1 - Inviting!

Inviting!

"I really don't know.." Muttered a mongoose. The mongoose had bright yellow fur that gleamed in the sunlight. She stroked some of her long chocolate brown hair. She lifted a hand to move her bangs so she could look around with her emerald green eyes. The mongoose smiled a bit as she talked over the phone with her cousin. "Well, you better think of what to do, because your sleepover birthday thing will be tomorrow." Answered a voice from the other line. "I know, I know, you don't have to nag me about it." Replied the mongoose, smirking. "Whatever. See you later, Christy." Said the other voice and it hung up. Christy. That was the mongoose's name. Christy Isabelle Mongoose. Christy had on a black tanktop similar to Mina's, except it had a neon blue stripe across. It was a bit short, which it showed some of her stomach. Dark blue shorts were worn and a black belt filled in the loopholes. Blue sneakers were worn with white socks popping out of the sneakers. Christy loves playing her guitar, singing, hanging out with her friends, drawing, listening to music, and beating bad guys. As soon as the call ended, the mongoose hung up and made her way to the kitchen. She made herself a sandwich and munched on it, then took a sip of water. *My birthday is tomorrow. Hm..* Thought the mongoose as she bit her sandwich again. Christy wasn't a normal mongoose. She had the power of electricity and she was a very fast runner. But the speed power was in her blood. Mongooses were SUPPOSED to be fast. She wasn't as fast as Sonic The Hedgehog though. *Sonic..* Thought the mongoose again. Christy had a simple crush on Sonic a long time ago. She still did, but her feelings for him grew. She of course, would invite him as well as Tails and Knuckles. But who else could she invite? The mongoose stretched and walked outside. She looked around, and saw Tails. "Hi Christy!" Greeted the young fox. "Hey Tails." Said Christy, smiling. Tails smiled back. Christy handed him a card. It was an invitation card. "Have you seen Sonic or Knuckles?" Asked Christy, and Tails shook his head. "Nope." He answered after shaking his head. "Oh. Thanks anyway." Said Christy as she began to walk away. Tails did a simple wave, then went back to work on his machine. Christy just placed the cards in her pockets. She speeded up and looked around for Sonic. She stopped and saw a blue blur. "Oh boy." The mongoose muttered, and she ran after Sonic. "Sonic!" She called out, which made the blue hedgehog stop. "Hey Chris, what's up?" He asked, but without answering Christy handed him a card, smiling. Sonic smiled back after he read the information inside. "Hope you can make it." Said Christy. "I sure will. Don't you worry about it." Replied Sonic, putting his thumb up. He winked and continued to run. Christy just stood there, watching the hedgehog leave. She chuckled a bit, then went off to find Knuckles. "Knuckles!!!!" She called out, cupping her hands around her mouth. Her hands were covered with black fingerless gloves. Knuckles popped out from the ground, and looked around. "What?" He asked, his eyes a bit narrowed. "Um, I just wanted to know if you would come to my sleepover party.." Said Christy, giving him an invitation. Knuckles looked at it for a while, and smiled. "I guess I'll go." He answered. "Cool! Thanks Knuckles!" And with that, the mongoose sped away looking for more friends to invite.

2 - ~Leanne and Christy~

[Hi! Well, I'm only letting like two more made-up characters in the story, so comment if you want to be in it. I will also need a brief description and maybe a picture of your character. Also, Christy is my character, no steal! Leanne is Sunshine_Fox's character, so don't steal! The rest of the characters belong to Sega. Well, on with the story!]

~Leanne and Christy~

As the mongoose walked along, she heard a voice. "CHRISTY!!!" Shouted the voice. Christy quickly turned around, seeing an orange fox come up to her. The orange fox panted, then raised a hand to push away her long gray bangs. Green eyes stared at the mongoose and then at her shoes. A blue shirt was worn with three yellow rings going across. A blue skirt was also worn with four yellow rings going across as well as a yellow star. The orange fox's name was Leanne. Leanne wasn't just a fox, oh no. She was many animals. But it all depended on her mood. Leanne had one blue ring on her right arm and four on her left. Christy smiled at Leanne, for she was her best friend. "Leanne! What's up?" Asked Christy. "That's what I should be asking you!" Exclaimed Leanne, smiling. "Here." Said Christy as she handed Leanne an invitation. "Sure, I'll go!" Leanne said after she read the contents of the card. "Cool. Thanks a lot!" Said Christy as she ran off, and Leanne waving. Leanne tilted her head, and followed Christy. "Wait up!" She called out, and Christy went a bit slower. It didn't seem to make a difference, but Leanne caught up anyhow. "So, who's next on your list?" Asked Leanne. "You'll find out soon enough." Answered Christy. Leanne just managed a sigh, but she smiled anyway. "I'm hungry, are you?" Asked Christy. "Yeah." Replied Leanne. "Well, let's get something to eat." Said Christy. Christy and Leanne walked in a restaurant. "Ooo.. Spiffy." Said Leanne in awe, and Christy laughed. "So, where to sit.." Muttered Christy. "How `bout over there?" Asked Leanne, pointing to a booth. "Right this way." Said a waiter as he led the two girls over to the booth Leanne had pointed at. The two sat down, and looked at the menus. "So, what looks good to you?" Asked Leanne. "Everything." Replied Christy. "You're right." Said Leanne as she ordered her food. Christy did the same. AN HOUR LATER.... "Can you please tell me who is on the list!?" Asked Leanne. "Okay, fine. It is.."

[CLIFFHANGER! THE FIRST TWO TO ASK WILL BE THE ONES CHRISTY SAYS. Remember, only two more made-ups. I am so sorry it is so short!!]

3 - Going With Veena

|Okay, guys, only one more person can be in it, so comment on my story if you want to be in it. Also, I don't own any of these characters except Christy. Veena belongs to Pinktiger300 and Leanne belongs to Sunshine_Fox. So if you steal, you DIE...|

“Veena.” Answered Christy. “Okay.” Replied Leanne. The two ran but they skidded to a stop as soon as they saw their friend. The young vixen |That is what Veena is, right PT3? O.o| was sitting on a bench, twirling a flower that was in her hand. The vixen's blue bangs had fallen into her face, but she pushed them aside so she could look around with her purple eyes. She was wearing a blue shirt with no straps. A dark blue skirt was also worn along with some shoes. |I never saw what kind of bottom or shoes she was wearing, PT3. Sorry if it's messed up.| The young vixen had her eyes pierced four times on each ear. Before the vixen could look up, she was tackled by her two friends. “VEE-CHAN!!!” They shouted, chuckling. “I would laugh.. But please GET OFF ME!” Pleaded Veena, and as she asked the two got off. The two hugged their friend, and Veena hugged them back. “Hey, read this, and then decide if you'll come or not.” Said Christy, handing Veena an invitation. Veena read it. “Sure, I'll go. Who else is going?” Asked Veena, raising an eyebrow. “Erm.. Of course me, Leanne, Knuckles, Tails, and Sonic..” Christy answered and a nervous smile came upon her face. “I'll go, don't worry! Anything for my best friend! I just won't talk to that scumbag..” Veena replied, smiling. “Okay!” Replied Christy, and Leanne just smiled. “Wanna come with us to find the rest?” Asked Leanne. “Sure, why not?” Answered Veena. “Let's go!” Exclaimed Christy, and then she ran off, the two running beside her. |THIS NOTE IS ONLY FOR PINKTIGER300 AND SUNSHINE_FOX: Hey, you two, maybe our characters could form a team. I already have a team name, but I want to hear what you guys think. Anyways, on with the story!| The three had found everyone and gave them an invitation. But who was missing? “I know there's someone missing..” Said Christy as the three sat on the porch of her house. “Dunno. Didn't you mark off the people on the list?” Questioned Veena. “I did, it's just.. I feel we left out someone..” Christy replied, looking down. Leanne patted her friend on the back. “I shouldn't worry about it so much..” Christy finally said, beginning to smile. “You're right. And we can search through town again.” Veena added. “Yeah!” Leanne said, nodding.
