Chapter 1 - where is she?	2
Chapter 2 - the end.	3

1 - where is she?

It was just a normal day at nine P.M. I was just playing my game shadow the hedgehog, but then my mom came and ask "where's kiari?" I replied "I don't know maybe she's under my pillows." "ok" my mom said back. She checked she wasn't there my mom then said "she's not there" "where can she be?" I asked to myself. We then checked everywhere. She wasn't anywhere to be found. We all started to get worried. I then said "is she in the garage?" we checked and it seemed that the garage door was opened. We all got worried. My mom said "oh lord, please don't let of gone out." I then thought "oh no, if she's not here then..." After we all realized she had left through the garage. then my dad got ready to go look for her and then everyone got ready to find her. We all went outside to look for her and even yelled out "kiari!!" and even said "lilo girl!" but after a long time we all went inside crying... well except for my dad. We were all sad for this lose of our beloved puppy.

2 - the end.

After a long time of crying we all went to try to find her again. But yet we failed again. My mom was crying so much because of kairi's absence. After a while when it was close to 2:00 clock (Christmas day : D), my brother went out to go find her because he said to my mom a little earlier "I promise that I will find kairi mom" then he left to find her. Then later my mom gave me her cell phone (its camera) and said "give this to Chris and see if he can print the pictures through the computer" I went to find him but he wasn't anywhere in the house. I then said to my mom "I don't think he's here. But he said he went to find kairi" but as usual my mom didn't listen to me >.>. but later my mom went to see if Chris printed them but I said to her "he went to find kairi. That's what I said earlier" then my mom got worried because its night and its already too cold (he was wearing slippers XP) but then as my mom got out the front door and just about to go to the escape hybrid. She saw Chris but he was holding something. She saw as he came closer that he was holding KIARI!!!!!!! My mom then began to fill with happiness. But then when they went back inside he showed me and my dad kiari. That he had found I then asked "where was she at?" he responded "she was under a van 2 blocks away" I then held her and cried "we missed you sooooooooooooooooooooo much!!!!" after everyone got to hold her I gave her some bologna . (and just so you know she was in the cold for 5 hours. Or possibly more O.O!!!)
