1 - Wolf Running

fur of grey with a light tint of blue,
your eyes so true,
you run majestically through the night,
the moon high and so bright,
you run without a worry or care,
how to dress or fix your hair,
as your fur flows through the wind,
you know the darkness is your friend,
you stop and look up,
thinking about your pup,
you howl at the moon,
knowing he'll be there soon,
so they can run together,
to show how much they love each other,
