News reporter: There have been reports that Dr Eggman an evil scientist is back. I'm Roxanne for the 1:00 news. Good bye

Tails: What should we do sonic? Because we can't let Eggman get away this time. Can we?

Knuckles: He's right we can't let him go because he could try to take over the world again. But then again it was your fault he got away because if you let Tails and I take the tornado X we could have caught him but no it was to dangerous because the plane hadn't been tested. When I get my hands on Eggman I'll kill him.

Sonic: Calm down knuckles you saw what happened to me on the tornado X that day I couldn't have put my friend's life in danger. Let's go find Eggman.

Tails and knuckles: yeah

Knuckles: can we have lunch first?

Sonic: ok I will walk well run.

Tails: ok I'll get the tornado X and off we go.

Sonic: who is paying for lunch?
