Chapter 1 - My Sanity

1 - My Sanity

My Sanity

You can't see every day is a battle

You cant see i'm fightin' for survival

You can't see this pain I feel inside

You can't see the darkness from which I hide

You turn your back and look away

Ignoring all the things i'm trying to say

Why cant you see

this is killing me

I try to let you know

that i'll soon let go

You were the last shred of sanity

that I had left inside of me

You keep looking past me at something far away

Can't you see your all that's left for me

Your my sanity

Your killing me
