not in good condition to go anywhere," she said.

"But, but." Sonic looked into her emerald green eyes. They looked into his. He felt a warm fuzzy feeling inside. He couldn't say no to her. Then he looked away and smiled.

"Fine. I won't go anywhere," he said.

"That's nice to hear. You need your rest anyways," she said with a smile.

"Hi Chris, how's it going?" Francis asked on the phone.

"Fine," Chris said. "Hey, do you want to come over tonight? A sleepover. Danny's gonna be here. I think."

"Sure why not?" she said happily.

"Ok. As soon as Danny calls I'll ask Ella if she can pick you two up."

"Sure."

MEANWHILE, IN EGGMAN'S SECRET BASE.....

"Ah ha! There you 2 are! Now, it's time to witness my finest creation!"

A bright red silk cloth was covering the "Creation".

"Decoe! Boco! Come here!" Eggman commanded.

"Yes sir," they both said. They knew he wanted them to remove the cloth and so they did.

Rouge Tried to hold her laugh in. "Ha! What's that?" Then she bursted into laughter.

"You made us come all the way over here just to see that thing!" Shadow said.

The "Creation" was a metal box, about 6 inches, and it had a red and green button and a timer.

"This thing is our key to getting rid of that blue hedgehog and his friends. It's not a bomb, but it works like one. This thing will transport those pests into a world of darkness, a world of horrors, a world of despair, The Shadow realm! Nah, just kidding, but it will surely send them to a world of darkness, despair, and misery," Eggman explained to them. "Rouge, set the timer for 5 hours once you place it in its place. Its place is in the garage of the Thorndyke Mansion. So put it in there!"

"Why there?" she asked.

"I don't know! Just put it in there!" Eggman barked.

"Yes sir," she said. And once she turned her back she said, "That stupid Egghead."

"Decoe! Boco! I want you two to follow her to see if she does anything funny."

"Yes sir!"

Rouge was at the Thorndyke Mansion. She glanced into the window. Inside she saw the strong athletic red echidna she admired so much.

"Eggman. I think bat girl's starting to lose it," Decoe said.

"AAAARRRRRRRRRGGGGGGGGGGGGGGGGGGGG!!!!!!!!!!!!!!!!!!!!!! I KNEW I COULDN'T COUNT ON HER!!!!!!!!!!!!!!!!!!!!!! SHADOW! COME ON! LET'S GO!" screamed Eggman.

They got there as fast as they can.

"Rouge! What are you doing!"

"Uhhhh..... Finding, finding the garage! Heh, heh."

"Well the garage is that way."

"Heh, heh. Sorry." she said. "Stupid Egghead," she grumbled to herself.

Rouge got into the garage. She placed the "Creation" on the ground and set the timer for 5 hours. Or did she?

Then the door knob started to turn.

"Crap! I gotta get out of here quick!" she thought to herself.

But it was too late. The door opened.

"What?! Rouge?!" Tails was scared for some reason.

Then a silver Chaos Emerald caught her eye. She started runny towards Tails with a claw up.

"Come on now sweetie, give the little Chaos emerald!"

"AHHHHHHHHHHHHHHH!!!!!!!!!!!!!!!!!!!!!!" Tails shrieked.

"Hold on Tails!" Sonic shouted.

He pushed away him just in time.

"That was close thanks sonic," Tails said.

"No prob!"

"Uhhhh, Sonic. Are you feeling alright? You don't look so good," Tails said

Then Eggman, Shadow, Bocoe, and Decoe barged in.

"A chaos Emerald!" Shadow said.

"What are you waiting for! Get it!" Eggman yelled.

Shadow was about to strike Tails, but then Sonic blocked him.

"AHHHHHHHHHHHHHHH!!!!!!!!!!!!!!!!!!!!!!" Sonic was screaming in pain. He was in worse condition than he was before.

Amy heard the scream and so did everybody else so they came to the garage.

"No! Sonic!" Amy yelled. She ran up to him and put him in her arms. Then She started sobbing. "Sonic, no....."

"What's with all the racket? Why are you guys so..... *gasp* Dr.Eggman!" Chris said.

"What?! Eggman! I knew that smell had to be you!"

"Chao! Chao! Chao! Chao!" said Cheese. Who knows what he was saying.

Eggman just looked at him.

"Ah well, I'll just push this button and..... WHAT!"

Out popped a gigantic pillow case that trapped Sonic, Amy, Knuckles, Cheese , and Eggman.

"What the!" shouted Knux.

Then the "Creation" started to glow and made weird sounds.

"What! Rouge! Did you set the timer for 5 hours!?"

"Whoops. I think I accidentally might have pit it on minuts. My bad."

"AAAAAAAAAARRRRRRRRRRRRRRRRRRRRGGGGGGGGGGGGGGGGGGGG!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!"

Then bright beautiful light shot out of the creation. It didn't seem like they were getting transported somewhere, but when the light touched something, or someone, it would transform into something else.

When the light hit the buildings, it looked like they were turning into trees. When the light hit the bridge, it started turning into a raggedy old wooden bridge, and Emerald Coast turned into a huge beautiful lake with sparkling water.

Station Square was gone. All there was, was an enormous forest standing in its place. What happend to the people? What happened to Sonic's friend's? And What about Sonic? He didn't know what was in store for him.

5 - Chapter 3

Chapter 3

Sonic woke up. His eyes were barely open. He could hardly move. He was in so much pain.

"Someone, help me, please," he said weakly. "Amy....." Then he passed out.

When he woke up he was in this strange unfamiliar place.

"Are you ok?" said a girl.

"Who, who are you?" Sonic asked weakly.

"Don't you remember me Sonic? It's me Sally."

Sonic had no idea who Sally was. He never met her in his entire life. Maybe she just knew him because she saw him on the news paper or T.V. or something.

"Sonic. Don't you remember us? Bunnie, Rotor, Antione, Dulcy, me Sally, and Tails?"

Sonic didn't know who the heck they were but something rang a bell when she said Tails.

"Tails. Hey, I wanna see Tails," he said.

"Tails! Come here! Sonic wants to see you!" Sally called out.

When sonic saw Tails he knew it wasn't his friend.

"Hi Sonic! How are you doing?" asked Tails.

"Where's Amy, Cream, Chris, Knuckles, and my friend Tails! Where's Station Square! Where's Emerald Coast where is everybody!!!!!!!!!!!!!!!" He pictured Amy in his mind. He wasn't in Station Square anymore. He was in the Knothole Village.

6 - Chapter 4

Chapter 4

Amy, Knuckles, Eggman and Cheese were knocked out cold in the middle of nowhere. All there was, was 100 foot trees, lots of bushes, and lots of vines.

Then they started to get up slowly.

"Huh? Where am I? HUH! Dr.Eggman!" said Amy.

"HUH! Amy!" said Eggman.

"What are you doing here!?" They both shouted!

"What! the "Creation" didn't work! We were suppose to be in a place filled with darkness and all that other horrible junk! I failed again!" Eggman shouted.

"Um, guys," Knuckles said.

"Thank goodness your stupid "Creation" didn't work," Amy said.

"Um, guys."

"Be quiet you pink fur ball!"

"Guys."

"You be quiet you egghead!"

"Hello. Guys."

"You crazy hammer swinging monkey!"

"Guys!"

"You booger brains!"

"You, you, you, uhhhh....."

"See you can't think of anymore comebacks. Ha! Ha!"

"GUYS!!!!!!!!!!!!!!!" Knux shouted.

"What is it Knuckles?" asked Amy.

"Can you 2 get off of me! I'm squished! And I think I'm lieing on a rock."

"Oh. Heh, heh. Sorry."

Once they got off of Knux they saw the rock he was lying on.

"Chao, chao," said Cheese.

"Whoops. Sorry Cheese," Knuckles said.

"Hey, Eggman, do you Know where we are?" Amy asked him.

"Let me see." Eggman looked in his Eggwalker. "What? This can't be!"

"What is it Eggman?"

"Chao, chao?"

"My digital map says we're still in Station Square!" Eggman told them.

"But Station Square doesn't have a forest," Knux said.

"I know. Come on. Let's go to the bridge," Amy said.

The 4 of them followed the map to the bridge. They were all cramped up in the Eggwalker.

"WHAAA?" Amy said. "Are you sure this is the bridge?"

"I'm sure. This map never fails me!" said Eggman.

"Yeah. Unlike your other inventions," Amy said.

"Who asked you!"

"This can't be the bridge. This one's an old wooden bridge, and the one in Station Square isn't like this one," said Knuckles.

"It's like everything in Station Square put on a costume or shape shifted or changed or something," said Amy.

"Actually, I think you're right," Eggman said.

"What? About everything having a costume on?"

"No. About everything shapeshifting," Eggman told her.

"So, we're still in Station Square but everything turned into something else. So it doesn't look like we're in Station Square?" Amy said.

"Chao?" said Cheese.

"Yes. Everything changed. Even the people. So it's like there was never a station square at all," Eggman explained to them.

"Then how come we didn't change?" asked Knuckles.

"Well, when the "Creation" started to shoot out those lights, whenever it hit something it would change. But we were trapped in that pillow case so the light didn't hit us," said Eggman.

"But where's Sonic?" Amy asked worriedly.

"That's an easy one well Sonic's.....What! Sonic's not with us!" said Eggman.

"I know that! Now tell me where my Sonic went!" demanded Amy.

"Ok. I'll tell you. He should have been transported to another area in this forest because he was probably the closeded one to the "Creation". So he could be anywhere."

Then Cheese started to cry. "Chao! Cha, cha, chao!"

"What's wrong with cheese?" asked Knux.

"I think he misses Cream," Amy told him.

"And I don't think we'll be seeing her or the others who got hit by the light," Eggman said.

"How come?" Amy asked.

"I already told you, when the light hits something it changes. And the little rabbit got hit by the light so she could be anyone. She probably doesn't know she's Cream. She'll think she's that person she is because she is that person," Eggman told them.

"So none of our friends are here anymore? Just us and Sonic?" Amy asked.

"Yes."

Amy was really worried about Sonic. She was wondering if he was still ill. She just had to find him.

Sonic was sitting in front of the lake behind the Acorn castle. He was feeling much better because of Sally, but you could tell he was really worried about something. Sally came outside and sat next to Sonic.

"Hi Sonic. Is anything wrong?" Sally asked him.

"Oh, it's nothing," he told her.

The little lake was so beautiful. But not as beautiful as Emerald Coast. The water was sparkling like glitter and the water was as clear as crystal.

"Sonic, I know when something's wrong," she said. "Please tell me. Maybe I can help."

"Ok. I'll tell you."

Sally moved closer to Sonic. He wasn't feeling too comfortable.

Sally put her arm on Sonic's chest. "Ok. Then tell me," she said softly.

Sonic started to blush. "Ok. You see, uuummmm, well."

"Yeeeeesssssss."

"Ok. I was somehow brought to this forest and....."

Sally interrupted. "What do you mean brought to this forest? You always lived here."

"K. Whatever. Just let me finish." Sonic cleared his throat. Sally started to giggle. His cheeks turned rosey red. "Well, me and my friends somehow got here and....."

"Just cut to the case," Sally said.

"Ok. I'm really worried about one of my friends. I'm afraid something bad might of happened to her. I'm really worried," Sonic said.

"That's ok. You don't have to be worried. You have me," Sally said.

"Uhhhhhhh....."

(This is the part I hate the most) Sally moved even closer to Sonic.

"Sonic. You know, you don't really seem the same. You seem even more sexier," Sally told him.

"Gee, uhhh, thanks."

Sally giggled and moved closer, and closer and then Sally put her mouth on Sonic's. He was enjoying it.

They got it going on for at least 10 seconds then Sonic broke the Kiss.

They looked at each other directly in the eye. Then Sonic thought what would happen if Amy found out about this! Her heart would be crushed.

"I, I think I'm gonna cry," said Dulcy.

"I'm so happy for them," said Antione.

"Ewww....." said Tails.

Meanwhile, Amy, Knux, Eggman, and Cheese were looking at each other furiously without blinking. They were all growling.

"Grrrrrrr.....," Knuckles growled. His eyes looked red and sore. Then he blinked.

"Ha! Ha! You blinked! You're out!" said Eggman.

"I didn't even wanna play this stupid game in the first place! And I bet you cheated Eggman! We can't tell if you blinked because you have those stupid dark glasses on!" Knuckles shouted.

"I don't want to play anymore. I want to go and find Sonic. Oh, I hope he's ok," Amy said worriedly.

"Chao! Chao!," said Cheese. He was making her feel much better.

"Amy's right. We should look for Sonic," Knux said. And so they did.

While they were looking for Sonic, they saw this huge Castle! Knuckles looked on the digital map.

"So this is what became of Chris's house," said Knux.

"Yep," agreed Amy. "Maybe Sonic might be inside!"

Then they were in front of the entrance.

"I'm not gonna knock," said Knux.

"Me neither," said Eggman.

"Don't look at me!" Amy said.

Then they all looked at each other, then at Cheese.

"Chao?"

"Say Cheese, ya wanna do somethin' for us," asked Amy.

Of course he didn't want to, but unfortunately he had no choice.

They were all watching him behind a tree. Amy gave a thumbs to Cheese.

"You can do it Cheese! Go Cheese, go!" Amy said.

Cheese hesitated. Then he softly knocked on the door.

"Chao?" he said.

Then the door opened.

"Huh? Chao?" Then Cheese signaled them to come in. "Chao! Chao!"

"I guess we could come in," said Knux.

Then Eggman tripped over something. "Ouchie! Huh? What's this?" Eggman said. Then he swept the dirt off of the thing. "OMG! It's the "Creation"! And it looks like it could still work!"

"SHHH!!! Eggman! Be quiet! you might call on the guards or something!" said Amy.

"What!? Intruders!" said a guard.

"I spoke too soon."

The more guards came.

"I'll push em' away!" said Amy.

"Me too!" said Knux.

Amy drew out her hammer and started swinging it like crazy!

"See. I told you you were a crazy hammer swinging monkey," Eggman said to himself.

"I HEARD THAT!!!!!" shouted Amy.

Then she started chasing Eggman with her hammer.

"Ahhhh!!!! Mommy! Help ME!!!!!"

Knuckles was punching the guards away. One by one. While Amy was chasing Eggman everywhere.

Then Amy tripped over a root.

"Ahhh! help me!" The guards got hold of her. Then Eggman. They caught Knuckles off guard and took him too.

They we're all in a cell. It was all damp and wet. There was fungi growing out of the walls.

Amy was cleaning the cell, Knuckles was trying to punch and dig his way out but it was no use, Eggman was fiddling around with his "Creation", and Cheese was playing the blues on a harmonica.

"We wouldn't be here if it wasn't for Eggman," Amy said to herself.

"Just Shut up! Do you think I enjoy being here with you goody goody people!"Eggman said.

"Do you think I enjoy being here with a smelly old man!" Shouted Amy.

"Why you little!"

"Put a sock in it you 2!" said Knux. Then He snatched Cheese's harmonica and played a short tune. "Just stay calm. I bet we'll get out of here somehow. What's the point of fighting?"

Then Cheese got furious because Knux took his harmonica. "Chao!!!" Then Cheese attacked him.

"You little!" Knux got upset.

Then all of them started fighting.

Then a guard came in.

"You 4! It's time for your trial!" said the guard.

"Uhh, ok," Amy said confused.

They walked up this long hallway. It was almost over a mile long. Then they finally got to this huge room. It was the size of a medium sized house. They were all sweating like pigs. They all made a big thump when they sat on their chairs.

"Here ye, here ye! Make way for his majesty, the king!" said a man. Then, out walked king Acorn.

"Now, make way for his majesty's daughter and his daughter's fiancé', Sonic the Hedgehog!"

"What? Fiancé? Sonic?" Amy thought to herself.

"What? Sonic?" Said Knux.

"Sonic! It's me Amy! Do you remember me? Can you help us?" Tears started to run down Amy's eyes.

"Wha? Amy?" Sonic said to himself.

He couldn't help her. It was against the law to bail the defendants out of trial. He couldn't help her. And What would Sally think? She wouldn't be too happy with her fiancé.

7 - Chapter 5

Chapter 5

Sonic saw the tears running down Amy eyes. He felt bad. But he couldn't help her anymore. He was engaged to Princess Sally. But somewhere deep in his heart, he did care for her still.

"So what is it this time?" asked King Acorn.

"These 4 were found trespassing into the castle!" said a witness.

"I bet they were trying to rob the king's gold!" said a woman.

"I bet they're spies for Robotnik!" said a man.

"People! People! Calm down please! Let's hear their story. Now let's start with that pink hedgehog," Sonic said.

"What? Sonic!? You know who I am! Stop pretending like I'm a stranger!" said Amy with tears running down her face.

"He said tell your part of the story!" Demanded Sally. Then she put her hands on Sonic's shoulder and gave him a little peck on the cheek.

Amy started to sob. Knux, Eggman, and Cheese really felt sorry for her.

"Ok. I'll tell you," Amy said sobbing, "Sonic, we were looking for you all over the woods. We searched everywhere! We thought that you were hurt! So we kept on looking. Then we saw this castle and thought you might be in here, and here you are. Sonic. How could you do this to us? To me? Sonic why! WHY!" then Amy bursted into tears.

"I think they're not telling the truth!" said Sally.

"But-," Sonic stopped.

"Ok. Then I pronounce these criminals guilty!"said the King.

"But that's not fair! You didn't hear all of our stories!" said Knux.

"Sucks for you," said the king. "Now, take them away!"

Sonic looked down at the floor.He started to feel bad. Then Sally kissed him on the cheek.

"Princess Sally Acorn's and Sonic the Hedgehogs wedding will be held tomorrow afternoon in the garden! Everyone's expected to be there!" said the announcer dude.

Then the guards took Eggman's "Creation". "No! My creation!

The guards were dragging them out.

"No! Sonic! Sonic! Sonic! SONIC!" Amy screamed as loud as she can until her lungs burst. "No!" Then she started sobbing.

"Excuse me guard, but can I have that thing you took from one of the criminals?" Sonic asked.

"Sure."

The guard handed him the "Creation".

A tear drop ran down Sonic's face. He knew he could do nothing. To help.

So they were back in the cell. All miserable and more.

"Cheese! Will you please stop playing that harmonica!" shouted Knux.

"Chao!"shouted Cheese. He glared at Knux.

Amy still kept on crying.

"Amy, are you alright?"Knuckles asked her.

She sniffed. "Yeah. I'm fine," she told him.

"Arrrgggg!" shouted Eggman.

"What is it this time you Egghead," said Knux.

"Those stupid guards took the "Creation" and I set the timer on so Station Square will be back to normal, but"

"But what?" said Knuckles.

"But the lowest time for me to set it was 12 hours. But in 12 hours I need to push the green button on the "Creation" and everything will be back to normal, but if we don't make the 12 hour limit, we'll be trapped here forever!"

So what time is it?" Amy asked.

"It's 12 midnight," Eggman told her. "So we have until 12 O'clock in the afternoon to get the "Creation" back!"

"This time I swear we'll get out of here!" Knuckles yawned. "Starting tomorrow," he said.

It was 10 in the morning. Then Amy woke up.

"What! It's 10 O'clock already! That only gives us 2 hours! You 3! Wake UP!!" Amy said.

"Ahhh! Mommy! She's taking my Teddy bear! Huh? It's already 10! OMG! We need to hurry up!" said Eggman.

"This time I'll try even harder to bust this cell!" said Knux.

Then he drew his fist back and pounded it right through the metal bars!

"W00t! Good job, Knux! Now let's try to find Eggman's "Creation"!" said Amy.

"Chao!" Cheese shouted happily.

"Sally, you look so beautiful in your wedding dress," said Bunnie.

"Awww. Thanks, Bunnie," Said Sally.

"Wow Sal, you look awesome!" Tails told her.

"Awww stop it guys, you're gonn make me too red for the wedding," Sally said.

Tails giggled.

Sonic wasn't too thrilled with wearing his tuxido.

"It feels too stiff," said Sonic.

"You do wanna get marreid to Sally don't you?" asked Rotor.

"Yeah, I guess so," Sonic told him.

"You guess so?" Rotor said.

"I mean, of course! I love her!" Said Sonic "But aren't I too young to get married?" thought Sonic.

Sonic saw the "Creation" on the counter. He decided to put it in his pocket. For some strange reason, he thought it would be good luck.

"Have you found the "Creation" yet?" Knuckles asked impateintly. "I wanna go back now!"

"Hold on Knuckle head! My tracking device will spot it soon!" said Eggman.

"Like when?" Knux asked again.

"Like now," Eggman told him. "Look. OMG! Sonic has it!"

"What?!" Amy said.

"He's at the garden! We need to get there quickly! We have less than 20 minutes!" said Eggman.

So the 4 of them hopped inside of the Eggwalker and got there as fast as they can!

Sally and Sonic were walking down the aisle they were having a little chat because the aisle was so long!

"Sonic. You seem so different. So handsome so young. Sonic, you're 16 right?" Sally asked him.

"No. I'm actually 15. Am I too young for you?"

"No. I have no problem with that. Now I know why you were so clueless when I bumped into you. You're not the same Sonic I use to know, but I still love you," said Sally.

"I think I, I mean I love you to," Sonic didn't really want to say that. Then they finally reached the altar.

"What? The priest is Bunnie?" Sonic said.

"Well, she wanted to try," Sally said.

"Did she get married to a church or somethin'?"

Sally looked at him.

"Ah, never mind."

Bunnie said all that junk that the priests always say at weddings and then finally she said, "Do you Sally take Sonic to be your happily married husband."

"I Do," Sally said.

Then Dr. Robotnik came in.

"Robotnik!" everyone shouted except Sonic. He was used to saying Eggman.

"Everyone calm down! Cluck and I just wanted to watch the wedding! Maybe tomorrow I'll terrorize the

Knothole Village," Dr,Robotnik said.

Bunnie cleared her throat. "Ok. Sonic Do you take Sally as your happilied married wife."

"I-," then something interrupted Sonic.

8 - Chapter 6

Chapter 6

"Sonic! No!" shouted Amy.

"What!?! The prisoners! How'd they escape!?! Guards! Get them NOW!" ordered King Acorn.

"Wait stop!" Said Sonic.

"But why Sonic," asked Sally.

"Just let me talk to my friend," he told her.

"You know her!?"

"Yes. I know her. Now let me talk to her."

"Sonic....." Amy said softly.

"Amy, what are you doing here?" he asked in a gentle voice.

"To get you," she said.

"Sonic, now we have less than 10 minutes to make your choice," Amy said to him.

"What choice?" he asked.

Tears streamed down Amy's eyes. "We're not stopping from marrying Sally. I want to make sure you're happy." Amy sniffed. "Sonic. Once the clock strikes 12 we're here for good. Station Square will never be the same again. If you decide to stay here, of course you'll be happy, but all our friends will be gone. No more Chris, no more Cream, no more Tails, no more Station Square no more nothing. So Sonic, what will it be? Here or station square?"

Sonic looked at the ground. "Amy, I'm sorry. But, this place is for me. Please forgive me," Sonic said to her.

"I understand Sonic," Amy said. "I hope you'll be happy."

Then Amy, Knux, Eggman, and Cheese turned and walked away.

"Sonic!" said Knux.

"Huh?"

"I know you think you made the right choice, but I know Someday you'll Regret it!" Knux said.

9 - chapter 7

Chapter 7

Then Sonic thought through about everything he heard from his former friends.

"Amy! Wait!" shouted Sonic.

"Huh?" Amy looked back.

"Sonic where do you think you're going?" said Sally.

Sonic kissed her on the lips.

"Sally, I love you, but there's someone else I love even more.

Sonic looked at Amy. He walked up to her.

"Sonic," she said softly.

"Amy, I'm sorry I pretended I didn't know you. I may not show it but....." Sonic touched Amy's face gently. She looked up at him. "Amy, I, I, I love you." Then Sonic put his lips on hers. This was a moment both of them were waiting for. They were kissin' for quite a while. Then Sonic broke the kiss.

They both looked at each other. Then they gave a quick hug.

"Ok everyone! Show's over! The weddings off!" said Sonic.

"Ok, blue boy, aren't you gonna press that green button now?" said Knux.

"Hold on. Let me do somethin' really quick," Sonic told him.

Then he walked up to Sally. "Sorry Sally, I really am, but Amy's the one for me. Do you understand?"

She nodded. "I do," She said.

"Thanks," Sonic said.

Then he pushed the green button on the "Creation" just in time.

"Bye Sally," he said.

"Bye Sonic."

Then the "Creation" started to glow and make weird sounds like it did in the garage of the the Thorndyke Mansion.

Before everything and everyone became back to normal, Sonic gave Sally a hug. "I'll miss ya Sal," he said.

Then everybody and everything started to to become what the really were.

The trees were turning back to buildings. The wooden bridge was turnind back into the same kinda bridge it use to be. The lake was turning back into Emerald Coast. The Acorn Castle was turning back into Chris's Mansion and the lake behind there was now a swimming pool again.

Then the people started changing.

Dr.Robotnik was getting shorter and grew black quills. "Wht's happening to me?" he said.

"Why am I getting taller and yellow?" Tails said.

"Wha! Brown hair!" Rotor said.

"What the!?" said bunnye.

"A wha? I am getting taller!" said Antione.

"I'm getting shorter," said Dulcy.

Then everything was the same again. Station Square was back.

"I'm gonna miss you Sal," Sonic said while hugging her.

"Hey! Get off blue boy!" she said.

Then Sonic looked at her. "Wha? Rouge?," he said.

"Why are you gonna miss me? And how come I have this very uncomfortable itchy wedding dress on?" Rouge said.

"Uh, heh, heh. Long story."

Then Rouge saw Kuckles on the ground knocked out.

"Oh echida boy, are you ok?" sahe said.

"Yeah. I'm fine. Uh,how did I get here?" said Knux.

"I was about to ask the same question," she told him.

Everyone was knocked out. Then Sonic ran up to Chris.

"Hey, Chris, get up!" said Sonic.

"5 more minuts," Chris said.

"Wakie! Wakie!" said Sonic, then he started to tickle Chris.

He started to laugh."Ok! Ok! I'll get up!"

"Are you ok? Do you remember anything?" asked Sonic.

"Nope nothing. And why do I have this this cap on?" Chris said.

"Uhhh.....I'll be right back. Let me check on the others," Sonic told him.

"Hey, Tails how ya feelin'?"

"Sleepy," Tails said.

"Ok, hold on Tails, I'm gonna check on Amy," Sonic said.

"Alright. Whatever you say."

Then soon everybody woke up with no clue what happened.

"Ouchie. My head hurts, huh? Cheese?" said Cream.

"Chao?"

"Cheese! Hee! Hee! Hey, are you ok?"

"Chao!" Cheese said happily.

"Hey, how come I have this priest outfit on?" she asked.

"Chao?" Cheese had no clue either.

"Man. What happened? And how come I'm dressed like a French person?" asked Danny.

Then Francis walked up to Chris and tapped on his shoulder.

"Uhhh, Chris," she said.

"Oh hi Francis!" he said.

"Hey, why are all those people in your front yard?" she asked.

"I dunno, maybe.....WHAT! WHY IS EVEYBODY IN MY FRONT YARD!"

Then Shadow woke up.

"Why is this fat man's suit covering me?" Then he jumped out of it. "Hey blue hedgehog!" he shouted to Sonic.

"Shadow?"

"I know we didn't fight this time, but I'll see you again! Farewell." Then he ran off.

"Hey! Wait for me!" said Rouge.

"Hey! You can't forget about your leader!" Eggman said and then followed them.

"Wait for us!!!!" Decoe and Bocoe said.

Then Sonic walked up to Amy.

"Hey, are you ok?" he said.

"Yeah. I'm just fine!" Amy said happily.

She was back to normal. And it was very clear that she didn't remember anything. Then Amy gave one of her thank you hugs too Sonic. He just smiled.

The weather was very clear. The next day all of them want on the camping trip the were suppose to go on along with Danny and Francis.

"Yay! We're finally here! Come on Cheese let's roast some marshmallows!" said Cream.

"Chao! Chao!"

Everyone was gathered at the campfire except Sonic.

He was sitting on a branch of a tree watching the sunset. He was the only one who remembered everything. He had the "Creation" in his hands.

"Well, looks like I don't need this anymore," said Sonic. So he threw it into the lake.

This place reminded him a lot about the Knothole Village.

Sally was right for him but she wasn't the one. Amy was. She didn't remember that Sonic told her he loved her. He kept on wondering if she'll ever know his true feelings for her.

"Maybe when the time is right," Sonic said to himself. "Maybe when the time is right," he said to himself again.

"One day I'll tell Amy I really care about her, but now isn't the right time," Sonic thought to himself.

While he was watching the sunset, all he could think about is how much Amy loved him, and how much he loved Amy.

The End.
