Fumu-sama: Oh! Can I observe?

Flame: Yes I'd love a new student!

Fumu-sama: *Laughs*that's a no no I don't know how to shoot fire and I don't want to learn how either, I don't think I will shoot fires in Populand. I leave stuff like that to Kirby.

Flame: Darn it... I was going to make her burn her own clothes off.....

Flame: OK Pyro you will make a meteor with fire and Tails is coming with a fire proof robotic boxing glove he will punch it to space and you will burn it away...

Pyro: Isn t that dangerous?

Flame: Yes but the creator of this story will not allow mobius to be destroyed or the series will be over.

Pyro: OH!!! That s why bad guys never win! If the main character is gone the series will be over!

Flame: Ok lets do this lesson!
