# 1 - Untitled

First snow whiteness

The first snow I ever saw

was white but who knows

it could turn red Yellow bright

green even Chock-O-let brown

but the snow is white everything

is white even the popcorn bushes

are white the white is so bright

and so pretty I make a snow girl

and dress her in bright red clothes

She looks so pretty against the white white snow.

A black Dog

A black dog in the night

See its shadow

See its yellow eye

A black dog at night.
