1 - Scared

Scared

Get up off the floor

Pick up the peices to your broken heart

Never let them bring you down

Don't let them pin you to the ground

We'll stand side by side

We'll fight for what we think is right

We won't give in without a fight

We stand side by side

They can never tell you that you're wrong

Stick to your guns and make sure you're strong

Never show a weak part of you

Lock it up they can't get through you

We'll stand side by side

We'll fight for what we think is right

We won't give in without a fight

We stand side by side

Tell me you're not scared

Tell me you're a nightmare

To all those who follow

The normal cause they're hollow

We'll stand side by side

We'll fight for what we think is right

We won't give in without a fight

We stand side by side
