GAARA VS NARUTO

Gaara was walking along the road when he saw someone so beautiful he couldn't help but stare. "She's beautiful," thought Gaara.

He ran over to meet her but before he could reach her Naruto started to talk to her. Then he realised who it was. It was Sakura. He ran over.

"Hi Sakura," said Gaara.

"Hey," replied Sakura.

Inner Sakura: What does he want? As long as he doesn't want to kill me.

"What are you doing on Sunday," asked Gaara.

"Nothing" replied Sakura.

"Do you want to go for a bowl of ramen on Sunday?" asked Gaara.

"I suppose so."

"Ok. I'll meet you at 5:30 at the park," Gaara said.

"Okay," Sakura said.

As Gaara walked away he was as happy as ever.

"I have a date with the prettiest girl around," thought Gaara.

Naruto wasn't happy at all. He decided that he will just happen to be at the restaurant at the same time as Gaara and Sakura. Then he could keep an eye on Gaara.

Sunday came very quickly. Naruto was at the restaurant a 5:30 on the dot but they weren't there. He waited an hour. They were no where to be seen.

Mean while at the park. Gaara and Sakura were on the swings.

“This is fun,” said Sakura.

“Yeah. I bet you I can swing higher,” Gaara said.

They had a swinging competition. When they were high up they both jumped off at the same time. They landed right next to each other. Before they new what was happening they kissed.

Just as they were kissing Naruto walked into the park. He ran and punched Gaara.

“What was that for?” asked Gaara.

“You stole my love,” replied Naruto with hate in his voice.

Naruto and Gaara started fighting.

“STOP!” screamed Sakura.

They wouldn't stop for anything. A fireball cut in the middle of Naruto and Gaara just as Gaara was about to put Naruto in a coffin of sand making him stop. It was Sasuke.

“What do you want?” asked Naruto.

“I want you two to stop fighting like idiots. Listen to Sakura for once,” replied Sasuke.

“Sasuke,” said Sakura blushing.

“She's blushing. Is she in love with Sasuke,” thought Gaara and Naruto at the same time.

“I'm leaving,” said Sasuke.

“Wait on me,” said Sakura still blushing.

“She is,” thought Gaara and Naruto.

All Gaara and Naruto could do was watch Sakura go off with Sasuke.
