*It's not quite as happy as you might think from the title, but it's not dark (that's for sure) it's some where in between.*

# 1 - Poem

## Love

Love is always changing

ever moving

ever ranging

moving forward

turning back

landing hard

and falling flat

getting up

turning round

never staying

not bound to ground

One last move

another turn

Uh oh

crash and burn

just give up

don't keep going

I knew it'd happen

My heart was slowin'

Then you came

My last tear dried

I blink once, twice

and my senses fried
