**Chapter 1 - Death**

**2**

# 1 - Death

Death

You can burn in a fire...

Or touch the electric wire.

You can drown...

Or be attacked by a clown.

You can jump off a tall building...

Or be struck by lightning.

You can insult people 10 times bigger than you...

Or overdose on drugs while trying to cure the flu.

You can sit on something long and sharp...

Or be hit over and over with a harp.

You can fall very far...

Or get hit by a car.

You can be attacked by a man with a knife...

Or loose a fight for your life.

You can get shot by a gun...

Or sit too long in the sun.

You can be hung with a hose...

Or repeatedly run into a door that is closed.

You can be eaten by a crocodile...

Or you could smile (instead of running from the murder in the hall).

You could get a little to high...

Or mistake your self for someone who can fly.

And although this poem is through,

These things can still be tried by you!
