1 - The Big Trip

Today was the day for Christmas Vacation to start and everyone in the class were starting to exchange gifts. Yoh on the other hand was doing the electric chair. "Poor Yoh" Takeshi said standing next to his desk. Takeshi walked to Yoh holding a gift for him. While doing so Anna appears out of nowhere "Oh hey there Anna, how's it going"? Takeshi said nervously. "Fine thank you, what's that you got there"? "Just a gift for Yoh" "Oh, well that's nice" "And one for you too Anna" while going through his desk he takes out a red gift and hands it to Anna. Anna with a confused look now but happy. "Thanks Takeshi" Anna said forgetting about Yoh while opening her gift. "Hey Yoh" while Yoh was taking his 5 minute break from the electric chair Takeshi hands Yoh a green present. When Yoh unwrapped his gift he had seen that Takeshi got him a CD player. "WOW thanks Takeshi! But... I didn't get you anything." Said Yoh "no it's ok" "No really um" think fast Yoh hands Takeshi his headphones. "Thanks Yoh" both smiling" when Yoh went back to finish his training on the electric chair the bell had finally rung and Christmas Vacation has finally come. While walking out of the class, they meet up with Ren and Horo saying their Hello's and wondering what they are all going to do for this Christmas Vacation. Horo suggested going to the snowy mountains. While Ren on the other hand feels like they should take a ride on his jet going first class to a really expensive motel. "Why don't we rent a log cabin in the mountains, it be really fun there, hopefully they won't be an avalanche" suggested Takeshi. So they all decided to go to the log cabin for 3 weeks. After they all said their goodbyes they all left to get ready for the big trip tomorrow. Yoh on the other side knows that Anna wouldn't expect him going to their trip. While finally arriving home Yoh goes and searches for Anna "Anna, where are you?" an answer replies up stairs. When Yoh walks up to find Anna he finds that she has her briefcases "Um What's happening? Where are you going?" confused look has gone up to Yoh's face. "Sigh...If you must know I'm going for a 3 week spa. You know all this stress can really tire out a lady such as me, especially the first lady to be next to the shaman king". While talking to Yoh about her vacation she heads for the door which a bus is waiting for her. "Well the guys and I are gonna go to a log cabin and be there for a 3 week till school is back and was wondering if I can" Yoh finally stopped talking seeing that Anna was already sitting down in the bus already leaving. Yoh waves goodbye to Anna and starts packing for the trip....

2 - The Winter Trouble

The next morning the guys came over to Yoh's place. While there they were all waiting for the last person to come..... Takeshi "Where is he?!?! ITS FREEZING OUT HERE!!!" screamed Horo. "Probably over slept" yoh replied. "Im giving him two minutes to get here or were going my place..." said Ren. "All Sigh" But when they were about to leave they all heard a crashing noise coming there way. "WHAT WAS THAT?!?!" they all screamed. While they all get there they saw a black truck driving "AHH!!! ITS GONNA KILL US"!!! Horo screamed seeing the truck driving right in their path. But before it could hit them the truck came to a stop thanks to Amidamaru and Bason. The guys opened their eyes seeing if they lived that the truck had stopped right at their noses. When Horo opened his eyes he fainted and fell to the floor. The truck door opened up and the person was non other than Takeshi. "TAKESHI"?! Screamed Yoh, Ren, and Horo. "Well lets go"! I went to rent this truck "YOU, YOU almost killed us"!!! Horo yelled. "Yea, Sorry about that" Takeshi said. So then they all left to the Snowy Mountains. It was too bad that Takeshi crashed cause of a squirrel, and so crashed and killed Lyserg, but it wasn't like anyone cared so they left him to be devoured by evil eating Wild West pigs. When they finally reached the cabin they all went and choose their rooms. Takeshi took the master room. Ren, Horo, and Yoh took the ordinary room. Later they all left to have some fun. Horo went snowboarding to the highest mountain, Ren relaxing in the hot springs, Yoh relaxing on a chair, and Takeshi just in the master room Meditating. "Sigh" Ren said doesn't this feel relaxing Bason"? Ren asked. "Yes indeed master Ren" feeling so refreshed Ren changed back into his winter cloths. But what he didn't know was that he wasn't alone, someone was spying on him. Before you knew it a dark shadow came out from the mist of the hot spring. "Whos There"?! Ren shouted taking out his Kwan Dao. "Would you really want to risk that Ren"? "Hao"?!?!..... Before you knew it Hao had vanished Ren to another dimension....

3 - Loss of Ren and Horo

“Well that took care of him” said hao doing an evil laugh, “They won't know what hit them”! Taking out a crystal ball holding Ren captive “Sigh, Don't worry Ren, you wont be alone. Your so called friends will join you shortly.” When he went back into the mist he completely vanished and so did the hot springs, like it was some kind of illusion. While Hao had taken Ren to another Dimension, Horo on the other side of the mountain was major shredding in the snow “WOHOO”! Horo screamed when he jumped up high in the air. It was the biggest jump he had ever done in his life. Soaring through mid air Horo sees that he was about to crash into a forest of trees. “AHH”! While using his over soul he bravely makes an ice sled, sledding down to the ground safe, but what Horo didn't notice was that he was on the tip of the frozen water. COOL!!! He starts to sled on the ice not realizing he was skiing on very thin ice. Without warning a giant hand cracks the ice open. Horo falling in and starting to drown. Silence was the only answer when he tried screaming for help, No answer, no rescue, no one was there. Unexpected hao appears next to Horo who had to swim back to the snowy grass. GAH what are you doing here?! With shock in his eyes. Horo as if his life depended on it, he got up and started to run back to the cottage where yoh and takehi were at. Theirs no use running away from me Horo, admit to me or you'll end up like your' friend Ren here. With shock Horo uses Corey for his over soul, he grabs his snowboard and uses his special move, Avalanche. Spirit of fire, hao answers. Spirit of fire appears and slashes the snow, melting it like it was just plain ice. You're already out of energy and you defined me. Welcome to you're faith Horo. Without caution Horo was zapped into haos magical orb where Ren and Horo lie in the nether world. This is way too easy, their all coming one by one. Hao vanishes in the mist once more. While both Ren and Horo were trapped in haos orb, Yoh and Takeshi were still at the cabin. Takeshi opens the door meaning he was done meditating, `Yawn' he says where did the others go? Horo went to snowboard, and Ren went to the hot springs. Yoh replied. Hmmm well its getting kind of late “Looks outside window” I think we should go look for them. So yoh and Takeshi go to look for Horo and Ren. Not knowing that trouble was right under their noses....beware the danger that lurks every corner.

4 - End of Hao

Two hours have passed, still no sign of Ren or Horo. Br it's freezing out here. Said yoh rubbing his hands together to keep himself warm. Where could they possibly be? I don't know Takeshi. Im a little worried, theirs no hot springs and the mountain creeks are closed at 6 and its already 11. Takeshi and Yoh split up to search one more time. While Amidamaru and Bandamaru go up in the sky to find them from above. During the search yoh discovers a cave. Ren, Horo. You guys in here? "Sigh" I guess not. Yoh turns around to find out that non other than hao Asakura was in back of him' HAO? What are you doing here? I thought you were dead. That's what you think yoh. It was atlas who brought me back so I've come back to have my revenge on you guys. Once more hao takes out his magical orb. Horo, Ren?! Yoh screamed at hao. LET THEM GO!

No... but don't worry yoh. You will be just like them very soon. You will have the same faith just like them. Amidamaru appears behind yoh. Both do their Oversoul. CELESTRIAL SLASH! When the red glowing slash flies right at hao, spirit of fire appears turning this so called slash into rubble. You make me laugh yoh. But you also disappoint me. A huge flame surrounds both yoh and him. Prepare to meet you're destiny yoh. When all was lost, Takeshi zaps right though and grabs haos magical orb. I should have known it was you and especially atlas's doing... *grins* Get out of the way Takeshi; I have no business with you. You also disappoint me for a son... I WILL NOT GET OUT OF THE WAY! DARK OBLIVION! A dark bubble starts to appear at takeshi's finger, a little laser spits out through hitting the right arm of spirit of fire. Spirit of fire lets out a cry of pain. Ha... takeshi walks back to yoh. Are you ok? Yea. Let's take care of hao now. Yoh grabs his sword and takeshi brings out his sword from his backpack'. Let's do a power converging yoh. Yea. TRIPLE SLASH! CELESTRIAL SLASH! 4 huge slashes hit hao, pushing him off from spirit of fire. OOF! Hao sends a giant flame at yoh and takeshi. Both are trapped in a ring of fire. Ugh... I can't breathe said yoh. Takeshi can hardly breathe as well. With the last of his furyoku. Takeshi uses his strong attack phase. Takeshi starts to glow in a huge pile of darkness... he shoots a spark at hao. What is this? Prepare to disappear hao....*falls to ground* return back to the neater world for you. Hao begins to disappear in a data sort of way. TAKESHI! Yoh runs and picks him up from the ground. You did it. Yes but how are we going to free ren and horo? Well maybe anna can bring them back? Yes but it also looks like our vacation is ruined and remember anna went to her vacation as well she wont be back until 3 days from now. This is my entire fault I don't think I should have come. No matter what or where I go atlas always has to mess up everything he hurts my friends and family and even you uncle yoh...hey its ok. Don't let yourself down from that. Yea I guess so. Well let's get going yoh. *Both yoh and Takeshi set off to go back to the inn*
