1 - Endless Fight

This one I call 'Endless Fight' ,it was inspired by my best friend's painting and I feel it really describes Gollum in a way. Please review!

Endless Fight

Anger, fear, hate
emotions that are used
controlled not by us, but by fate
these are the most abused

Hurt, shame, betrayal
felt more often than not
they happen with out fail
a battle much less fought

Tears of pain and death
flashing through the mind
like a carpet with bloodstains, the very last breath

These are the things we cannot control
running through our minds, day and night
this is our battle, our endless fight
