**Chapter 1 - last wish**

## 1 - last wish

my future is not where my dreams are...  
and i will smile through all my pain..  
dont forget..ur not alone...  
say thank you...  
never tell friends good bye...  
hold them close while you can...  
tell them u love them before its too late...  
forgive and forget...  
believe in them even if u dont believe in urself..  
cry your tears...dont hold them in  
live life without regrets...  
scream as loud as you can...  
dance in the rain...  
sing like no one is watching...  
love for who they are...not what u want them to be...  
dream...and believe...  
find something in life to protect...  
keep friends close to you...  
dont go through life alone...  
1 single thing should not stop you from living...  
so i say...before i go...please...just say you love me.
