Marik's Online Advice Column, Horoscope Included!

Readers may post questions or problems on Marik's Advice Column if they wish.

Rules- Does not have to be a real problem because, more than likely, the advice won't help you in any way. Please include your Zodiac sign so that Marik can give you your horoscope for the day that he decides to write back. Thank you!

Dear Marik

I've got an annoying 13 year old brother who keeps stealing my chips and soda& and just about everything I own. What should I do? Scorpio

Hopeless Case, age 18

Hopeless Case-

Your pen-name suits you. You are a hopeless case. I mean, dude! You're, like, 5 years older! Go dump him in a trash can on trash day and watch results. Your horoscope: Beware of Virgos and Gemini. More than likely they will force feed you moldy pudding or deep-fried sardines. Avoid all Aquarius: recently, they've been on an evil rampage against Scorpions and you will probably end up with your head in a toilet.

Marik

Dear Marik,

A lot of kids at school pick on me cuz I'm all short and stuff. It really bugs me. Gemini

Little Duelist

Little Duelist-

Stilts are the answer to all your problems. As for your horoscope, you will find friendship with Aquarius, but I predict that two members of the same family won't like you very much, though one of them will. Avoid tall brunet Scorpions and slightly shorter green haired Libras. You will not have much luck with blonde Capricorns and albino Virgos of whom both of them are probably not who they seem. You will probably still get teased at school and when you wake up tomorrow, you will have Silly String all over your room and you.

Marik

Try to guess which Yu-Gi-Oh characters I used! Guess correctly and Marik will give you a hug or he will bake you a cookie or something in a pink frilly apron! Your choice!

Marik- I do not remember agreeing to that part&

Me- Do it or I'll break the Millennium Rod!

Marik- NOOOOOOOOOO! *sobs*
